In this compilation of scary stories written by high school students, you will find mystery, suspense, and surprise. We warn you not to read this book at night.

[Dream Closet \(Barbie: Life in the Dream House\)](#) Simon and Schuster

Summer is heating up for reluctant psychic Riley Thorn and her handsome private investigator boyfriend, Nick Santiago. First, her disapproving grandmother arrives determined to make Riley take her powers seriously or face the wrath of "the Guild." Then there's the homicide detective who needs her help figuring out who murdered the well-dressed corpse in the walk-in closet. Nick's got his own hands full with a tricky missing person case and his parents who want to know why he didn't tell them about his live-in girlfriend. Then there's the fact that he's still the tiniest bit stressed about Riley almost getting murdered earlier that summer. The last thing he wants is her getting involved in another investigation. Things go from bad to worse when the body count starts stacking up, the meet-the-parents dinner goes horribly wrong, and their elderly roommate is up to no good...dressed like a mime. To top it off, Riley is forced to return to Channel 50 on official police business to question her spray-tanned news anchor ex-husband and his new weather girl fiancée. The trouble comes to a head when Riley receives a warning from the killer: Back off or she's next. Someone has to solve these murders before she becomes the next corpse.

The Life-Changing Magic of Tidying Up Penguin

A little boy discovers a circus in his closet in which he is invited to participate.

[Riley Thorn and the Corpse in the Closet](#) Mlr Press

The biggest case of Eddie's career and nothing's going right. He's stuck in a stifling courtroom with the air conditioning on the fritz during the worst heat wave in years, and the judge has denied his latest motion. He just wants to spend a quiet night celebrating with his partner, Mike, on their fifteenth anniversary. But Mike has a surprise in mind this year. A surprise that may be more than Eddie imagined possible.

This High School Has Closets Independently Published

A literary and cultural history of the intimate space of the

eighteenth-century closet—and how it fired the imaginations of Pepys, Sterne, Swift, and so many other writers Long before it was a hidden storage space or a metaphor for queer and trans shame, the closet was one of the most charged settings in English architecture. This private room provided seclusion for reading, writing, praying, dressing, and collecting—and for talking in select company. In their closets, kings and duchesses shared secrets with favorites, midwives and apothecaries dispensed remedies, and newly wealthy men and women expanded their social networks. In *The Closet*, Danielle Bobker presents a literary and cultural history of these sites of extrafamilial intimacy, revealing how, as they proliferated both in buildings and in books, closets also became powerful symbols of the unstable virtual intimacy of the first mass-medium of print. Focused on the connections between status-conscious—and often awkward—interpersonal dynamics and an increasingly inclusive social and media landscape, *The Closet* examines dozens of historical and fictional encounters taking place in the various iterations of this room: courtly closets, bathing closets, prayer closets, privies, and the "moving closet" of the coach, among many others. In the process, the book conjures the intimate lives of well-known figures such as Samuel Pepys and Laurence Sterne, as well as less familiar ones such as Miss Hobart, a maid of honor at the Restoration court, and Lady Anne Acheson, Swift's patroness. Turning finally to queer theory, *The Closet* discovers uncanny echoes of the eighteenth-century language of the closet in twenty-first-century coming-out narratives. Featuring more than thirty illustrations, *The Closet* offers a richly detailed and compelling account of an eighteenth-century setting and symbol of intimacy that continues to resonate today.

[Epistemology of the Closet](#) Princeton University Press

An honest and poignant look into the deeply intimate yet platonic relationship between a gay English teacher and his young female protégée—each seeking connection and acceptance—as reflected by the decade

of letters they exchanged. It was an improbable relationship from the start—a high school English teacher, still in the closet, and his best student. From the confines—and protection—of his closet, Amy's teacher wrote these letters, letters that were read, cherished, answered, and then locked away for years. Now Amy looks back at the decade of intimate letters that preceded her teacher's untimely death, collects the shards left by their clumsy, sometimes violent attempts to unmask each other, and counts again the cost of knowing and being known. Every writer needs a room of his own, but for some people, at certain times, and in certain circumstances, the best you can do is a closet. Timely and relevant, this is a love story of the most contemporary kind, a rare glimpse into an intimate relationship between teacher and student—a relationship whose effects are still being felt decades later. It's raw and honest and moving, a poignant commentary on the values that unite us all.

