Suspenseful and richly atmospheric, June Hur's *The Forest of Stolen Girls* is a haunting historical mystery sure to keep readers guessing until the last page. 1426, Joseon (Korea). Hwani's family has never been the same since she and her younger sister went missing and were later found unconscious in the forest near a gruesome crime scene. Years later, Detective Min—Hwani's father—learns that thirteen girls have recently disappeared from the same forest that nearly stole his daughters. He travels to their hometown on the island of Jeju to investigate... only to vanish as well. Determined to find her father and solve the case that tore their family apart, Hwani returns home to pick up the trail. As she digs into the secrets of the small village—and collides with her now estranged sister, Maewol—Hwani comes to realize that the answer could lie within her own buried memories of what happened in the forest all those years ago. Praise for *The Forest of Stolen Girls*: A Junior Library Guild Selection A 2022 Edgar Allan Poe Award Nominee A YALSA Best Fiction for Young Adults Selection A 2022 White Pine Award Nominee A 2022 ALA Rise Selection A 2022 CCBC Choices Selection "The Forest of Stolen Girls is a haunting, breathtaking tale that will have readers on the edge of their seats. ... Hur is an absolute master of mystery, and I will be reading her gorgeous books for years to come." —Adalyn Grace, New York Times-bestselling author of *All the Stars and Teeth* "Rich, exquisite, and deeply atmospheric, *The Forest of Stolen Girls* draws the reader in from the very first page and doesn't let go. A dark and utterly engrossing mystery, beautifully drawn from start to finish." —Kathleen Glasgow, New York Times-bestselling author of *Girl in Pieces* "Haunting and lyrical. Beware, this tale will draw you deeper into the forest than you want to go." —Stacey Lee, award-winning author of *The Downstairs Girl* "A brilliant historical fiction mystery that is suspenseful, gorgeous and absolutely riveting! Hur brings Jeju Island during the early Joseon period completely to life in a rich, evocative manner that reminds me of watching my favorite historical Kdrama. " —Ellen Oh, author of the *Prophecy* series

A Blade So Black Simon and Schuster

This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since

white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.

Psychological Aspects of Cyberspace John Wiley & Sons

I know the answer to the world's deepest secret . . . Graham, a functioning alcoholic and Harvard medical student and the protagonist of *Into the Rabbit Hole*, stumbles across a puzzling communication from his deceased Navy Seal brother. Graham must work to unravel a litany of secrets sobering in their implications not only for himself, but for the past twelve-thousand years of human history and the secrets of the universe. Had he not, in his hungover state, opened the email, Graham could have continued on his predetermined successful, if dysfunctional, path and never embarked on the paradigm-shifting journey that so loosens his grasp on reality and obliterates not only what he chooses to believe but what he trusts as fact. With the help of his long-term girlfriend, his quirky Mensan best friend, his wild and athletic best girlfriend since childhood and his friend from Undergrad at Georgetown who followed him to Harvard for Grad school, he sets out to decode this complex cryptogram, which he soon discovers is charged with the potential to unhinge the very control that certain government officials are intent, at all costs, on maintaining. Micah T Dank takes the reader on an electrifying hunt for what is real and what is possible, encountering along the way politics, conspiracies, fringe medicine, history, and language, and what it means to survive—thrive, even—when you have the weight of the world on your shoulders. Beneath the Veil is the first book in a 6 books series *Into the Rabbit Hole*, that proves that love and humor may not be the answer, but that without these variables there is no worthy solution to any challenging problem or improbable situation.

Blockchain for Everyone HarperCollins

Hazel has just moved to a new school, and her fifth grade class is performing *Alice in Wonderland* for the school play.

Down the Rabbit Hole Feiwel & Friends

Falling down the Bitcoin rabbit hole is a strange experience. Like many others, I feel like I have learned more in the last couple of years studying Bitcoin than I have during two decades of formal education. The following lessons are a distillation of what I've learned. First published as an article series titled "What I've Learned From Bitcoin," what follows can be seen as a third edition of the original series. Like Bitcoin, these lessons aren't a static thing. I plan to work on them periodically, releasing updated versions and additional material in the future. Bitcoin is an inexhaustible teacher, which is why I do not claim that these lessons are all-encompassing or complete. They are a reflection of my personal journey down the rabbit hole. There are many more lessons to be learned, and every person will learn something different from entering the world of Bitcoin. I hope that you will find these lessons useful and

that the process of learning them by reading won't be as arduous and painful as learning them firsthand.

