The ALL NEW Don't Think of an Elephant! picks up where the original book left off—delving deeper into how framing works, how framing has evolved in the past decade, how to speak to people who harbor elements of both progressive and conservative worldviews, how to counter propaganda and slogans, and more.

## George Lakoff - Wikipedia

There's really no point to arguing the politics as either you'll agree or you won't but Don't Think of Elephant is a quick listen. However, its marred by repetitiveness. Its clear Lakoff really wants to drive home his points but of the course of 4 hours, the book starts to wear thin. 1 person found this helpful
