Managerial Accounting with Student Success Package McGraw-Hill Education

"Introduction to Managerial Accounting," 5/e by Brewer/Garrison/Noreen is based on the market-leading text, "Managerial Accounting," by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; Brewer 5e has been rethought and retooled to meet the needs of the market.

Brewer 5e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced

end-of-chapter material.

Managerial Accounting McGraw-Hill/Irwin
"Business is always changing: new technologies, new models, new global competitors. And students, despite being more technologically adept every year, need a framework for all of that change so that they can hit the ground running in their careers. To keep up, managers must be able to interpret the rapid flow of information and make the right decisions. Assisted by the tools of managerial accounting, and by managerial accounting professionals, managers will work side by side in global, cross-functional teams to make the complex decisions that today's dynamic business environment requires of them. The goal of *Managerial Accounting* is to acquaint students of business with the fundamental tools of managerial decision making and to provide a context for understanding and reacting to the dramatic ways in which business is changing. The emphasis throughout the text is on using accounting information to help manage an organization, while explaining concepts in a way that students can relate to. They should not only be able to produce accounting information, but also understand how managers are likely to use and react to the information in a range of businesses"--

"Financial & Managerial Accounting was the FIRST text to illustrate Balance Sheet and Income Statement transactions using the four-step process described below. This hallmark coverage has been further revised and refined in the 20th edition. The Williams team breaks down the Accounting Cycle into three full chapters to help students absorb and understand this material: recording entries (Chapter 3), adjusting entries (Chapter 4), and closing entries (Chapter 5).

Transactions are demonstrated visually to help students conquer recording transactions by showing the four steps in the process:"--

This book identifies the three functions managers must perform within their organisations-plan operations, control activities, and make decisions-and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide -

making them both of high quality and extremely consistent with the textbook.
