Can two people brought together by desperate circumstances help one another heal, and maybe even begin a new life? New York Times bestselling author Charles Martin's *Send Down the Rain* answers the questions of what it means—and what level of sacrifice it takes—to truly love someone. Allie is still recovering from the loss of her family's beloved waterfront restaurant on Florida's Gulf Coast when she loses her second husband to a terrifying highway accident. Devastated and losing hope, she shudders to contemplate the future—until a cherished person from her past returns. Joseph has been adrift for many years, wounded in both body and spirit and unable to come to terms with the trauma of his Vietnam War experiences. Just as he resolves to abandon his search for peace and live alone in a remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the

forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. When Joseph offers to help Allie rebuild her restaurant, it seems the flame may reignite—until a forty-five-year-old secret begins to emerge, threatening to destroy all hope for their second chance at love. *Send Down the Rain* will take you on a journey that spans the sweltering migrant worker routes of south Florida, muddy battlefields of Vietnam, thickets of northwest North Carolina, and the idyllic shores of America's most beautiful beach (Cape San Blas). At the story's center lies the question: What does it mean—and what level of sacrifice does it take—to truly love someone? Praise for *Send Down the Rain*: "Charles Martin understands the power of story and he uses it to alter the souls and lives of both his characters and his readers."—Patti Callahan Henry, New York Times bestselling author Full-length, stand-alone novel Includes discussion questions for book clubs Also by bestselling author Charles Martin: *The Mountain Between Us*, *Chasing Fireflies*, *When Crickets Cry*, and *The Letter Keeper* Wandering Time Pinnacle Books

National Indie Excellence Award Finalist (2016) for Cancer. Pinnacle Book Achievement Award Winner (2016) for Best Inspirational. Diagnosed with a late-stage cancer, after years of bungled and inadequate medical attention...and then to discover that the best-practice chemotherapy is not available in your province. After her delayed diagnosis of colorectal cancer, Robin McGee reaches out to her community using a blog entitled "Robin's Cancer Olympics." Often uplifting and humorous, the blog posts and responses follow her into the harsh landscape of cancer treatment, medical regulation, and provincial politics. If she and her supporters are to be successful in lobbying the government for the chemotherapy, she must overcome many formidable and frightening hurdles. And time is running out. . . A true story, *The Cancer Olympics* is a suspenseful and poignant treatment of an unthinkable situation, an account of advocacy and survival that explores our deepest values regarding democracy, medicine, and friendship. Half of the proceeds from the sale of this book go to the Canadian Cancer Society and the Colorectal Cancer Association of Canada....

*Divided Highways* Canongate Books

The complete history of one of the most long-lived and legendary bands in rock history, written by its official historian and publicist—a must-have chronicle for all Dead Heads, and for students of rock and the 1960s' counterculture. From 1965 to 1995, the Grateful Dead flourished as one of the most beloved, unusual, and accomplished musical entities to ever grace American culture. The creative synchronicity among Jerry Garcia, Bob Weir, Phil Lesh, Bill Kreutzmann, Mickey Hart, and Ron "Pigpen" McKernan exploded out of the artistic ferment of the early sixties' roots and folk scene, providing the soundtrack for the Dionysian revels of the counterculture. To those in the know, the Dead was an ongoing tour de force: a band whose constant commitment to exploring new

realms lay at the center of a thirty-year journey through an ever-shifting array of musical, cultural, and mental landscapes. Dennis McNally, the band's historian and publicist for more than twenty years, takes readers back through the Dead's history in *A Long Strange Trip*. In a kaleidoscopic narrative, McNally not only chronicles their experiences in a fascinatingly detailed fashion, but veers off into side trips on the band's intricate stage setup, the magic of the Grateful Dead concert experience, or metaphysical musings excerpted from a conversation among band members. He brings to vivid life the Dead's early days in late-sixties San Francisco—an era of astounding creativity and change that reverberates to this day. Here we see the group at its most raw and powerful, playing as the house band at Ken Kesey's acid tests, mingling with such legendary psychonauts as Neal Cassady and Owsley "Bear" Stanley, and performing the alchemical experiments, both live and in the studio, that produced some of their most searing and evocative music. But McNally carries the Dead's saga through the seventies and into the more recent years of constant touring and incessant musical exploration, which have cemented a unique bond between performers and audience, and created the business enterprise that is much more a family than a corporation. Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years, the book takes readers on a personal tour through the band's inner circle, highlighting its frenetic and very human faces. *A Long Strange Trip* is not only a wide-ranging cultural history, it is a definitive musical biography. *Going Down Life's Highway* Lulu.com *Locked in the Arms of a Crazy Life* is the acclaimed biography of Charles Bukowski, the hard-drinking barfly whose semi-autobiographical books about low-life America made him a cult figure across the globe.