Down the Rabbit Hole Postcards The Floating Press
NAMED A TOP 10 NOVEL OF 2017 BY THE WALL STREET JOURNAL AND VOGUE, A BEST BOOK OF 2017 BY ESQUIRE, HUFFINGTON POST, POP SUGAR, ELECTRIC LITERATURE AND KIRKUS, AND A 2017 NPR GREAT READ. ONE OF DWIGHT GARNER'S TOP BOOKS OF 2017 IN THE NEW YORK TIMES. A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE AND A FINALIST FOR THE CHICAGO REVIEW OF BOOKS FICTION AWARD. "Like Margaret Atwood's *The Handmaid's Tale*, [The Answers] is also a novel about a subjugated woman, in this case not to a totalitarian theocracy but to subtler forces its heroine is only beginning to understand and fears she is complicit with." --Dwight Garner, New York Times
Mary Parsons is broke. Dead broke, really: between an onslaught of medical bills and a mountain of credit card debt, she has been pushed to the brink. Hounded by bill collectors and still plagued by the painful and bizarre symptoms that doctors couldn't diagnose, Mary seeks relief from a holistic treatment called Pneuma Adaptive Kinesthesia—PAKing, for short. Miraculously, it works. But PAKing is prohibitively expensive. Like so many young adults trying to make ends meet in New York City, Mary scours Craigslist and bulletin boards for a second job, and eventually lands an interview for a high-paying gig that's even stranger than her symptoms or the New Agey PAKing. Mary's new job title is Emotional Girlfriend in the "Girlfriend Experiment"—the brainchild of a wealthy and infamous actor, Kurt Sky, who has hired a team of biotech researchers to solve the problem of how to build and maintain the perfect romantic relationship, cast - ing himself as the experiment's only constant. Around Kurt, several women orbit as his girlfriends with spe - cific functions. There's a Maternal Girlfriend who folds his laundry, an Anger Girlfriend who fights with him, a Mundanity Girlfriend who just hangs around his loft, and a whole team of girlfriends to take care of Intimacy. With so little to lose, Mary falls headfirst into Kurt's messy, ego-driven simulacrum of human connection. Told in Catherine Lacey's signature spiraling, hypnotic prose, *The Answers* is both a mesmerizing dive into the depths of one woman's psyche and a critical look at the conventions and institutions that infiltrate our most personal, private moments. As Mary struggles to understand herself—her body, her city, the trials of her past, the uncertainty of her future—the reader must confront the impossible questions that fuel Catherine Lacey's work: How do you measure love? Can you truly know someone else? Do we even know ourselves? And listen for Lacey's uncanny answers.

Down the Rabbit Hole: Gareth Stevens Publishing LLLP

Develop the Scaramucci mindset that drives entrepreneurial success Hopping over the Rabbit Hole chronicles the rise, fall, and resurgence of SkyBridge Capital founder Anthony Scaramucci, giving you a primer on how to thrive in an unpredictable business environment. The sheer number of American success stories has created a false impression that becoming an entrepreneur is a can't-miss endeavor—but nothing could be further from the truth. In the real world, an entrepreneur batting .150 goes directly to the Hall of Fame. Things happen. You make a bad hire, a bad strategic decision, or suffer the consequences of an unforeseen market crash. You can't control what happens to your business, but you can absolutely control how you react, and how you turn bumps in the road into ramps to the sky. Anthony Scaramucci has been there and done that, again and again, and has ultimately come out on top; in this book, he shares

what he wishes he knew then. Your chances of becoming an overnight billionaire are approximately the same as your chances of being signed to the NBA. Success is hard work, and anxiety, and tiny hiccups that can turn into disaster with a single misstep. This book shows you how to use adversity to your ultimate advantage, and build the skills you need to respond effectively to the unexpected. Learn how to deal with unforeseen events Map a strategic backup plan, and then a backup-backup plan Train yourself to react in the most productive way Internalize the lessons learned by a leader in entrepreneurship For every 23-year-old billionaire who just created a new way to send a picture on a phone, there are countless others who have failed, and failed miserably. Hopping over the Rabbit Hole gives you the skills, insight, and mindset you need to be one of the winners.

