Chilton's Ford Windstar 1995-98 Repair Manual Haynes Publishing

Today's technologies are a world apart from the cars of a generation ago.

That's why Chilton created a new breed of model-specific repair manuals -- so comprehensive they set the standard.

Written in response to consumer studies, they give your customers exactly what they want and need in specific automotive information. Total Car Care provides the amateur mechanic with two essential ingredients: -- In-depth information on all systems from headlights to exhaust -- Complete, easy-to-follow, illustrated, procedural directions for disassembly, removal, replacement and reinstallation

Each volume lives up to its name with total information, including: -- Photographs and illustrations throughout -- Diagnostic and

troubleshooting sections throughout -- Actual wiring and vacuum diagrams -- Complete electronic controls information -- Tune-up specs and maintenance schedules -- Emissions controls data, environmental and safety information