*Down the Highway* William Morrow

Relates the history of the conception and building of the Interstate Highway System and its affect on the American lifestyle.

**The Drive** Random House

The inspiration for the hit ABC

---

television series Big Sky.

Winner of the Edgar Award for Best Novel, the New York Times bestselling author of *Back of Beyond* and *Breaking Point* and the creator of the Joe Pickett series is back. "If C.J. Box isn't already on your list, put him there." - USA Today

When two sisters set out across a remote stretch of Montana road to visit their friend, little do they know it will be the last time anyone might ever hear from them again. The girls—and their car—simply vanish. Former police investigator Cody Hoyt has just lost his job and has fallen off the wagon after a long stretch of sobriety. Convinced by his son and his former rookie partner, Cassie Dewell, he begins the drive south to the girls' last known location. As Cody makes his way to the lonely stretch of Montana highway where they went missing, Cassie discovers that Gracie and Danielle Sullivan aren't the first girls who have disappeared in this area. This majestic landscape is the hunting ground for a killer whose viciousness is outmatched only by his intelligence. And he might not be working alone. Time is running out for Gracie and Danielle... Can Cassie overcome her doubts and lack of experience and use her innate skill? Can Cody Hoyt battle his own demons and find this killer before another victim vanishes on the highway?

Fleeing a failed marriage and haunted by ghosts of his past, Luis Alberto Urrea jumped into his car and wandered the West from one year's spring through the next. Hiking into aspen forests and poking alongside creeks in the Rockies, he sought solace and wisdom. As nature opened Urrea's eyes, writing opened his heart. In journal entries that sparkle with discovery, Urrea ruminates on music, poetry, and the landscape, reminding us all to experience the magic and healing of small gestures, ordinary people, and common creatures. *Wandering Time* offers Urrea's most intimate work to date, a luminous account of his own search for healing and redemption.

*Trooper Down!* Bloomsbury Publishing USA

The Drive follows Teresa Bruce on her 2003 road trip through Mexico and onto the Pan American Highway, in a rickety camper with her old dog and new husband in tow. Bruce first set off on the exact same route in 1973, her parents at the helm and their two young daughters in tow, as a reaction to the accidental death of their youngest child, Bruce's brother John John. Her attempt to follow the route, using her mother's travel journal as an anecdotal guide, is as much about her need for exploration as it is about trying to understand her parents and

---

their pain, and to finally begin to heal her own wounds over the accident. Bruce is immensely talented in bringing scenery of Central and South America to life -- countries from Mexico and Guatemala to Bolivia and Argentina are detailed with her innate attention to detail and sense of storytelling. The Drive details a really incredible journey through these beautiful, at times corrupt and war-torn countries, across roads that are as likely to be barricaded by guerrillas or washed out by floods as they are to be passable. The Drive is travel writing at its best, combining moments of deep heartbreak with unimaginable joy over a panoply of unforgettable settings.

Charles Bukowski Cambridge Scholars Publishing

It's a trooper's worst nightmare. What begins as a routine patrol suddenly turns violent when someone pulls a weapon. Moments later, the trooper is down-wounded or dead. Then, like a swarm of angry bees, every other trooper on the force mobilizes to catch the suspect. Whether they're issuing a ticket for speeding "just a little" over the limit or conducting an all-out manhunt, the people who have chosen this perilous and demanding profession are rarely revealed as vividly or candidly as they are here. In *Trooper Down!* Marie Bartlett uses her gripping hell-for-leather style to paint a fascinating portrait of one of the nation's most elite law-enforcement agencies. In interviews and anecdotes, troopers relate stories

of narrow misses, breathtaking confrontations, strange and hilarious encounters with various "crazies," and, most heartbreakingly, working the wrecks--aiding the injured and dying in highway accidents--while troopers' wives and widows tell of the heart-wrenching realities trooper families face. Through this remarkable book, we not only comprehend the life of a trooper, we are unforgettably there.

*Last Chance Texaco Camino del Sol*

I pray that these awesome books that our real GOD has given me will change your lives for the bettering of the world, and you, and your generations. GOD has totally given me every word of these books through the voice of the HOLY GHOST and HOLY SPIRIT to help all of the universe, all nationalities in the universe, to step up in your minds as we enter into 2021, and our many generations to come. May the peace and joy of the HOLY GHOST rule and rain in your hearts, minds, bodies, and souls. Our real GOD should be amazing to us all, after all, we are all miracles. Take a look on how your body looks and functions each day. I truly dedicate this book to my spouse, parents, and grandparents, children, and grandchildren, and generations to come! And the whole universe, all

---

nationalities. And I thank the GOD of this universe who has given me ears to hear His voice, and not the ANGELS of darkness. I truly love you all. Universe, let us change this world to positive motivation and in the perfect love of JESUS CHRIST. AMEN.

