You could buy lead Download Great Streets or acquire it as soon as feasible. You could quickly download this Download Great Streets after getting deal. So, bearing in mind you require the book swiftly, you can straight acquire it. Its thus utterly easy and appropriately fats, isnt it? You have to favor to in this melody

The City at Eye Level PURE SNOW PUBLISHING

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

Money in the Streets Farrar, Straus and Giroux

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR

TAYARI JONES “How can a novel’s social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that *The Street* amazes, but this description cheapens her talent . . . Petry is a gifted artist.” — Tayari Jones, from the Introduction *The Street* follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, *The Street* became the first novel by an African American woman to sell more than a million copies.

THE GREAT GATSBY Island Press

Abandoned lots and litter-strewn pathways, or rows of green beans and pockets of wildflowers? Graffiti-marked walls and desolate bus stops, or shady refuges and comfortable seating? What transforms a dingy, inhospitable area into a dynamic gathering place? How do individuals take back their neighborhood? Neighborhoods decline when the people who live there lose their connection and no longer feel part of their community. Recapturing that sense of belonging and pride of place can be as simple as planting a civic garden or placing some benches in a park. *The Great Neighborhood Book* explains how most struggling communities can be revived, not by vast infusions of cash, not by government, but by the people who live there. The author addresses such challenges as traffic control, crime, comfort and safety, and developing economic vitality. Using a technique called “placemaking”—the process of transforming public space -- this exciting guide offers inspiring real-life examples that show the magic that happens when individuals take small steps, and motivate others to make change. This book will motivate not only neighborhood activists and concerned citizens but also urban planners, developers and policy-makers.

Walkable City Stanford University Press

From one of rap’s most personal and evocative writers comes a stirring memoir about how Boosie Badazz, one of the industry’s most controversial figures, was able to overcome insurmountable odds to make his music dreams a reality. A Baton Rouge native who began rapping at age fourteen, Boosie Badazz was already a cult hero in Louisiana when, in 2009, he was sentenced to two years in prison. The next year, he was indicted on even more serious charges, eventually landing him on Death Row. Prosecutors played Boosie’s music in the courtroom in an attempt to paint him as a thug with no chance of redemption. However, against overwhelming odds and the backdrop of a social media campaign to #FreeBoosie, he was freed in March of 2014 with a rare second chance to make his music dreams come true. In this evocative and compelling memoir, Boosie explores the relationship between his life on the streets with his ceaseless tear through the rap industry. From near-death experiences to a ruthless bout with kidney cancer to a life-threatening diabetes diagnosis, Boosie has overcome remarkable challenges to make a name for himself as one of rap’s most influential voices. A redemptive story with an urgent voice, *Cross the Tracks* is the survival tale of a man who wasn’t sure he would live to see another day...but who rose from the ashes to change the rap industry forever.

All the Frequent Troubles of Our Days South End Press

A never-ending testament of how overpowering negative forces leads to living our greatest potential. Money in the Streets is more than one man’s journey in hard-knocks New York. It’s more than the recounting of risking it all to win. Told with heart and laced with the sentiment of tremendous gratitude, Barry Habib deftly weaves tales of his upbringing to take the reader back in time. From his childhood, where he’d pick up the discarded toys of other children because he had so few of his own to play with on into the sales world, where Habib got creative as a sort-of street vendor, *Money in the Streets* blends humor and hardship through the incredulous moments of Habib’s life. He wrote this book to answer a compulsion to share what worked for him as he scaled the ladder—creating multiple successful companies, growing into an international speaker, and frequenting major media networks as well as producing various entertainment productions—most notably as the driving force and lead producer of one of the longest-running shows on Broadway (later made into a film): *Rock of Ages*. Habib offers his life as proof that you can keep going no matter what. He shares some of his most painful memories while also exulting in personal and business triumphs to encourage everyone to aim for the same. Of particular note are the mindset tactics in *Money in the Streets* that are road-tested and personal practices of Habib, who treats each day as a reason to be thankful. No matter the struggle, whether self-doubt, negativity, loss, stress, or being “stuck” in life, *Money in the Streets* is a resolution roadmap. An easy read that will play on the reader’s every emotion, this standout work and Habib’s voice are unforgettable. He writes as if you are the only person in the room...because to Habib, you are.

