Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter

to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, Letters of Note is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

What makes the textual image of a woman with a penis so compelling, malleable, and persistent? The phallic woman can be a ribald joke, a fantastical impossibility, a masculine usurper, an ultimately unthreatening sexual style, an interrogation into the I of the author, or an examination of female culpability. Every Inch a Woman takes note of a proliferation of phallic feminine figures in disparate North American and European texts

from the end of the nineteenth century onward. Carellin Brooks traces this phallic-woman motif backward to the sexological case study, and forward to newspaper accounts of testosterone-taking third-sexers. Brooks examines both high and low literature, pornography, postmodern theory, and writing.

Fresh Hell: Motherhood in Pieces Open Road Media

"That is the thing about New York," wrote Dorothy Parker in 1928. "It is always a little more than you had hoped for. Each day, there, is so definitely a new day." Now you can journey back there, in time, to a grand city teeming with hidden bars, luxurious movie palaces, and dazzling skyscrapers. In these places, Dorothy Parker and her cohorts in the Vicious Circle at the infamous Algonquin Round Table sharpened their wit, polished their writing, and captured the energy and elegance of the time. Robert Benchley, Parker's best

friend, became the first managing editor of *Vanity Fair* before Irving Berlin spotted him onstage in a *Vicious Circle* revue and helped launch his acting career. Edna Ferber, an occasional member of the group, wrote the Pulitzer-winning bestseller *So Big* as well as *Show Boat* and *Cimarron*. Jane Grant pressed her first husband, Harold Ross, into starting *The New Yorker*. Neysa McMein, reputedly "rode elephants in circus parades and dashed from her studio to follow passing fire engines." Dorothy Parker wrote for *Vanity Fair* and *Vogue* before ascending the throne as queen of the Round Table, earning everlasting fame (but rather less fortune) for her award-winning short stories and unforgettable poems. Alexander Woollcott, the centerpiece of the group, worked as drama critic for the *Times* and the *World*, wrote profiles of his friends for *The*

New Yorker, and lives on today as Sheridan Whiteside in *The Man Who Came to Dinner*. Explore their favorite salons and saloons, their homes and offices (most still standing), while learning about their colorful careers and private lives. Packed with archival photos, drawings, and other images--including never-before-published material--this illustrated historical guide includes current information on all locations. Use it to retrace the footsteps of the Algonquin Round Table, and you'll discover that the golden age of Gotham still surrounds us.

Under the Table Penguin
An American icon, Joseph Frank "Buster" Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond. His elaborate slapstick made audiences scream with laughter. But, his stone face hid an internal turmoil. In **BUSTER KEATON: CUT TO**

THE CHASE, biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education. "Buster" made his name as a child of vaudeville, thrown around the stage by his father in a cartoon pantomime of very real abuse. The lessons he carried forward from that experience translated into some of the greatest silent films of all time. Keaton wrote, directed, performed, and edited dozens of features and shorts, including his masterpiece, *The General*. However, those early scars also led to decades of drinking and mistreatment of women. Keaton saw huge successes, Hollywood sex scandals, years of neglect from studios and audiences, and finally a shaky resurrection that assured his place in Hollywood's film canon. Meticulously researched, this book brings together four years of research and hundreds of interviews to paint a nuanced

portrait of a compelling artist. No comedy fan or film buff should miss this insider story of the man behind the stone face.

In her exuberant new work, **BOBBED HAIR AND BATHTUB GIN**, Marion Meade presents a portrait of four extraordinary writers--Dorothy Parker, Zelda Fitzgerald, Edna St. Vincent Millay, and Edna Ferber--whose loves, lives, and literary endeavors embodied the spirit of the 1920s. Capturing the jazz rhythms and desperate gaiety that defined the era, Meade gives us Parker, Fitzgerald, Millay, and Ferber, traces the intersections of their lives, and describes the men (F. Scott Fitzgerald, Edmund Wilson, Harold Ross, and Robert Benchley) who influenced them, loved them, and sometimes betrayed them. Here are the social and literary triumphs (Parker's Round Table witticisms appeared almost daily in the newspapers and Ferber and

Millay won Pulitzer Prizes) and inevitably the penances each paid: crumbled love affairs, abortions, depression, lost beauty, nervous breakdowns, and finally, overdoses and even madness. These literary heroines did what they wanted, said what they thought, living wholly in the moment. They kicked open the door for twentieth-century women writers and set a new model for every woman trying to juggle the serious issues of economic independence, political power, and sexual freedom. Meade recreates the excitement, romance, and promise of the 1920s, a decade celebrated for cultural innovation--the birth of jazz, the beginning of modernism--and social and sexual liberation, bringing to light, as well, the anxiety and despair that lurked beneath the nonstop partying and outrageous behavior. A vibrant mixture of literary scholarship, social history, and scandal, **BOBBED HAIR AND BATHTUB GIN** is a rich evocation of a period that will forever intrigue and captivate us. Buster Keaton: Cut to the Chase Berkley

When it comes to movie reviews, critic Violet Epps is a powerhouse voice. But that's only because she's learned to channel her literary hero Dorothy Parker, the most celebrated and scathing wit of the twentieth century. If only Violet could summon that kind of strength in her personal life. Violet visits the Algonquin Hotel in an attempt to find inspiration from the hallowed dining room where Dorothy Parker and so many other famous writers of the 1920s traded

barbs, but she gets more than she bargained for when Parker's feisty spirit rematerializes. An irreverent ghost with problems of her own—including a refusal to cross over to the afterlife—Mrs. Parker helps Violet face her fears, becoming in turn mentor and tormentor...and ultimately, friend. The Cardinal's Mistress
Rowman & Littlefield

Few American writers have ever achieved the widespread acclaim and multidimensional popularity attained by Robert Benchley (1889-1945) during the first half of this century. A charter member, along with close friends Dorothy Parker, Robert Sherwood, and Harold Ross, of the notorious "Vicious Circle" that held court at the

Algonquin Hotel in the Roaring Twenties, Benchley was many things to many people: a best-selling author of hilarious books chronicling the comic futility of the human condition, a sharp-witted theater critic whose reviews graced the pages of the original *Life* and *The New Yorker* for nearly two decades, and a much sought-after radio personality and feature film actor who starred in his own series of classic comedy shorts. In this sympathetic and witty biography, Billy Altman explores the man behind the mirth as he chronicles Benchley's journey from the glittering lights of Broadway and the dim ones in the rollicking speakeasies of New York during prohibition, to the infamous Garden of Allah apartments and the

glamorously decadent Hollywood of the 1930s and 1940s.
