A quarter of the US adult population, 64.6 million people, live with a mental health disorder. But, shhhh, we don't talk about that at work-until now. Having recognized that it's time to create a post-pandemic environment where everyone can do the job they were hired to do, including employees with a mental illness or psychiatric disability, Ashley Sides Johnson and Andrea Sides Herron are back with *There's an Elephant in Your Office: Practical Tips to Successfully Identify and Support Mental and Emotional Health in the Workplace*, Second Edition. Using a herd of elephants as a metaphor for employees experiencing a mental illness or episode of poor mental health, Ashley and Andrea share their collective knowledge and experiences to equip employers, managers, and supervisors with the tools and information they need to help people on all rungs of the corporate ladder notice, identify, and properly interact with the elephants in their office.

Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 195 countries and fourteen territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. The *Freedom in the World* political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.

Did Laila really say that? Not in her wildest dreams, not till sometime ago... Laila is on the entertainment beat—a world full of vain heroines, egoistic superstars, spirited item girls, prissy celebs... To top it all, life in the newsroom is a series of deadline-driven bloopers. Adding to the mayhem is sexy Bollywood journo-turned-item girl Latika; Chiki, the reporter who is obsessed with a superstar; award-winning super hack Indumati; and their razor-sharp and hard-to-please editor Bunny. Caught between her ambition to excel, a live-in boyfriend who feels ignored, and a father who is ashamed of

her career choice, Laila realizes that the life of an entertainment reporter is not the glamour ride she had expected... because, on the *Garbage Beat*, reporting is a harrowing, ball-crushing, back-breaking affair.

Four gems, with new introductions, mark acclaimed Indian writer R. K. Narayan's centennial. Introducing this collection of stories, R. K. Narayan describes how in India "the writer has only to look out of the window to pick up a character and thereby a story." Composed of powerful, magical portraits of all kinds of people, and comprising stories written over almost forty years, *Malgudi Days* presents Narayan's imaginary city in full color, revealing the essence of India and of human experience. This edition includes an introduction by Pulitzer Prize-winning author Jhumpa Lahiri. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This is a movie tie-in edition and any reviews posted before October 10, 2019 are from the previous edition of the same title published in 2015. Aisha Chaudhary was born with SCID (severe combined immune deficiency) and underwent a bone-marrow transplant when she was six months old. She lived in New Delhi, where she was born. The year 2014 was brutal for Aisha as her disease progressed, and her lungs started giving up on her. The last few months of the year felt like a roller-coaster ride, one that seemed to be mostly going down. Spending almost all her time lying in bed, Aisha wrote down her thoughts to get some relief, to get them out of her head. Aisha's life was not anything like the average life of an urban teenager, but she had experienced a lifetime of emotions; life and death, fear and anger, love and hate, the depths of utter sorrow and the happiest one can be. In *My Little Epiphanies* she took a hard look at her own feelings and what it was that gave her a sense of hope and control. This book gave her life purpose and meaning, something to hold on to. Sometimes, Aisha's little epiphanies had morphed into doodles that capture what was going on in her mind as her destiny played itself out. Through the book she wanted the world to understand her unusual life and she hoped that it will inspire others, going through similar hardships, to find peace.

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutki bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular BihariBabu. "Do not

attempt to change him. Of the 1.25 crore people of India, he stands out as unique" – Amitabh Bachchan, superstar, Hindi cinema "They used to call me the Shatrughan Sinha of the South" – Rajinikanth, superstar, Tamil Nadu "I became an actor because of Shatrughan Sinha" – Chiranjeevi, superstar & Congress-I leader, Andhra Pradesh "Ours is an Eklavya-Dronacharya story. He is my guru" – Ambareesh, superstar & Minister for Housing, Karnataka "A person who joined the Jan Sangh or the BJP when it was in the Opposition, had to be gutsy. Shatrughan is" – LK Advani, Senior Leader, BJP "I would give him sanyam ki salaah (advice on patience)" – Sushma Swaraj, Minister for External Affairs "I find there's no chaploosi (sycophancy) in him. Our doors are open 24/7 to him" – Lalu Prasad Yadav, Leader, RJD "If the Bihari Babu is hurt, the whole of Bihar is hurt" – Nitish Kumar, Chief Minister, Bihar "If we had Shatrusaab on our side, we wouldn't need anybody else on our team" – Nawaz Sharif, Prime Minister, Pakistan About the Author Renowned columnist, critic and author Bharathi S Pradhan has written both fiction and non-fiction. Mr Bidi – the life story of an industrialist; Heartfelt: The inspirational story of Medha Jalota; Colas, Cars & Communal Harmony on secularism and Valentine Lover, an adult novel, are some of her well-received books. She scripted a documentary on Mughal-e-Azam and ideated for Balaji Telefilms. She has been Chairperson, National Awards (for best writing on cinema), and has been on the jury of diverse awards committees. She was also on the jury of the Indian Panorama of IFFI 2015. Bharathi has edited a variety of magazines and contributed to several publications that include Reader's Digest, Mid-day, Savvy, Femina and Movie. She continues to be a Sunday columnist with The Telegraph. She lives in Mumbai with Sanjaya, her Chartered Accountant husband and Siddhesh, her son who is currently studying Law.

Indian Court Painting, 16th-19th Century Simon and Schuster Bharat, Gandhi Ke Bad is the Hindi translated edition of *India After Gandhi*, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world's largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Sushant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. *India After Gandhi*, the English version was picked as the Book of the Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a second volume, which also has a translated called *Bharat: Nehru Ke Baad*. About the author: Columnist, commentator and writer, Ramachandra Gua, born in 1958, is one of India's best historians who has documented recent history. Born and brought up in Dehradun, Gua, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gua has written are: *India after Gandhi*, *The States of Indian Cricket* and *This Fissured Land: An Ecological History of India*.