The Death and Life of Great American Cities Graymalkin Media

Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as “perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book’s arguments.” Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs’s small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Street Haunting and Other Essays Penguin

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Streets as Places words & pictures

The Global Street Design Guide is a timely resource that sets a global baseline for designing streets and public spaces and redefines the role of streets in a rapidly urbanizing world. The guide will broaden how to measure the success of urban streets to include: access, safety, mobility for all users, environmental quality, economic benefit, public health, and overall quality of life. The first-ever worldwide standards for designing city streets and prioritizing safety, pedestrians, transit, and sustainable mobility are presented in the guide. Participating experts from global cities have helped to develop the principles that organize the guide. *The Global Street Design Guide* builds off the successful tools and tactics defined in NACTO’s *Urban Street Design Guide* and *Urban Bikeway Design Guide* while addressing a variety of street typologies and design elements found in various contexts around the world.

The Boulevard Book Simon and Schuster

Thirty years ago Piri Thomas made literary history with this lacerating, lyrical memoir of his coming of age on the streets of Spanish Harlem. Here was the testament of a born outsider: a Puerto Rican in English-speaking America; a dark-skinned morenito in a family that refused to acknowledge its African blood. Here was an unsparing document of Thomas's plunge into the deadly consolations of drugs, street fighting, and armed robbery--a descent that ended when the twenty-two-year-old Piri was sent to prison for shooting a cop. As he recounts the journey that took him from adolescence in El Barrio to a lock-up in Sing Sing to the freedom that comes of self-acceptance, faith, and inner confidence, Piri Thomas gives us a book that is as exultant as it is harrowing and whose every page bears the irrepressible rhythm of its author's voice. Thirty years after its first appearance, this classic of manhood, marginalization, survival, and transcendence is available in a new edition.

Main Street Anne Schwartz Books

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (*Entertainment Weekly*), “soul-nourishing” (*USA Today*) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.” —*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, NPR, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here

are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Great Streets Vintage

NAMED ONE OF THE BEST CHILDREN'S BOOKS OF THE YEAR BY THE NEW YORK TIMES • FIVE STARRED REVIEWS Visit a truly special street bursting with joy, hope, and dreams. Inspired by the neighborhood where they grew up as cousins, this gorgeous picture book from an award-winning illustrator and critically acclaimed author is the perfect gift or keepsake for every generation. Emergency Response Guidebook MIT Press

Set in the small town of Gopher Prairie, Minnesota, the Main Street takes place in the 1910s, with references to the start of World War I, the United States' entry into the war, and the years following the end of the war, including the start of Prohibition. It relates the life and struggles of Carol Milford Kennicott as she comes into conflict with the small-town mentality of the residents of Gopher Prairie.

Vanishing Streets The MIT Press

52 Ways to Walk is a short, user-friendly guide to attaining the full range of benefits that walking has to offer--physical, spiritual, and emotional--backed by the latest scientific research to inspire readers to develop a fulfilling walking lifestyle. We think we know how to walk. After all, walking is one of the very first skills we learn. But many of us are stuck in our walking routines, forever walking in the same place, in the same way, for the same

time, with the same people. With its thought-provoking and evidence-backed weekly walk routine, 52 Ways to Walk will encourage everyone to improve how they walk, while also encouraging them to seek out new locations (many on their own doorsteps), new walking companions (our brains age better when we mix up our fellow walkers), new times of the day and night, and new skills to acquire while walking. Inspirational, backed by science, illuminated with human anecdote, and bolstered with how-to tips, 52 Ways to Walk will inspire, challenge, support, and encourage everyone to become more ambitious with their walking practice, revealing how walking may be the best-kept secret of the supremely healthy and happy, the creative and well-slept--those with the best posture and sharpest memories. Just about everything, it appears, can be improved and enhanced by clever and judicious walking. It turns out you actually can get more from life, one step at a time.