**Rules of Civility** FriesenPress  
The North Cascades Highway, an illustrated natural history guide, helps travelers and readers to appreciate the deeper beauty behind the landscape. Organized as a series of stops at eye-catching sites along eighty miles of the highway, The North Cascades Highway reveals the geological story of each location.

Time Between Random House  
Neil Young is one of rock and roll's most important, influential and enigmatic figures, an intensely reticent artist who has granted no writer access to his inner sanctum - until now. *Shakey* is the whole story of Young's incredible life and career- from his childhood in Canada to the founding of folk-rock pioneers Buffalo Springfield; the bleary conglomeration of Crazy Horse and the monstrous success of Crosby, Stills, Nash and Young; to the depths of the Tonight's the Night depravity and the Geffen years; and Young's unprecedented nineties 'comeback'. *Shakey* (the title refers to one of Young's many

aliases) is also the compelling human story of a lonely kid for whom music was the only outlet, a driven yet tortured figure who controlled his epilepsy via 'mind over matter', an oddly passionate model train mogul who, inspired by his own son's struggle with cerebral palsy, became a major activist in the quest to help those with the condition. This long-awaited, unprecedented story of a rock 'n' roll legend is uniquely told through the interwoven voices of McDonough - biographer, critic, historian, obsessive fan - and the ever-cantankerous (but slyly funny) Young himself.

Bob Dylan and Leonard Cohen  
Dorrance Publishing

Since its publication in 1996, George Saunders's debut collection has grown in esteem from a cherished cult classic to a masterpiece of the form, inspiring an entire generation of writers along the way. In six stories and a novella, Saunders hatches an unforgettable cast of characters, each struggling to survive in an increasingly haywire world. With a new introduction by Joshua Ferris and a new author's note by Saunders himself, this edition is essential reading for those seeking to discover or revisit a virtuosic, disturbingly prescient voice. Praise for George Saunders and *CivilWarLand in Bad Decline* "It's no exaggeration to say that short story master George Saunders helped change the trajectory of American fiction."—The Wall Street

---

Journal "Saunders's satiric vision of America is dark and demented; it's also ferocious and very funny."—Michiko Kakutani, *The New York Times* "George Saunders is a writer of arresting brilliance and originality, with a sure sense of his material and apparently inexhaustible resources of voice. [CivilWarLand in Bad Decline] is scary, hilarious, and unforgettable."—Tobias Wolff "Saunders makes the all-but-impossible look effortless."—Jonathan Franzen "Not since Twain has America produced a satirist this funny."—Zadie Smith "An astoundingly tuned voice—graceful, dark, authentic, and funny—telling just the kinds of stories we need to get us through these times."—Thomas Pynchon *Miss MacIntosh, My Darling* Seal Press

Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades. This book begins with a discussion of their contemporary importance, and how they have sustained their enduring appeal as performers and recording artists. The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation. They sought to achieve the fame of Dylan Thomas, who proved a bohemian poet could thrive outside the academy, and to live his life of unconditional social irresponsibility. While Dylan's and Cohen's fame fluctuated over the decades,

it was sustained by self-consciously adopted personas used to distance themselves from their public selves. This separation of self requires an exploration of the artists' relation to religion as an avenue to find and preserve inner identity. The relationship between their lyrics and poetry is explored in the context of Federico García Lorca's concept of the poetry of inspiration and the emotional depths of 'duende.' Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca. The authors show that performance and the poetry are integral, and the 'duende,' or passion, of the delivery, is inseparable from the lyric or poetry, and common to Dylan, Cohen and the Beat Generation.

*Bob Dylan* Ballantine Books  
"Chris Hillman is arguably the primary architect of what's come to be known as country rock. After playing the Southern California folk and bluegrass circuit, he joined David Crosby, Roger McGuinn, Gene Clark and Michael Clark as an original member of The Byrds. He went on to partner with Gram Parsons to launch The Flying Burrito Brothers, recording a handful of albums that have become touchstones of rock-influenced country. Hillman then embarked on

---

a prolific recording career in various configurations: as a member of Stephen Stills' Manassas; as a member of Souther-Hillman-Furay with J.D. Souther and Richie Furay of Buffalo Springfield; as a solo artist; and in a trio with his fellow former Byrds Roger McGuinn and Gene Clark. In the 1980s, Hillman launched a successful mainstream country career when he formed The Desert Rose Band with Herb Pedersen and John Jorgenson, scoring eight Top 10 country hits. In the midst of his country success he was inducted into the Rock & Roll Hall of Fame. He has since released a number of solo albums with the most recent, *Bidin' My Time*, produced by Tom Petty. In *Time Between*, Hillman takes readers behind the curtain of his quintessentially Southern Californian musical journey."--Provided by publisher.