Through the Looking-glass FSG Originals

Lewis Carroll's story of Alice visiting wonderland is the quintessential silly story. With talking rabbits and seemingly never-ending rabbit holes, "Down the Rabbit Hole" introduces readers to Carroll's incredible detail and invention. Three other amusing takes tickle readers' funny bones, including "A Silly Question" by E. Nesbit, "Books Who Made the Princess Say 'That's a Story'" by Sir George Webbe Dasent, and "The Finest Liar in the World" by Andrew Lang. Colorful illustrations accompany each , adding to readers' own imaginings of the stories.

Follow the Rabbit-Proof Fence Scholastic Incorporated

"Tell the doctor where it hurts." It sounds simple enough, unless the problem affects the very organ that produces awareness and generates speech. What is it like to try to heal the body when the mind is under attack? In this book, Dr. Allan Ropper and Brian Burrell take the reader behind the scenes at Harvard Medical School's neurology unit to show how a seasoned diagnostician faces down bizarre, life-altering afflictions. Like Alice in Wonderland, Dr. Ropper inhabits a world where absurdities abound: • A figure skater whose body has become a ticking time-bomb • A salesman who drives around and around a traffic rotary, unable to get off • A college quarterback who can't stop calling the same play • A child molester who, after falling on the ice, is left with a brain that is very much dead inside a body that is very much alive • A mother of two young girls, diagnosed with ALS, who has to decide whether a life locked inside her own head is worth living How does one begin to treat such cases, to counsel people whose lives may be changed forever? How does one train the next generation of clinicians to deal with the moral and medical aspects of brain disease? Dr. Ropper and his colleague answer these questions by taking the reader into a rarified world where lives and minds hang in the balance.

Down the Rabbit Hole Speaking Volumes

Tochtli, the son of a drug baron, lives in a lavish palace hideout along with hit men, prostitutes, dealers, servants and corrupt politicians, but still nurtures childhood obsessions with animals and samurai. Original. 15,000 first printing.

Down the Rabbit Hole St. Martin's Press

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef's #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the

rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.

[Alice in Wonderland: Down the Rabbit Hole](#) Tim Lea

In the previous book in this series, Manfred Kets de Vries observed the experiences of leaders on a rollercoaster ride through their professional and personal lives. Now, he follows them down the rabbit hole into the unknown, where, like Lewis Carroll's Alice, they find a dystopian Wonderland in which everyone seems to have gone mad and life functions according to its own crazy logic, throwing up all kinds of obstacles in the search for truth. Understanding what is happening around us has become more difficult than ever in the Age of Trump. Don't imperatives like "build that wall" sound very much like "Off with his head"? Unfortunately, and unlike Alice, we are not going to wake up from a bad dream and discover that everything is "nothing but a pack of cards". The first part of this book looks at the psychodynamics of leadership in both a business and a political context. The second focuses on the psychopathology of everyday life in organizations and the seemingly endless ways people can make a mess of things – including mega pay packages, acting out, digital addiction and other dysfunctional behaviour patterns. Each chapter ends with a brief anecdote to illustrate the dilemma it presents. In short, sharp nuggets, Kets de Vries helps make sense of how the madness of the present has affected leadership in organizations and the workplace.

Escaping the Rabbit Hole Macmillan

"A Blade So Black is the fantasy book I've been waiting for my whole life." —Angie Thomas, #1 New York Times bestselling author of *The Hate U Give* For fans of Marissa Meyer, L.L. McKinney's *A Blade So Black* delivers an irresistible urban fantasy retelling of Alice in Wonderland... but it's not the Wonderland you remember. The first time the Nightmares came, it nearly cost Alice her life. Now she's trained to battle monstrous creatures in the dark dream realm known as Wonderland with magic weapons and hardcore fighting skills. Yet even warriors have a curfew. Life in real-world Atlanta isn't always so simple, as Alice juggles an overprotective mom, a high-maintenance best friend, and a slipping GPA. Keeping the Nightmares at bay is turning into a full-time job. But when Alice's handsome and mysterious mentor is poisoned, she has to find the antidote by venturing deeper into Wonderland than she's ever gone before. And she'll need to use everything she's learned in both worlds to keep from losing her head... literally. Debut author L.L. McKinney delivers an action-packed twist on an old classic, full of romance and otherworldly intrigue. And don't miss the thrilling sequel, *A Dream So Dark!* An Imprint Book "Mixing elements of Alice in Wonderland and Buffy the Vampire Slayer... Delectable." —Entertainment Weekly

