A “ darkly comic, gritty look

at life on the streets ” from the former LAPD detective and multiple New York Times bestseller (Publishers Weekly). In the southernmost Los Angeles district of San Pedro, one of the world ’ s busiest harbors, an unlikely pair of lovers are unwittingly caught between the two warring sides of the law. When Dinko Babich, a young longshoreman, delivers Lita Medina, a young Mexican dancer, from the harbor to a Hollywood nightclub, their lives are forever changed, as their love develops among the

myriad cops and criminals who occupy the harbor. Suspense and tragedy are intertwined in the everyday life of the cops and residents of San Pedro Harbor, with the unflinching eye for detail and spot-on humor that only a master of the form like Joseph Wambaugh can provide. Their paths will cross with many colorful characters introduced in Wambaugh ’ s acclaimed bestselling Hollywood Station series: the surfer cops known as “ Flotsam and Jetsam ” , aspiring actor “ Hollywood

Nate ” Weiss, young Britney Small, along with new members of the midwatch. Humor, love, suspense and tragedy are intertwined in the everyday life of the cops and residents of San Pedro Harbor, with the unflinching eye for detail and spot-on humor that only a master of the form like Joseph Wambaugh can provide. **Celestial Timepiece** House of Anansi A “gorgeous novel” of two upper-class Pakistani families and the complicated love that develops between

their children, by the author of *Home Fire* (Los Angeles Times). Raheen and her best friend, Karim, share an idyllic childhood in upper-class Karachi. Their parents were even once engaged to one another's partners, until they rematched in what they call "the fiancée swap." But as adolescence distances the friends, Karim takes refuge in maps while Raheen searches for the secret behind her parents' exchange. What she uncovers reveals not just a family's turbulent history, but also a country's—and now

a grown-up Raheen and Karim are caught between strained friendship and fated love. A love story with a family mystery at its heart, from an author named as one of the Orange Prize's "21 Writers for the 21st Century," Kartography transports readers to a world not often seen in fiction: vibrant, dangerous, sensuous Pakistan. "[Shamsie] has been described as a young Anita Desai, and her third book, about childhood, love, life and high society in Karachi during the turbulent

1990s, is worth all the prepublication fuss." —Harper's Bazaar "[Shamsie] packs her story with the playful evidence of her high-flying intelligence." —San Francisco Chronicle "E. M. Forster's famous plea—'only connect'—reverberates passionately throughout this forceful tale of childhood, love and the power of storytelling." —The Independent (UK) "Deftly woven, provocative . . . Shamsie's blistering humor and ear for dialogue scorches through [a

whirl of whiskey and witticisms.” —The Observer (UK) “A shimmering, quick-witted lament and love story . . . Rich in emotional coloratura and wordplay.” —Publishers Weekly, starred review “Its artful uncovering of how people hide from themselves and one another . . . echoes Arundhati Roy’s *The God of Small Things*.” —Kirkus Reviews
The Almost Nearly Perfect People Open Road + Grove/Atlantic
Troubled by an inability to find any meaning in his life,

the 25-year-old narrator of this deceptively simple novel quits university and eventually arrives at his brother's New York apartment. In a bid to discover what life is all about, he writes lists. He becomes obsessed by time and whether it actually matters. He faxes his meteorologist friend. He endlessly bounces a ball against the wall. He befriends a small boy who lives next door. He yearns to get to the bottom of life and how best to live it. Funny, friendly, enigmatic and

frequently poignant - superbly naive.

UNMANNED AIRCRAFT SYSTEMS UNMANNED AIRCRAFT SYSTEMS
An unmanned aircraft system (UAS), sometimes called a drone, is an aircraft without a human pilot on board ???
instead, the UAS can be controlled by an operator station on the ground or may be autonomous in operation. UAS are capable of addressing a

broad range of applications in diverse, complex environments. Traditionally employed in mainly military applications, recent regulatory changes around the world are leading to an explosion of interest and wide-ranging new applications for UAS in civil airspace. Covering the design, development, operation, and mission profiles of unmanned aircraft systems, this single, comprehensive volume forms a complete,

stand-alone reference on the topic. The volume integrates with the online Wiley Encyclopedia of Aerospace Engineering, providing many new and updated articles for existing subscribers to that work. The chapters cover the following items: Airframe configurations and design (launch systems, power generation, propulsion) Operations (missions, integration issues, and airspace access) Coordination (multivehicle

cooperation and human oversight) With contributions from leading experts, this volume is intended to be a valuable addition, and a useful resource, for aerospace manufacturers and suppliers, governmental and industrial aerospace research establishments, airline and aviation industries, university engineering and science departments, and industry analysts, consultants, and researchers. A hilarious and moving road trip around Iceland in an old car, told by a recently divorced woman with a five year-old boy 'on loan' After a day of being dumped - twice - and accidentally killing a goose, the narrator begins to dream of tropical holidays far away from the chaos of her current life. instead, she finds her plans wrecked by her best friend's deaf-mute son,

thrust into her reluctant care. But when a shared lottery ticket nets the two of them over 40 million kroner, she and the boy head off on a road trip across iceland, taking in cucumber-farming hotels, dead sheep, and any number of her exes desperate for another chance. Blackly comic and uniquely moving, Butterflies in November is an extraordinary, hilarious tale of motherhood,

relationships and the legacy of life's mistakes. Auður Ava Olafsdóttir was born in Iceland in 1958, studied art history in Paris and has lectured in History of Art at the University of Iceland. Her earlier novel, The Greenhouse (2007), won the DV Culture Award for literature and was nominated for the Nordic Council Literature Award. She currently lives and works in Reykjavik.