[The Devil's Highway](#) Back Bay Books

Keith Negus addresses both the novice Dylan fan and the longtime listener in his new book, *Bob Dylan*. Negus first approaches the man as a mythical cultural figure before situating the music within the larger folk and blues tradition. He then examines the beginning of Dylan's career as a protest singer, his role as a performer, and his impact on popular music, concluding with an overall assessment of Dylan as an artist. Chapters titled "Surroundings," "Chronologies," "Traditions," "Lyrics," and "Music" take up

the various aspects of Dylan's career, making for a smooth exploration of its overall yet unfinished trajectory. Negus also includes a complete discography as of 2007.

[Shakey](#) Hachette UK

Taking readers behind Bob Dylan's familiar image as the enigmatic rebel of the 1960s, this book reveals a different view--that of a careful craftsman and student of the art of songwriting. Drawing on revelations from Dylan's memoir *Chronicles* and a variety of other sources, the author arrives at a radically new interpretation of his body of work, which revolutionized American music and won him the Nobel Prize for Literature in 2016. Dylan's songs are viewed as collages, ingeniously combining themes and images from American popular culture and European high culture.

**The Life of Lou Reed** Penguin

The memoirs of a journey on the back roads of America.

[Broken Trust and a Lifetime of Disappointments](#) Ballantine Books

*On Highway 61* explores the historical context of the significant social dissent that was central to the cultural genesis of the sixties. The book is going to search for the deeper roots of American cultural and musical evolution for the past 150 years by studying what the Western European culture learned from African American culture in a historical progression that

---

reaches from the minstrel era known as the Austin High Gang, to Bob Dylan. The book begins with America's first great social critic, Henry David Thoreau, and his fundamental source of social philosophy:---his profound commitment to freedom, to abolitionism and to African-American culture. Continuing with Mark Twain, through whom we can observe the rise of minstrelsy, which he embraced, and his subversive satirical masterpiece Huckleberry Finn. While familiar, the book places them into a newly articulated historical reference that shines new light and reveals a progression that is much greater than the sum of its individual parts. As the first post-Civil War generation of black Americans came of age, they introduced into the national culture a trio of musical forms--ragtime, blues, and jazz-- that would, with their derivations, dominate popular music to this day. Ragtime introduced syncopation and become the cutting edge of the modern 20th century with popular dances. The blues would combine with syncopation and improvisation and create jazz. Maturing at the hands of Louis Armstrong, it would attract a cluster of young white musicians who came to be known as the Austin High Gang, who fell in love with black music and were inspired to play it themselves. In the process, they developed a liberating respect for the diversity of their city and country, which they did not see as exotic, but rather as art. It was not long before these young white rebels were the masters of American pop music - big band Swing. As Bop succeeded Swing, and Rhythm and Blues followed, each had white followers like the Beat writers and the first young rock and rollers. Even popular white genres like the country music of Jimmy Rodgers and the Carter Family reflected significant black influence. In fact, the theoretical separation of American music by race is not accurate. This biracial fusion achieved an apotheosis in the early work of Bob Dylan, born and raised at the northern end of the same Mississippi River and Highway 61 that had been the birthplace of much of the black music he would study. As the book reveals, the connection that began with Thoreau and continued for over 100 years was a cultural evolution where, at first portions of society, absorbed the culture of those at the absolute bottom of the power

---

structure, the slaves and their descendants, and realized that they themselves were not free.

On Highway 61 Penguin

From the #1 New York Times- bestselling author of *The Lincoln Highway* and *A Gentleman in Moscow*, a "sharply stylish" (Boston Globe) book about a young woman in post-Depression era New York who suddenly finds herself thrust into high society—now with over one million readers worldwide. On the last night of 1937, twenty-five-year-old Katey Kontent is in a second-rate Greenwich Village jazz bar when Tinker Grey, a handsome banker, happens to sit down at the neighboring table. This chance encounter and its startling consequences propel Katey on a year-long journey into the upper echelons of New York society—where she will have little to rely upon other than a bracing wit and her own brand of cool nerve. With its sparkling depiction of New York's social strata, its intricate imagery and themes, and its immensely appealing characters, *Rules of Civility* won the hearts of readers and critics alike.
