Defending a client accused of killing her father, attorney Paul Madriani is drawn into a treacherous conspiracy dating to World War II in this enthralling installment in the New York Times bestselling series. Paul Madriani and Harry Hinds have a new client: Emma Brauer, a woman accused in the “mercy killing” of her aged father, Robert Brauer. Insisting she’s innocent, Emma tells Paul about a package sent to her father shortly before he entered the hospital. Bequeathed to him by a member of his unit from World War II, the box contains a key and a slip of paper. Emma fears that this package is connected to her father’s death. When Paul’s young assistant Sofia is murdered, Madriani is blindsided by the realization that Emma’s fears are well-grounded. Digging into Robert’s military history, Madriani discovers that other members of the Army unit Robert served with have recently died—under similarly suspicious circumstances. When he finds that the box sent to Brauer relates to a mysterious talisman that went missing at the end of the war—a feared Nazi relic known as the “Blood Flag”—Madriani and Hinds realize they are in for the fight of their lives. With Emma’s life on the line and their own safety in jeopardy, Madriani must uncover the truth before the evil of the Blood Flag is allowed to spin a new web.

With their park view and old-fashioned detail, the Victorian houses on San Francisco's Steiner Street were highly valuable. But with their wooden construction, they were also highly vulnerable. So when Paul Hanover's multimillion-dollar home went up in flames, it was all over very quickly. And when the bodies of Hanover and his girlfriend were found in the charred debris, it appeared that the end came even more quickly for them—judging from the bullet holes in their heads. But this isn't just any double homicide. Hanover was a friend-and donor-to the mayor, who wants answers. And in trying to provide them, Abe Glitsky and Dismas Hardy will face an old lover and an old enemy-and follow a trail of evidence that stretches far beyond their usual jurisdiction.

As an Emmy Award winning writer, Stephen Cannell has created over 40 TV series, including *The A-Team*, *The Greatest American Hero*, and *21 Jump Street*. He is also a New York Times Bestselling author. In *Runaway Heart*, Cannell combines cutting edge biotechnology and action-packed suspense in a new and stunningly original thriller set on the outer fringes of medical science . . . What would modern war be like if the front-line foot soldiers were not our sons and daughters, but genetically engineered animals with superhuman strength and speed, and just enough intelligence to understand commands and follow them blindly? This is exactly the weapon being developed at a base in the desert by a top-secret government agency. Attorney Herman Strockmire, a rumpel man with a very big but defective heart, champion of lost legal causes and the infuriating nemesis of giant corporate polluters, becomes involved when one of his employees is literally torn limb from limb by one of the

experimental prototypes. At great personal risk, Herman , his beautiful daughter and law partner, Susan, and ex-LAPD detective, Jack Wirta, ignore all threats and plunge headlong into harm's way, finding themselves involved in a nightmare beyond anyone's wildest imagination... This science exists today. The future is now.

#1 New York Times bestselling author John Lescroart weaves together a story of a privileged youth on trial for murder and an entire city on the brink of panic in this suspenseful and stylish Dismas Hardy legal thriller. Although he appears to have reached the top, Dismas Hardy, rainmaker and managing partner of his thriving San Francisco law firm, has lost his faith in the justice system. When his young associate, Amy Wu, brings in a high profile, controversial double murder case, he decides to sit second chair—in defense of a wealthy, privileged young man even he has trouble believing. At the same time, Hardy’s friend Abe Glitsky has just been promoted to deputy chief of the Investigations Bureau, and has trouble of his own. Hounded by a hostile media, distanced from day-to-day police work, Glitsky must struggle against a wave of violence that has put the city on the verge of panic. As the tension builds around them, Hardy and Amy’s search for the truth will take them down a perilous path, and force Hardy to face his own demons in order to clear his client—and save himself.

In the heat of the city, a man is out of time: speeding in a beat-up Ford Tempo, blasting easy-listening music. Reporter Steve Everett drinks too much, makes love to his boss's wife, and has just stumbled upon a shocking truth: a convicted killer is about to be executed for a crime he didn't commit. In the cold confines of Death Row, Frank Beachum is also out of time. Ready to say good-bye to the wife and child he loves and hello to the God he still believes in, Beachum knows he did not kill a convenience store clerk six years ago. But in a few hours—if Steve Everett can't find the evidence to stop it—a needle is going to pierce Frank Beachum's skin. The killing machine is primed. The executioner is waiting. And so is the priest. Now the clock is ticking down and the race is on—between the reporter and his demons, between the system and its lethal flaws, between the last innocent man and society's ultimate crime. . . .

"The sort of compulsive page-turner that keeps readers up at night....Both timely and scary....Guardian of Lies more than satisfies."

—Washington Times Defense attorney Paul Madriani is caught in a web of deceit and murder involving Cold War secrets, a rare coin dealer who once worked for the CIA, and a furious assassin in *Guardian of Lies*, the most entertaining novel yet in the New York Times bestselling series. Steve Martini, #1 bestselling author of *Shadow of Power*, *Double Tap*, and other acclaimed Madriani thrillers, demonstrates once again why he's one of the genre's masters, along with John Grisham, David Baldacci, James Patterson, John Lescroart, Brad Meltzer, and Scott Turow.

*The Year of the Intern* Harper Collins

*Neuroanatomy: Draw It to Know It*, Third Edition teaches neuroanatomy in a purely kinesthetic way. In using this book, the reader draws each neuroanatomical pathway and structure, and in the process, creates memorable and reproducible schematics for the various learning points in *Neuroanatomy* in a hands-on, enjoyable and highly effective manner. In addition to this unique method, *Neuroanatomy: Draw It to Know It* also provides a remarkable repository of reference materials, including numerous anatomic and radiographic brain images and illustrations from many other classic texts to enhance the learning experience. In the third edition of this now-classic text, the author completely reorganized the book based on user-feedback, taking a more intuitive and easy-to-use approach. For the first time, the illustrations are in full color. No other text in neuroanatomy engages the reader in as direct a manner as this book and none covers the advanced level of detail found while retaining the simplistic approach to the learning which has become the cornerstone of the text. *Neuroanatomy: Draw It to Know It* is singular in its ability to engage and instruct without overwhelming any level of neuroanatomy student.

"A stylish whodunit . . . Lescroart [is] in his best form yet."—People Once Dismas Hardy was a cop. Now he spends his days in a lawyer's suit, billing hours to a corporate client in a downtown San Francisco office. Hardy's wife and kids like it that way. Then one client changes everything. Graham Russo, a former baseball star, is charged with murdering his dying father. Was it suicide, the last desperate act of a dying man? Was it murder? Or mercy? Now, as a carnival of reporters, activists, cops, lovers, and families throng around the case, Dismas Hardy is going to trial with a client he doesn't trust, a key witness he cannot believe, and a system that almost destroyed him once. For Dismas, this case will challenge everything he believes about the law, about his family, and about himself. Because a chilling truth is beginning to emerge about an old man's lonely death. And what Dismas knows could put him next in line to die. . . . Praise for *The Mercy Rule* "Very entertaining . . . a large and emotionally sprawling novel."—Chicago Tribune "As usual in a Lescroart novel, character dominates plot as the author proves, yet again, that resonant drama can be found in family."—The Philadelphia Inquirer "An edge-of-the-seat legal thriller that has it all—hot-button issues, deception, greed, corruption, and a labyrinthine plot that will keep you guessing until the very last page."—Faye Kellerman