Fahrenheit 451 Simon and Schuster

The NACTO Urban Street Design Guide shows how streets of every size can be reimagined and reoriented to prioritize safe driving and transit, biking, walking, and public activity. Unlike older, more conservative engineering manuals, this design guide emphasizes the core principle that urban streets are public places and have a larger role to play in communities than solely being conduits for traffic. The well-illustrated guide offers blueprints of street design from multiple perspectives, from the bird's eye view to granular details. Case studies from around the country clearly show how to implement best practices, as well as provide guidance for customizing design applications to a city's unique needs. Urban Street Design Guide outlines five goals and tenets of world-class street design: • Streets are public spaces. Streets play a much larger role in the public life of cities and communities than just thoroughfares for traffic. • Great streets are great for business. Well-designed streets generate higher revenues for businesses and higher values for homeowners. • Design for safety. Traffic engineers can and should design streets where people walking, parking, shopping, bicycling, working, and driving can cross paths safely. • Streets can be changed. Transportation engineers can work flexibly within the building envelope of a street. Many city streets were created in a different era and need to be reconfigured to meet new needs. • Act now! Implement projects quickly using temporary materials to help inform public decision making. Elaborating on these fundamental principles, the guide offers substantive direction for cities seeking to improve street design to create more inclusive, multi-modal urban environments. It is an exceptional resource for redesigning streets to serve the needs of 21st century cities, whose residents and visitors demand a variety of transportation options, safer streets, and vibrant community life.

Great Streets Little, Brown

Using the Dudley Street Neighborhood Initiative in Boston's most impoverished neighborhood as a case study, the authors show how effective organizing reinforces neighborhood leadership, encourages grassroots power and leads to successful public-private partnerships and comprehensive community development.--Prof. Norman Krumholz

The Great Neighborhood Book Random House

The INSTANT New York Times Bestseller Winner of the National Book Critics Circle Award for Biography Winner of the PEN/Jacqueline Bograd Weld Award Winner of the Chautauqua Prize Finalist for the Los Angeles Times Book Award Finalist for the Plutarch Award A New York Times Notable Book of 2021 A New York Times BookReview Editors' Choice A New York Times Critics' Top Pick of 2021 Wall Street Journal 10 Best Books of 2021 Time Magazine 100 Must-Read Books of 2021 Publishers Weekly Top Ten Books of 2021 An Economist Best Book of the Year A New York Post Best Book of the Year A Milwaukee Journal Sentinel Best Book of the Year Oprah Daily Best New Books of August A New York Public Library Book of the Week In this "stunning literary achievement," Donner chronicles the extraordinary life and brutal death of her great-great-aunt Mildred Harnack, the American leader of one of the largest underground resistance groups in Germany during WWII—"a page-turner story of espionage, love and betrayal" (Kai Bird, winner of the Pulitzer Prize for Biography) Born and raised in Milwaukee, Mildred Harnack was twenty-six when she enrolled in a PhD program in Germany and witnessed the meteoric rise of the Nazi party. In 1932, she began holding secret meetings in her apartment—a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She recruited working-class Germans into the resistance, helped Jews escape, plotted acts of sabotage, and collaborated in writing leaflets that denounced Hitler and called for revolution. Her coconspirators circulated through Berlin under the cover of night, slipping the leaflets into mailboxes, public restrooms, phone booths. When the first shots of the Second World

War were fired, she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court, a panel of five judges sentenced her to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On February 16, 1943, she was strapped to a guillotine and beheaded. Historians identify Mildred Harnack as the only American in the leadership of the German resistance, yet her remarkable story has remained almost unknown until now. Harnack's great-great-niece Rebecca Donner draws on her extensive archival research in Germany, Russia, England, and the U.S. as well as newly uncovered documents in her family archive to produce this astonishing work of narrative nonfiction. Fusing elements of biography, real-life political thriller, and scholarly detective story, Donner brilliantly interweaves letters, diary entries, notes smuggled out of a Berlin prison, survivors' testimony, and a trove of declassified intelligence documents into a powerful, epic story, reconstructing the moral courage of an enigmatic woman nearly erased by history.

Anthem Penguin

The manager of a top investment fund discusses how individuals can make a killing in the market through research and investment techniques that confound conventional market wisdom.

Cross the Tracks e-artnow

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.
