DO EPIC SHIT. Harper Collins

“ You ’ ll be hard-pressed to find a Hollywood memoir with this much blood and (broken) bone ” (Entertainment Weekly) in this candid, thrilling autobiography from one of the most recognizable, influential, and beloved cinematic personalities in the world. Everyone knows Jackie Chan. Whether it ’ s from Rush Hour, Shanghai Noon, The Karate Kid, or Kung Fu Panda, Jackie is admired by generations of moviegoers for his acrobatic fighting style, comic timing, and mind-bending stunts. In 2016—after over fifty-five years in the industry, over 200 films, and many broken bones—he received an honorary Academy Award for his lifetime achievement in film. But Jackie is just getting started. Now, in Never Grow Up, the global superstar reflects on his early life, including his childhood years at the China Drama Academy (in which he was enrolled at the age of six), his big breaks (and setbacks) in Hong Kong and Hollywood, his numerous brushes with death (both on and off film sets), and his life as a husband and father (which has been, admittedly and regrettably, imperfect). In this “ impossibly colorful memoir ” (USA TODAY), Jackie applies the same spirit of openness to his “ legendary life, with many fascinating stories waiting for you to discover ” (Jet Li), proving time and time again why he ’ s beloved the world over: he ’ s honest, funny, kind, brave beyond reckoning and—after all this time—still young at heart.

A Fine Balance, Rohinton Mistry ’ s stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a “ State of Internal Emergency. ” Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry ’ s prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Rated X Shubham Srivastava

Confessions of a Young Man is a memoir by Irish novelist George Moore who spent about 15 years in his teens and 20s in Paris and later London as a struggling artist. The book is notable as being one of the first English writings which named important emer

Gubliiss Simon and Schuster

At a time when lesbian, gay, bisexual, and transgender individuals—often referred to under the umbrella acronym LGBT—are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status. While LGBT populations often are combined as a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and age, any of which can have an effect on health-related concerns and needs. The Health of Lesbian, Gay, Bisexual, and Transgender People assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report examines the health status of these populations in three life stages: childhood and adolescence, early/middle adulthood, and later adulthood. At each life stage, the committee studied mental health, physical health, risks and protective factors, health services, and contextual influences. To advance understanding of the health needs of all LGBT individuals, the report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. The Health of Lesbian, Gay, Bisexual, and Transgender People is a valuable resource for policymakers, federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers.

The Go Programming Language is the authoritative resource for any programmer who wants to learn Go. It

shows how to write clear and idiomatic Go to solve real-world problems. The book does not assume prior knowledge of Go nor experience with any specific language, so you’ll find it accessible whether you’re most comfortable with JavaScript, Ruby, Python, Java, or C++. The first chapter is a tutorial on the basic concepts of Go, introduced through programs for file I/O and text processing, simple graphics, and web clients and servers. Early chapters cover the structural elements of Go programs: syntax, control flow, data types, and the organization of a program into packages, files, and functions. The examples illustrate many packages from the standard library and show how to create new ones of your own. Later chapters explain the package mechanism in more detail, and how to build, test, and maintain projects using the go tool. The chapters on methods and interfaces introduce Go’s unconventional approach to object-oriented programming, in which methods can be declared on any type and interfaces are implicitly satisfied. They explain the key principles of encapsulation, composition, and substitutability using realistic examples. Two chapters on concurrency present in-depth approaches to this increasingly important topic. The first, which covers the basic mechanisms of goroutines and channels, illustrates the style known as communicating sequential processes for which Go is renowned. The second covers more traditional aspects of concurrency with shared variables. These chapters provide a solid foundation for programmers encountering concurrency for the first time. The final two chapters explore lower-level features of Go. One covers the art of metaprogramming using reflection. The other shows how to use the unsafe package to step outside the type system for special situations, and how to use the cgo tool to create Go bindings for C libraries. The book features hundreds of interesting and practical examples of well-written Go code that cover the whole language, its most important packages, and a wide range of applications. Each chapter has exercises to test your understanding and explore extensions and alternatives. Source code is freely available for download from <http://gopl.io/> and may be conveniently fetched, built, and installed using the go get command.

How to Prevent the Next Pandemic Penguin

Healed is the powerful, moving and deeply personal story of actor Manisha Koirala’s battle against ovarian cancer. From her treatment in the US and the wonderful care provided by the oncologists there to how she rebuilt her life once she returned home, the book takes us on an emotional rollercoaster ride through her many fears and struggles, and shows how she eventually came out triumphant. Today, as she completes six years of being cancer-free, she shares her story—one marked by apprehensions, disappointments and uncertainties—and the lessons she learnt along the way. Through her journey, she unravels cancer for us and inspires us to not buckle under its fear, but emerge alive, kicking and victorious.

Pulse of Life Simon and Schuster

Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of milk and honey and the debut audio recording of home body. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

Inner Engineering Harmony

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord’s Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Anna had everything figured out – she was about to start senior year with her best friend, she had a great weekend job and her huge work crush looked as if it might finally be going somewhere... Until her dad decides to send her 4383 miles away to Paris. On her own. But despite not speaking a word of French, Anna finds herself making new friends, including Étienne St. Clair, the smart, beautiful boy from the floor above. But he’s taken – and Anna might be too. Will a year of romantic near-misses end with the French kiss she’s been waiting for?