Doppler BRILL
A Guardian Book of the Year and Chapters/Indigo Best Book A bestseller in Scandinavia -- Doppler is the enchanting, subversive, and very unusual story about one man and his moose. This beguiling modern fable tells the story of a man who, after the death of his father, abandons his

home, his family, his career, and the trappings of civilization for a makeshift tent in the woods where he adopts a moose-calf named Bongo. Or is it Bongo who adopts him? Together they devote themselves, with some surprising results, to the art of carefree living. Hilarious, touching, and poignant in equal measure -- you will read it with tear-stained cheeks and sore sides -- Doppler is also a deeply subversive novel and a strong criticism of

modern consumer culture. Doppler Doppler
A funny autobiographical tale about growing up in the digital age, from a groundbreaking author whose writing is "reminiscent of early Douglas Coupland, or early Bret Easton Ellis" (The Guardian) This autobiographical novella is described by the author as "a shoplifting book about vague relationships," and "an ultimately life-affirming

book about how the unidirectional nature of time renders everything beautiful and sad. ” From VIP rooms in hip New York City clubs to central booking in Chinatown, from New York University ’ s Bobst Library to a bus in someone ’ s backyard in a Floridian college town, from Bret Easton Ellis to Lorrie Moore, and from Moby to Schumann, Shoplifting from American Apparel explores class, culture,

and the arts in all their American forms through the funny, journalistic, and existentially-minded narrative of someone trying to both “ not be a bad person ” and “ find some kind of happiness or something. ” “ Tao's writing . . . has the force of the real. ” —Ben Lerner, author of *The Topeka School* CreateSpace
In the 1930s, the writer and poet, Nan Shepherd was one of North-East Scotland's best known

literati. Her image now graces the new Scottish £ 5 note; *The Living Mountain* has become a classic and sells in its thousands. Nan Shepherd lived all her life in Deeside, yet few people, even in Scotland, seem to have heard of her. But then, indifferent to celebrity, Nan Shepherd had a talent for silence. Long overdue, this first biography, unravels some of the mysteries, dispels some of the rumours and gives insight into the life and work of this perceptive and intensely private woman.

Elling has a wildly

overactive imagination and has been molly-coddled by his mother all his life, so when she dies he is left completely incapable of taking care of himself. After a stint in the very helpful Broynes Rehabilitation Centre, Elling returns to Oslo with his room-mate Kjell Bjarne in tow. Together the odd couple embark on a free-spirited new life. On a quest to live like normal average people, Elling and Kjell's friendship grows - kittens, girlfriends and terrorist poetry enter the equation - even fame beckons. But there are fears to conquer before

that, answering the telephone for one, leaving the house for another and the journey outdoors is by no means an easy one. A touching and hilarious comedy of anxiety from Norway's biggest talent, Beyond the Great Indoors rejoices in the simplest pleasures of life and reminds us of the importance of conquering our everyday fears. A Doll's House Houghton Mifflin Harcourt When A Doll's House was first published in 1879 it created a sensation. The play follows the ordinary

life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies. Kartography HarperCollins The Wanderer's H á vam á l features Jackson Crawford ' s complete, carefully revised English translation of the Old

Norse poem *Hávamál*, makes an ideal newly annotated for this volume, together with facing original Old Norse text sourced directly from the Codex Regius manuscript. Rounding out the volume are Crawford's classic *Cowboy Hávamál* and translations of other related texts central to understanding the character, wisdom, and mysteries of Óðinn (Odin). Portable and reader-friendly, it

companion for both lovers of Old Norse mythology and those new to the wisdom of this central Eddic poem wherever they may find themselves.

On a remote farm in northern Norway, eighty-year-old Anna Neshov is rushed to hospital after suffering a stroke. Her three sons have not spoken in some time. Margido, a devout Christian, works in

Trondheim as a funeral director. Erlend, a successful window dresser, lives a life of luxury in a penthouse in Copenhagen, while Tor, the eldest brother, remains rearing pigs on the decaying family farm. Aware of her failing health, the trio reluctantly reunite over the winter holidays, where unexpected guests and the question of inheritance prompt the revealing of some bizarre, and devastating, truths. Winner of the Riksmå

Prize in Norway. Oak Island & the Treasure Map in Shakespeare Pressworks Publishing, Incorporated America in the 1960's; a golden time for the family, when children behaved, wives stayed at home and men wore suits to work. But in all this perfection, reality, life, relationships and people can't help but expose this idyll for the lie that it is. Dick is a respected writer, with a beautiful young wife, and two children who he adores.

