A police reporter offers an up-close look inside the daily lives of North Carolina's state troopers. Like most law enforcement, their shifts can be filled with long stretches of tedium. They stay at the roadside, watching vehicles rush by, occasionally handing out a speeding ticket or pulling over a drunk driver. Then, suddenly, it can all turn dangerous, when someone pulls a weapon—or heartbreaking, when they are called to the scene of a wreck. This portrait of North Carolina's elite Highway Patrol recounts both the drama and the day-to-day detail of these state troopers' lives and work. In

interviews and anecdotes, troopers relate stories of manhunts, narrow misses, breathtaking confrontations, strange and hilarious encounters with the public, and aiding the injured and dying in highway accidents, while troopers' spouses—and widows—tell of the heart-wrenching realities trooper families face. It's a fascinating look inside a little-known profession, and the lives of the men and women who watch over us as we travel along—preferably obeying traffic laws as we go.

In 1991 Clinton Heylin published what was considered the most definitive biography of Bob Dylan available. In 2001 he completely revised and reworked this hugely acclaimed book, adding new sections, substantially reworking text, and bringing the story up-to-date with Dylan's explosive career in 2000. *Bob Dylan: Behind the Shades Revisited* follows the story of Dylan from his humble

beginnings in Minnesota to his arrival in New York in 1961, his subsequent rise in the folk pantheon of Greenwich Village in the early '60s, and his cataclysmic folk-rock metamorphosis at the Newport Folk Festival in 1965. In the succeeding eighteen months, Dylan released *Highway 61 Revisited* and *Blonde on Blonde*, and embarked on the legendary 1966 World Tour that culminated with an unforgettable concert at the Royal Albert Hall. Heylin details it all, along with the true story of Dylan's motorcycle accident, his remarkable reemergence in the mid-'70s, the only exacting account of his controversial conversion to born-again Christianity, the Neverending Tour, and yet another incredible Dylan resurgence with his 1997 Grammy Album of the Year Award-winning *Time Out of Mind*. Deemed by *The New Yorker* as "the most readable and reliable" of all Dylan biographies, this book will give fans what they have always wanted -- a chance to get to know the man behind the shades.

The author of "Across the Wire" offers brilliant investigative reporting of what went wrong when, in May 2001, a group of 26 men attempted to cross the Mexican border into the desert of southern Arizona. Only 12 men came back out. "Superb . . . Nothing less than a saga on the scale of the Exodus and an ordeal as heartbreaking as the Passion . . .

The book comes vividly alive with a richness of language and a mastery of narrative detail that only the most gifted of writers are able to achieve.--"Los Angeles Times Book Review."

The acclaimed biography—now updated and revised.

"Many writers have tried to probe [Dylan's] life, but never has it been done so well, so captivatingly" (*The Boston Globe*). Howard Sounes's *Down the Highway* broke news about Dylan's fiercely guarded personal life and set the standard as the most comprehensive and riveting biography on Bob Dylan. Now this edition continues to document the iconic songwriter's life through new interviews and reporting, covering the release of Dylan's first #1 album since the seventies, recognition from the Pulitzer Prize jury for his influence on popular culture, and the publication of his bestselling memoir, giving full appreciation to his artistic achievements and profound significance.

Candid and refreshing, *Down the Highway* is a sincere tribute to Dylan's seminal place in postwar American cultural history, and remains an essential book for the millions of people who have enjoyed Dylan's music over the years. "Irresistible . . . Finally puts Dylan the human being in the rocket's red glare." —*Detroit Free Press*

My Journey down the Reincarnation Highway is the first book of the author's four book spiritual memoir series. In this personal account, Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives. More people than you would believe have prior life memories. This book tells how the author acquired psychic ability in his middle age. With this new gift, he recovered facts about nine of his prior lives, most of which involved violent, bloody deaths. The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of

May 1, 1944, in a dark Estonian farmhouse. Not being satisfied with just discovering his past lives, Mares goes on a spiritual mission to find out why he kept dying violently. The answers do not come easily, but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths. The psychic team finds that within the soul of this normal small businessman resides a brutal, stone-cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family. As part of his souls continuing quest for redemption, Mares hopes to salvage the dark time in his soul's past into something that could help others today. His experiences show that death is only a transition phase, and that it should not be feared. His book also reveals that reincarnation is actually a well-designed, organized system that allows souls to learn personalized life lessons over a surprising number of lives. If you read this book, you will never look at life (and death) in the same way again.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE

• A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places

move, or go out of business and new business places are started giving added employment to members of our race.

Down the Highway Little, Brown

From the world's leading authority on Bob Dylan comes the definitive biography that promises to transform our understanding of the man and musician—thanks to early access to Dylan's never-before-studied archives. In 2016 Bob Dylan sold his personal archive to the George Kaiser Foundation in Tulsa, Oklahoma, reportedly for \$22 million. As the boxes started to arrive, the Foundation asked Clinton Heylin—author of the acclaimed *Bob Dylan: Behind the Shades* and 'perhaps the world's authority on all things

Dylan' (Rolling Stone)—to assess the material they had been given. What he found in Tulsa—as well as what he gleaned from other papers he had recently been given access to by Sony and the Dylan office—so changed his understanding of the artist, especially of his creative process, that he became convinced that a whole new biography was needed. It turns out that much of what previous biographers—Dylan himself included—have said is wrong. With fresh and revealing information on every page *A Restless, Hungry Feeling* tells the story of Dylan's meteoric rise to fame: his arrival in early 1961 in New York, where he is embraced by the folk scene; his elevation to spokesman of a generation whose protest songs provide the soundtrack for the burgeoning Civil Rights movement; his alleged betrayal when he 'goes electric' at Newport in 1965; his subsequent controversial world tour with a rock 'n' roll band; and the recording of his three undisputed electric masterpieces: *Bringing it All Back Home*, *Highway 61 Revisited* and *Blonde on Blonde*. At the peak of his fame in July 1966 he reportedly crashes his motorbike in Woodstock, upstate New York, and disappears from public view. When he re-emerges, he looks different, his voice sounds different, his songs are different. Clinton Heylin's meticulously researched, all-encompassing and consistently revelatory account of these fascinating early years is the closest we will ever get to a definitive life of an artist who has been the lodestar of popular culture for six decades.