Letters from the Closet Scholastic Inc.

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

Things are going pretty well for Rob Burnside until Pinocula—a cross between Pinocchio and a vampire—emerges from his closet, lying, joking, and doing his best to drive Rob crazy.

The Conscious Closet Larousse Kingfisher Chambers

One of the most urgent tasks for gay studies today, James Creech argues, is the retrieval of a repressed, "closeted" literary heritage. But contradictions and problems cloud even the most basic theoretical questions: What does a lesbian or gay reading of a literary text require or presume? Can we talk about a homosexual writer expressing him- or herself before the invention of "homosexuality"? Was it possible for a writer like Herman Melville, for example, to create literary works linked to his own prohibited eros? In *Closet Writing/Gay Reading*, Creech shows how a literary critic can be receptive to implicit and closeted sexual content. Forcefully advocating a tactic of identification and projection in literary analysis, he lends renewed currency to the kind of "sentimental" response to literature that continental theory—particularly deconstruction—has sought to discredit. In the second half of his book, Creech sets out to analyze what he considers the exemplary novel of the nineteenth-century closet, Melville's *Pierre*, or: *The Ambiguities*. By approaching *Pierre* as the gay man Melville longed to have as its reader, Creech is able to decipher the novel's "encrypted erotics" and to reveal that Melville's apparent tale of incest is actually a homosexual novel in disguise. The closeted "address" to queer-sensitive readers that *Pierre* disseminates finally receives a critical reading that strives to be explicit, shareable, and public.

The Closet Book Doubleday Books for Young Readers

Ever since the death of his father, poor Fellworth Dolphin has slaved away as a waiter to support his miserly, cold-hearted mother. When his mother suddenly dies, Fellworth is shocked to discover that she has left him a sizable inheritance. Confused, Fell teams up with Maggie, a plain girl with a similar background, to investigate the source of the riches. But what they find is a closet full of skeletons... Is it really possible Fell's father was involved in a long-ago train robbery? Who's the mysterious woman in the portrait hidden in his mother's wardrobe? As Maggie and Fell poke around the village for answers, they find themselves on a surprise-filled path to danger and adventure, and—just possibly—love. But Fell's sudden good fortune could come to an abrupt end if he doesn't stay one step ahead of a cunning killer... from beloved novelist M.C. Beaton comes this thrilling stand-alone mystery, *The Skeleton in the Closet*.

High school is a challenge. "This High School Has Closets" is a story of two young teenagers falling in love during a difficult senior year.

The Cross in the Closet Children's Book Press

A murderer, a victim, and a witness... but no one in this house is innocent Twenty years ago an unspeakable tragedy rocked Rose Yates's small, affluent hometown... and only Rose and her family know the truth about what happened. Haunted by guilt, Rose escaped into a new life. Now she seems to have it all: a marriage, a son, a career. And then her husband is found dead. As far as Detective Colin Pearson is concerned, Rose is guilty. Her marriage wasn't as happy as she'd led everyone to believe, and worse, she's connected to a twenty-year-old cold case. She can play the part of the victim, but he won't let her or her family escape justice this time around. Grieving her husband and struggling to make ends meet, Rose returns home, hoping to finally confront her domineering father and unstable sister. But

memories of a horrific crime echo through the house, and Rose soon learns that she can't trust anyone, especially not the people closest to her. From USA Today bestselling author Carter Wilson comes a story of deception, hereditary sin, and what we'll do to protect our own.