Down the Rabbit Hole Harper Collins

Revised and updated for the first time in 2023—Now includes strategies for debunking conspiracies regarding the coronavirus pandemic, election fraud, QAnon, UFOs, and more. The Earth is flat, the World Trade Center collapse was a controlled demolition, planes are spraying poison to control the weather, and actors faked the Sandy Hook massacre. All these claims are bunk: falsehoods, mistakes, and in some cases, outright lies. But many people passionately believe one or more of these

conspiracy theories. They consume countless books and videos, join like-minded online communities, try to convert those around them, and even, on occasion, alienate their own friends and family. Why is this, and how can you help people, especially those closest to you, break free from the downward spiral of conspiracy thinking? In *Escaping the Rabbit Hole*, author Mick West shares over a decade's worth of knowledge and experience investigating and debunking false conspiracy theories through his forum, MetaBunk.org, and sets forth a practical guide to helping friends and loved ones recognize these theories for what they really are. Perhaps counter-intuitively, the most successful approaches to helping individuals escape a rabbit hole aren't comprised of simply explaining why they are wrong; rather, West's tried-and-tested approach emphasizes clear communication based on mutual respect, honesty, openness, and patience. West puts his debunking techniques and best practices to the test with the most popular false conspiracy theories today (Chemtrails, The Coronavirus Pandemic, 9/11 Controlled Demolition, Election Fraud, False Flags, Flat Earth, The Rising of QAnon, and UFOs)—providing road maps to help you to understand your friend and help them escape the rabbit hole. These are accompanied by real-life case studies of individuals who, with help, were able to break free from conspiracism. With sections on: the wide spectrum of conspiracy theories avoiding the "shill" label psychological factors and other complications (and concluding with) a look at the future of debunking Mick West has put forth a conclusive, well-researched, practical reference on why people fall down the conspiracy theory rabbit hole and how you can help them escape.

Alice in Zombieland Springer

Kate, born to abusive, drug addicted parents, identifies an inner God voice when she is very young. This voice, and the support of her grandmother, helps her overcome her circumstances instead of falling victim to them. However, as she grows up she finds that the apple doesn't fall too far from the tree, and she discovers that she is an addict herself. Deciding not to go down the path her parents went, she rises above her circumstances again and chooses the path of recovery. Now 8 years sober she shares how faith helped her continue to take positive action and avoid victimization every step of the way."Impossible to put down. Both drily funny and yet often terrifying, this is a raw, unflinching account of a chaotic and abusive childhood overcome by inner strength and an enduring sense of humor."

Down the Rabbit Hole Macmillan Higher Education

Some of your favorite romance authors present five stories told through the looking glass—including "Wonderment in Death," a Lieutenant Eve Dallas novella from #1 New York Times bestselling author J. D. Robb! You're late for a very important date... Enter a wonderland of mesmerizing tales. It's a place that's neither here nor there, where things are never quite as they seem. Inspired by Lewis Carroll's whimsical masterpiece, ranging from the impossible to the mad to the curiouser, these stories will have you absolutely off your head.

Down the Rabbit Hole Univ. of Queensland Press

The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch.

Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on Dancing with the Stars, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating its social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. The Vegas Diaries is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves.

Down the Rabbit Hole of Leadership HarperCollins

Hundreds of millions of people across the world use the Internet every day. Its functions vary, from shopping and banking to chatting and dating. From a psychological perspective, the Internet has become a major vehicle for interpersonal communication that can significantly affect people's decisions, behaviors, attitudes and emotions.

Moreover, its existence has created a virtual social environment in which people can meet, negotiate, collaborate and exchange goods and information. Cyberspace is not just a technical device but a phenomenon which has reduced the world to a proverbial global village, fostering collaborations and international cooperations; thus reducing the barriers of geographical distance and indigenous cultures. Azy Barak and a team of prominent social scientists review a decade of scientific investigations into the social, behavioral and psychological aspects of cyberspace, collating state-of-the-art knowledge in each area. Together they develop emerging conceptualizations and envisage directions and applications for future research.