So why isn't he happy? And why isn't his wife, Daisy, happy either? Maintaining his marriage and earning enough to bring up his kids is hard enough, but the tumultuous relationship with Daisy, debts, and his penchant for gambling make things even more difficult. Despite these odds, Dick and Daisy drink, laugh and argue their way to a place of real tenderness. First published in 1963, Boys and Girls Together is a truly modern love story,

examining the complexities of relationship, family, the nature of love, and ultimately, our need for it. The Fall of Arthur Vintage Books The new novel from the Miles Franklin shortlisted author of the much-loved The Book of Emmett. Shortlisted for The Age Fiction prize and the Colin Roderick Prize 'Mum is the reference point. If you ever get confused about

anything, there she is, waiting with all her knowledge of you.' Grace Fisher, mother of three, one day decides her husband is a sore disappointment and moves the family from Melbourne to a coastal village in Victoria. But Ian's slow dissolution on the couch masked a depression that will harrow him into an early grave, leaving the kids with a lifetime of questioning: what happened to their

father; how did he get so sad? Between their father's demise and Grace's hardscrabble existence working at a local bakery, each child is left to find meaning on their own. Edie, the eldest child, locks herself into a romantic ideal so lofty that it can't help but fail. The middle child, Juliet, struts and careens through life, filling it only with what she can seduce, steal and manipulate. Sibling

rivalry between sisters proves the slowest and fiercest of burns. Love comes easily for Ted, the youngest, but when his wife abandons him to raise two daughters on his own, the perils of fatherhood are laid bare. When Grace, the distant, imperfect hub of the family, is diagnosed with terminal cancer, the siblings are forced to confront each other as adults, and come to understand their mother. Written

with her hallmark warmth, humour and deftness of observation, Deborah Forster's follow-up novel to the Miles Franklin shortlisted *The Book of Emmett* is a moving story of the loves and rivalries that burn at the heart of every family, and the meaning that comes from it. *Ignoring Gravity* Hackett Publishing
Rose is adopted and doesn't know it. *'Ignoring Gravity'* connects two

pairs of sisters separated by a generation of secrets. Finding her mother's lost diaries, Rose begins to understand why she has always seemed the outsider in her family, why she feels so different from her sister Lily. Then just when she thinks there can't be any more secrets... This is the first in a series of novels about Rose Haldane, identity detective. This is what some of the early reviewers said: "Drama? Check. Suspense? Check.

Romance? Check. Will-they-won't-they? Check. Great twists? Check, check, check! I am pleased to say this story has them all and then some." "*Ignoring Gravity*' is just the book to take with you to the beach this summer. It has everything you need: romance, family drama, humour - and some moments guaranteed to make you tearful." "There is a twist at the end which unexpectedly gave me the shivers as I contemplated history repeating itself. A

well written book with a story which will keep you turning the pages.

Thoroughly recommended." "This is the perfect summer read; I read this sprawled in the garden, under the sun. It really is the perfect mix of drama, family, love, discovery and friendship."

For the better part of a decade, Anita Dalton's "Odd Things Considered" website has served as a unique

outpost where sundry odd notions and odd creations & but mostly stacks upon stacks of odd books & are not merely considered, but treated with a kind of earnest analytical attention that & s rarely encountered in contemporary cultural discourse. This massive anthology collects the most memorable and provocative examples of Dalton & s conversationally-intoned counter-

criticism, with insightful discussions of overlooked literature, anthropodermic bibliopeggy, serial killer memoirs, outsider manifestos, and conspiracy theories (among many other outr é subjects) converging to illuminate a vast and volatile psycho-literary topography that has been ignored or deplored (but seldom explored) by our reigning arbiters of

taste and culture. When you're ready to put down that Jonathan Franzen doorstop, consider picking up a copy of Anita Dalton's *TL;DR: The Best of Odd Things Considered*. You'll see what you've been missing. [Butterflies in November](#)

A beautiful homage to the art of reading - light and funny. A celebration of the union of sensuality and

language. Marie-Constance loves reading and possesses an attractive voice. So, one day she decides to put an ad in the local paper offering her services as a paid reader. Her first client, a paralysed teenager, is transformed by her reading of a Maupassant short story. Marie-Constance's fame spreads and soon the rich, the creative and the famous clamour for her services. Why Peirene chose to publish this book: 'The premise of the story is brilliant: a woman who loves reading aloud acquires - without realizing - power

over others. What's true for her clients becomes real for you, the reader of this book. As you turn the pages, think of Marie-Constance as the personification of 'reading' itself. And I promise you an experience you will never forget.' Meike Ziervogel 'A clever, funny, and humane work that champions the power of literature.' David Mills, Sunday Times 'An entertaining, sensuous and, above all, fun outing into the converging worlds of reading, language and sexuality.' Pam Norfolk, Lancashire Evening Post 'Reader for Hire might be the perfect book -

written with an elegance whose validity it also questions.' Joanna Walsh, *The National* 'An excellent new translation of a novel . . . written with a lightness of touch.' Harry Ritchie, *Daily Mail* 'A beautiful love declaration to the art of reading. A book that will make you want to read more books.' *Cosmopolitan*