American Geography Henry Holt and Company (BYR)

"Indian Accent showcases inventive Indian cuisine by complementing the flavours and traditions of India with global ingredients and techniques. Chef Manish Mehrotra has

designed the menu of Indian Accent. The original restaurant opened in 2009 at The Manor, New Delhi, to significant acclaim for its path-breaking approach to contemporary Indian food. It moved to The Lodhi in 2017. Indian Accent, New Delhi, has won several awards and global recognition, including being the only restaurant from India on the World’s 100 Best list since 2015. It is also part of the Time Magazine, 100 Great Destinations in the World. It opened in New York in 2016 and in London in 2017 to critical and popular acclaim." -- Front flap.

The Rat Eater Usborne Publishing Ltd

NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. “A loving invitation to live our best lives and a profound reassurance of why and how we can.”—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means “dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life.” The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

Lal Salaam (Red Salute) Addison-Wesley Professional

Governments, businesses, and individuals around the world are thinking about what happens after the COVID-19 pandemic. Can we hope to not only ward off another COVID-like disaster but also eliminate all respiratory diseases, including the flu? Bill Gates, one of our greatest and most effective thinkers and activists, believes the answer is yes. The author of the #1 New York Times best seller *How to Avoid a Climate Disaster* lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another catastrophe like it. Relying on the shared knowledge of the world’s foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, Gates first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, how we can prevent a new pandemic from killing millions of people and devastating the global economy. Here is a clarion call—strong, comprehensive, and of the gravest importance.

A renowned physician shares her complete 10-day digestive tune-up for women, with important revelations about good gastrointestinal health. Many so-called cures for women’s bloating and indigestion, from juice cleanses to specialty diets, are based on junk science. For women seeking true relief from that overall feeling of discomfort in any size jeans, Dr. Robynne Chutkan has the perfect plan for feeling light, tight, and bright in ten days. Gutbliss offers: A primer on the real reasons for gastrointestinal distress, and why it’s much more common in women A look at the debilitating side effects of supposedly healthy habits—from Greek yogurt to bloat-inducing aspirin An expert analysis of symptoms that could indicate a serious underlying condition An indispensable checklist to pinpoint the exact cause of your bloating Just a few small changes in diet, lifestyle, and exercise can make a huge difference in a woman’s digestive health, but the changes have to be the right ones. Going beyond the basics of top sellers such as *Wheat Belly*, Dr. Chutkan’s Gutbliss empowers

women to take control of their gastrointestinal wellness.

Mithai Penguin

Aside from her dad, who passed away when she was six, Cassidy Jameson has only ever trusted one man: her best friend, Tyler. So of course she follows him to Texas when he leaves for college. She just didn't expect to be so drawn to their new roommate, Gage, a gorgeous guy with a husky Southern drawl. The only problem? He's Tyler's cousin. Gage Carson was excited to share an apartment off campus with his cousin. He didn't mind that Tyler was bringing the mysterious friend he'd heard about since they were kids . . . until the most beautiful girl he's ever seen jumps out of his cousin's Jeep. There's something about Cassi that makes Gage want to give her everything. Too bad Tyler has warned him that she's strictly off-limits. Despite everything keeping them apart, Cassi and Gage dance dangerously close to the touch they've both been craving. But when disaster sends her running into Tyler's arms, Cassi will have to decide whether to face the demons of her past . . . or to burn her chance at a future with Gage.

The Health of Lesbian, Gay, Bisexual, and Transgender People McClelland & Stewart

A revolutionary way to raise and train your dog, with “a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions” (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet’s unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak’s YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

Shivaji Westland

"Produced by members of the Centre for Imaginative Ethnography, this collection introduces the idea of an imaginative and creative approach to anthropological inquiry, one that is collaborative, open-ended, embodied, affective, and experimental. Rather than structuring the book around traditional methods like interviewing, participant observation, and documentary research, the authors organize their thoughts around different methodologies--sensing, walking, writing, performing, and recording. As well, innovative, practical exercises are included that allow ethnographers to not just 'talk the talk', but also 'walk the walk' so they can deepen, complicate, and extend ethnographic inquiry. A list of additional resources at the end of each chapter provide rich support for those who want to pursue more imaginative and creative methodologies."--

Zak George's Dog Training Revolution UCL Press

"Maitland Ward joined the cast of *The Bold and the Beautiful* as a teenager and found fame as the loveable, sexy (but not too sexy) co-ed Rachel McGuire in the later seasons of the beloved ABC sitcom *Boy Meets World*. Forced into the "good girl" role time and again, she was denied the darker, meatier roles she truly wanted to sink her teeth into. And so she turned away from Disney gold, and eventually established herself as one of the most-respected actresses in porn today. Full of jaw-and panty-dropping anecdotes, as well personal stories from her time on one of the most beloved sitcoms of the '90s, **RATED X** won't be your run-of-the-mill celebrity memoir. Readers will get to see Hollywood and triple-x stardom up close and personal, and in a whole new light. Her story is not a cautionary tale. It's a story of hope and triumph about a woman who took her desire by the reins, shot to the top of the industry, and has become one of porn's most prominent figures with crossover appeal—all at the age of forty. Sharp, provocative, and unexpected, **RATED X** is the story of a Disney Princess who unapologetically found her fairytale in porn"--
