Student's Edition Ayer Company Pub

The classic of gothic horror is accompanied by three short stories--"Lord Arthur Savile's Crime," "The Happy Prince," and "The Birthday of the Infanta"--and a new introduction by Gary Schmidgall, author of *The Stranger* Wilde. Original.

A Novel BEYOND BOOKS HUB

Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, *The Picture of Dorian Gray*; his last literary work, "The Ballad of Reading Gaol," a product of his own prison experience; and four complete plays: *Lady Windermere's Fan*, his first dramatic success, *An Ideal Husband*, which pokes fun at conventional morality, *The Importance of Being Earnest*, his finest comedy, and *Salomé*, a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety--a marvelous collection of outstanding works by the incomparable Oscar Wilde, who's been aptly called "a lord of language" by Max Beerbohm.

From Sentences to Essays: A Guide to Reflective Writing through Reflective Thinking Litres

Seminar paper from the year 1998 in the subject English Language and Literature Studies - Literature, grade: 1,0 (A), Grinnell College (English Studies), course: The Tradition of English Literature, 31 entries in the bibliography, language: English, abstract: 1. Introduction: In the following, the notions of "good, true, and beautiful" in Oscar Wilde's *The Picture of Dorian Gray* will be examined, both separately and as they relate to one another. These adjectives carry a positive meaning, and they create a distinct contrast to the critiques and accusations that have been raised against the book and its writer. *The Picture of Dorian Gray* is in many ways a "pivotal work" (Lawler 285) in Oscar Wilde's life and career. It sums up his major influences of the 1870s and 1880s, and anticipates the style of his celebrated comedies to come. Why was the public's opinion, which meant his ruin in the end, so important to Oscar Wilde? To answer this question it is necessary to look at Wilde's audience and environment. Wilde was "the epitome of a new type of professional writer" (Small 3). Thus *The Picture of Dorian Gray* and the scandal it provoked have to be situated in the context of late Victorian social institutions of journalism, advertising, homosexual communities, criminology, etiquette, and theater (Gagnier, *Cambridge Companion* 27). Wilde had always been a great borrower and collector of literary culture, and therefore was

often accused of plagiarism, but he transformed everything into his own way of expression. It is the blending of original invention and existing art that enables Wilde to create new effects and moods. This blending helps to explain how *The Picture of Dorian Gray* embraces the range from classic Greek and Latin masters to contemporary English, French, and German writers. From its first appearance in the spring of 1890, *The Picture of Dorian Gray* has suggested to readers parallels to other works, ancient or modern, in English or any other language. To specify the focus, the novel can be regarded as a study of various Victorian art movements corresponding to different stages in the development of Victorian human nature, and the main characters are meant to be personifications of these art movements and psychological states (Nassaar 37). This paper tries to shed light not only on Wilde's paradoxical style, but also on the 1890s society by answering the following questions: Which are the major art movements at the end of the 19th century; how far do they affect Wilde's work? To what extent is the book good, true, and beautiful? Or are the opposites more appropriate? [...]

The Picture of Dorian Gray GRIN Verlag

One of the four great tragedies—alongside *Hamlet*, *King Lear*, and *Macbeth*—*Othello* is among the darkest of Shakespeare's plays, illumining the shadows of the gloomiest recesses of the human psyche and serving as a damning indictment of the world in which it was written. A cautionary tale of the destructiveness of sin and the ruinous consequences of bad philosophy, *Othello* seems to express Shakespeare's rage at the cynicism and brutality of the age in which he lived. From the Machiavellian menace of *Iago* to the blind and prideful jealousy of *Othello*, this classic of world literature shows us the shadow falling over a society that has turned its back on the light and life of virtue. The Ignatius Critical Editions present a tradition-oriented approach to reading Western classics. While many critical editions view literature through the lens of modernism and post-modernism, this series offers critical examinations informed by the Judeo-Christian heritage as passed down through the ages—the same heritage that provided the crucible in which the great authors formed these classic works. Edited by acclaimed literary biographer Joseph Pearce, the Ignatius Critical Editions provide essays and footnotes that analyze works in light of the Western tradition, allowing the reader to meet the authors in their element. The series is ideal for academic study and for anyone wishing to understand the great literary works of Western civilization in the company of some of the finest literature professors alive today.

Against the Grain Bernhard Tauchnitz

This book is designed for higher education instructors. The focus of the book is to assist all faculty instructors in higher education to better meet the needs of their student populations. It addresses the major issue of higher education teaching today: the need to reach all higher education students using active learning strategies. Higher education today is rapidly changing and faculty members are being presented with new types of students: ones who often have clear goals for bettering themselves, but at the same time lack what might have been considered to be basic skills necessary for success in a college or university setting. Instructors today must reach and bring all students into the college or university setting in an inclusive manner. The emphasis of this book is on student-focused strategies for teaching inclusively. This book will provide valuable strategies and practical techniques for instructors to develop inclusive college classrooms that promote the learning of all students. The audience targeted will be all instructors who work with higher education students, including students in community colleges and vocational institutions. The book is designed to be mainly practical instructional strategies with limited theoretical text and references. At the same time, major theories will be included to demonstrate why specific approaches are recommended. Although the authors and editors are from the field of education, the book is particularly valuable for all college instructors without a background in the discipline of education.

