Dorman and Co - Graces Guide Dorman Diesels holds an extensive range of new and reconditioned engine parts for immediate delivery worldwide. Part of the S-T Diesel and Marine group.

W.H. Dorman & Co was a company formed by William Henry Dorman in 1870 making cutting tools for the footwear industry. It diversified into other tools including grinders, and in 1903 into

internal combustion engines. This was to be its main product up to the point where it was taken over by the English Electric Company in 1961, though the Dorman name continued as a diesel engine trademark until 1995. William Henry Dorman retired in 1911, and died in 1926.
