A sunken treasure. An ancient Biblical artifact. A mystery as old as humankind. On January 25, 1829, the Portuguese brig Dourado sank off the coast of Indonesia, losing its cargo of priceless treasures from the Holy Land. One of these lost relics holds the key to an ancient mystery. But someone does not want this treasure to come to light. When her father is murdered while searching for the Dourado, Kaylin Maxwell hires treasure hunter and former Navy Seal Dane Maddock and his partner Uriah "Bones" Bonebrake, to locate the Dourado, and recover a lost Biblical artifact, the truth behind which could shake the foundations of the church, and call into question the fundamentally held truths of human existence. Join Maddock and Bones on a perilous adventure that carries them from the depths of the Pacific to ancient cities

of stone as they unravel the mystery of the Dourado. Praise for David Wood and the Dane Maddock Adventures "Dane and Bones.... Together they're unstoppable. Rip roaring action from start to finish. Wit and humor throughout. Just one question - how soon until the next one? Because I can't wait." Graham Brown, author of Shadows of the Midnight Sun "What an adventure! A great read that provides lots of action, and thoughtful insight as well, into strange realms that are sometimes best left unexplored." Paul Kemprecos, author of Cool Blue Tomb and the NUMA Files "A page-turning yarn blending high action, Biblical speculation, ancient secrets, and nasty creatures. Indiana Jones better watch his back!" Jeremy Robinson, author of SecondWorld "With the thoroughly enjoyable way Mr. Wood has mixed speculative history with our modern day pursuit of truth, he has created a story that thrills and makes one think beyond the boundaries of mere fiction and enter the world of 'why not?'" David Lynn Golemon, Author of Ancients, Event, Legend, and Leviathan "A twisty tale of adventure and intrigue that never lets up and never lets go!" Robert Masello, author of Bestiary and Blood and Ice "Let there be no confusion: David Wood is the next Clive Cussler. Once you start reading, you won't be able to stop

until the last mystery plays out in the final line." Edward G. Talbot, author of 2012: The Fifth World "I like my thrillers with lots of explosions, global locations and a mystery where I learn something new. Wood delivers! Recommended as a fast paced, kick ass read." J.F. Penn, author of Desecration "Dourado is a brisk read, reminiscent of early Cussler adventures, and perfect for an afternoon at the beach or a cross-country flight. You'll definitely want more of Maddock." Sean Ellis - Author of Into the Black

Dear Golf Instructor or would be golf instructor: Unless you are already making six figures you are underpaid! Grossly underpaid for your professional knowledge, experience and teaching talent! Professional doctors, lawyers, accountants, even fitness trainers earn two, three, even ten times what the average golf instructor earns. Yet, you have gone through the same lengthy, not to mention costly, process of learning, practicing and honing your skills just as those in other professions have done. I think it's time that changed. I think it's time you got paid appropriately, just like other top professionals for the knowledge you

impart and for the joy your teaching and experience brings to your students. Wherever you teach or plan to start teaching, this book will turn on the lights for you. The feeling that you are at the mercy of fate when it comes to attracting enough students to make a solid living will evaporate. By proper use of the methods described in these pages, you can achieve a degree of control over the factors that determine your income and your future. Apart from giving you basic and essential insights into the art of succeeding financially, it will introduce you to a technique of selling your services that will not only increase your income but also make it more consistent. Simply stated, this system will move you from selling a lesson to selling a program of improvement.

Few would deny the crucial role that entrepreneurs play in our increasingly global economy-but exactly what is this vital, yet loosely defined business force we call the entrepreneurial spirit? This landmark study is the first to examine

analytically the nature of the opportunities that entrepreneurs pursue, the problems they face, the traits they require, and the social and economic contributions they make. Until recently, entrepreneurs have been largely ignored in modern economic theory. But at the dawn of a networked age, marked by the advent of e-business and the home office, there's no question that entrepreneurs have recaptured the popular imagination. Studies now show that most men and women dream of starting their own businesses rather than rising through the corporate ranks. Yet in spite of increased attention by many of today's leading business schools, entrepreneurship has remained largely a mystery, an apparently intuitive sense of values possessed by certain individuals.; This book targets the issues central to successful start-up ventures, such as endowments and opportunities, planning versus adaptation, securing resources, corporate initiatives, venture capital, revolutionary ventures and the evolution of fledgling businesses. Focusing on hard data and evaluations of numerous start-up businesses, including many of today's major industry leaders, this book presents a new economic model-a key to understanding the guts, determination, luck and skills that constitute the underpinnings of corporate success. Written in clear, concise prose, The Origin and Evolution of New Businesses goes behind the charts and graphs of business theory to the true heart of success. It is essential reading for business students, would-be entrepreneurs, or executives wanting to incorporate the vitality of the entrepreneurial spirit into their

organization.

The past few years have been a mixture of torture, painful growth and sometimes, pushing its way through all the darkness-joy. I have made friends and allies, brothers and sisters, mentors and...Kainda, who is something else entirely. But someone is missing, someone whose memory saved me from despair-Mirabelle Whitney, my hope. So while the human race prepares to defend itself, I ride toward the encroaching Nephilim army intending to save Mira, return to our feeble base and lead the charge against those who plan to wipe the human race from the face of the Earth. It sounds like an impossible plan, and maybe it is, but if we're going to die, we're going to die like hunters-boldly and bravely. More than that, we're going to die together, as a united race facing a common enemy. Nationality no longer matters. Ancient grudges are forgotten. The human race must resist as one, or face extinction. And now it falls to me, along with Kainda, Em, Mira, Kat, Merrill, Aimee and Luca, to light the path for humanity in our darkest hour. Harnessing the power of the ancient Jericho shofar, we must prevent Nephil, the most ancient and evil of the Nephilim from possessing my body and using its supernatural abilities against mankind. The odds are stacked against victory. The Nephilim out-size, out-power and outnumber us ten to one, but we will fight to the last, the very last, so help me God. I am Solomon Ull Vincent-the Last Hunter and King of Antarktos-and I am prepared to face my fate.