The Picture of Dorian Gray Oxford University Press

AMONG the many debts which we owe to the supreme aesthetic faculty of Goethe is that he was the first to teach us to define beauty in terms the most concrete possible, to realise it, I mean, always in its special manifestations. So, in the lecture which I have the honour to deliver before you, I will not try to give you any abstract definition of beauty - any such universal formula for it as was sought for by the philosophy of the eighteenth century - still less to communicate to you that which in its essence is incommunicable, the virtue by which a particular picture or poem affects us with a unique and special joy; but rather to point out to you the general ideas which characterise the great English Renaissance of Art in this century, to discover their source, as far as that is possible, and to estimate their future as far as that is possible.

The Picture of Dorian Gray Ignatius Press

Twelfth Night Study Guide Algonquin Books

"Poignant . . . Powerful . . . Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." —The New York Times Book Review Acclaimed writer Julia Alvarez 's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father 's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. Julia Alvarez 's new novel, *Afterlife*, is available now.

The Decay of Lying Signet Classics

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Oscar Wilde, who aside from drama also published short stories, essays, and poems in various magazines. Titles in this study guide include *Lady Windermere's Fan*, *A Woman of No Importance*, *An Ideal Husband*, and *The Importance of Being Earnest*. As a collection of the late- nineteenth-century, Wilde 's work rebelled against many Victorian conventions and turned to aestheticism. Moreover, other influences of his included French literature of his time and the free enjoyment of pleasure in pagan Greek culture. This Bright Notes Study Guide explores the context and history of Wilde 's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research

The Picture of Dorian Gray - With Audio Level 3 Oxford Bookworms Library Eye Classics

Wilde's only novel, first published in 1890, is a brilliantly designed puzzle, intended to tease conventional minds with its exploration of the myriad interrelationships between art, life and consequence. From its provocative Preface, challenging the reader to belief in 'art for art's sake', to its sensational conclusion, the story self-consciously experiments with the notion of sin as an element of design. Yet Wilde himself underestimated the consequences of his experiment, and its capacity to outrage the Victorian establishment. Its words returned to haunt him in his court appearances in 1895, and he later recalled the 'note of doom' which runs like 'a purple thread' through its carefully crafted prose. - Illustrated

The Picture of Dorian Gray and Other Writings IAP

It is absurd to have a hard and fast rule about what one should read and what one shouldn't. More than half of modern culture depends on what one shouldn't read.

Strange Cases Teacher's Pet Publications

Classic / British English An artist paints a picture of the young and handsome Dorian Gray. When he sees it, Dorian makes a wish that changes his life. As he grows older, his face stays young and handsome. But the picture changes. Why can't Dorian show it to anybody? What is its terrible secret?

Aphorisms Saddleback Educational Publ

There is hardly any doubt that reading and writing are related activities, and that both rely on creating meaning. When we read, as well as when we write, we find ourselves in the process of becoming. We change our knowledge and understanding along the way. However, writing is a daunting activity not only for language learners but for anyone who wants to communicate their thoughts and ideas persuasively and accurately. When students engage in speaking activities, they are often able to communicate extraordinarily interesting ideas with few problems. Yet, when asked to form these ideas into coherent texts, they seem helpless. From basic sentence structure to writing persuasively, this book aims to help students tackle the various challenges and difficulties they face when writing. Divided into three accessible sections, Cogni presents a comprehensive and reflective approach to writing that combines grammar, vocabulary, and literature into a simultaneous and coherent whole. Cogni acknowledges that today more than ever learning a language needs to be perceived as a deeply meaningful process, and this book seeks to make that possible.

Teaching Inclusively in Higher Education Penguin UK

This celebrated masterpiece is Oscar Wilde 's only novel. A mesmerizing tale of horror and suspense, it has endured due to its artful prose and the philosophical questions it raises, as well as the scandal it caused upon its initial publication in 1890. Written in his distinctively dazzling manner and combining aspects of a Gothic horror novel and decadent French fiction, Wilde forges a devastating account of the effects of evil and depravity on a fashionable young man in late 19th century England who sells his soul in exchange for eternal youth and beauty. A concept that Wilde derived from the German legend of Faust, Gray is the subject of a portrait by painter Basil Hallward who deems his subject 's beauty to be inconceivably great. Rather than having to age himself, an egotistical Dorian wishes for the painting to age instead of him so that he can retain his youthful good looks. Gray plunges into a life of vice and debauchery with its sole aim being pleasure. His body retains perfect youth and vigor while the portrait changes day by day into a ghastly chronicle of evil,

documenting each of his sins with its appearance, which he must keep hidden from the world. This spellbinding novel tale that warns its readers of the dangers that come with narcissism, self-indulgence, and ignorance still ranks as one of Wilde's most important works. Of Gray 's relationship to him, Wilde noted " Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be—in other ages, perhaps. "
