Democracy and Education Bedford/St. Martin's
The “dazzling” and essential portrayal of 1960s America from the author of South and West and The Year of Magical Thinking (The New York Times). Capturing the tumultuous landscape of the United States, and in particular California, during a pivotal era of social change, the first work of nonfiction from one of American literature’s most distinctive prose stylists is a modern classic. In twenty razor-sharp essays that redefined the art of journalism, National Book Award-winning author Joan Didion reports on a society gripped by a deep generational divide, from the “misplaced children” dropping acid in San Francisco’s Haight-Ashbury district to Hollywood legend John Wayne filming his first picture after a bout with cancer. She paints indelible portraits of reclusive billionaire Howard Hughes and folk singer Joan Baez, “a personality before she was entirely a person,” and takes readers on eye-opening journeys to Death Valley, Hawaii, and Las Vegas, “the most extreme and allegorical of American settlements.” First published in 1968, Slouching Towards Bethlehem has been heralded by the New York Times Book Review as “a rare display of some of the best prose written today in this country” and named to Time magazine’s list of the one hundred best and most influential nonfiction books. It is the definitive account of a terrifying and transformative decade in American history whose discordant reverberations continue to sound a half-century later.

The Fourth Industrial Revolution Bedford/st Martins

In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In The Psychology of Money, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life’s most important topics.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. In this elegant volume, literary critics scrutinize the existing Wallace scholarship and at the same time pioneer new ways of understanding Wallace's fiction and journalism. In critical essays exploring a variety of topics—including Wallace's relationship to American literary history, his place in literary journalism, his complicated relationship to his postmodernist predecessors, the formal difficulties of his 1996 magnum opus Infinite Jest, his environmental imagination, and the “social life” of his fiction and nonfiction—contributors plumb sources as diverse as Amazon.com reader recommendations, professional book reviews, the 2009 Infinite Summer project, and the David Foster Wallace archive at the University of Texas's Harry Ransom Center.

An NYRB Classics Original Few writers had to confront as many of the last century’s mass tragedies as Vasily Grossman, who wrote with terrifying clarity about the Shoah, the Battle of Stalingrad, and the Terror Famine in the Ukraine. An Armenian Sketchbook, however, shows us a very different Grossman, notable for his tenderness, warmth, and sense of fun. After the Soviet government confiscated—or, as Grossman always put it, “arrested”—Life and Fate, he took on the task of revising a literal Russian translation of a long Armenian novel. The novel was of little interest to him, but he needed money and was evidently glad of an excuse to travel to Armenia. An Armenian Sketchbook is his account of the two months he spent there. This is by far the most personal and intimate of Grossman’s works, endowed with an air of absolute spontaneity, as though he is simply chatting to the reader about his impressions of Armenia—its mountains, its ancient churches, its people—while also examining his own thoughts and moods. A wonderfully human account of travel to a faraway place, An Armenian Sketchbook also has the vivid appeal of a self-portrait. **Letter from the Birmingham Jail** Createspace Independent Publishing Platform

NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, “the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one” (The Washington Post), about what happened after she checked off all the boxes on a successful life’s to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she’d cracked the code: Always be right, and you’ll always be happy. But once she’d completed her life’s to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She’d done everything “right” but still felt all wrong. What’s the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a “frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more” (Southern Living). She offers up her own stories to show that identity crises don’t happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this “warm embrace of a life lived imperfectly” (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don’t have to burn it all down. You can call upon your many selves to figure out who you are, who you’re not, and where you belong. Who among us isn’t trying to do that? “Be forewarned that you’ll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you’ll want to buy for yourself and every other woman you know” (Real Simple).

It can give us an understanding of lives very different from our own, and a sense of the shared joys and losses of human experience.” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today’s most pressing issues, from climate change to medicine to the consequences of digital innovation. Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her

attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in Mrs. Keppel and Her Daughter. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual freedoms.
