"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, *A Prayer Journal* is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear

God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, *Wise Blood*, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, *A Prayer Journal* is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.

BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten." —*Esquire*

Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures

his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. A Gathering of Old Men Kensington Books Flannery O'Connor once noted, "The presence alone of Faulkner in our midst makes a great difference in what the writer can and cannot permit himself to do. Nobody wants his mule and wagon stalled on the same track the Dixie Limited is roaring down." Her railroading metaphor wittily captures much of the respect and unease Faulkner's example brought the worldwide community of authors. Few other writers have exerted as profound an influence on literature as Faulkner. Prominent literary scholar M. Thomas Inge documents the scope of his influence in the twentieth century through the words of those writers themselves. This collection of essays offers a survey attempting to capture exactly what Faulkner meant to his literary peers and colleagues both in the United States and abroad. Inge has combed essays, articles, reviews, letters, and comments written by over forty novelists, poets, and playwrights about Faulkner's fiction and the power of his literary accomplishment. Many major American writers sound off here, as well as important figures from France, England, Japan, and South America. Some speak about his technical virtuosity and how this expertise has directly influenced them, and others express the difficulties of trying to escape his example. A few even criticize him for what they see as artistic failures. The variety of responses demonstrate, in any case, that Faulkner created an unavoidable power in his own time and remains a permanent force in literature. Dead Until Dark Mystery and Manners The study of Christian ethics in North America has been profoundly influenced during this century by the work of H. Richard Niebuhr. That influence is felt nowhere as keenly as in the widespread use of his classic text, *Christ and Culture*. Yet certain central flaws exist in Niebuhr's work on Christ and culture, particularly in its lack of concrete norms for the church's transformative engagement with the world. Scholars have

long realized that further work must be done in this area if the church is to speak the word of the gospel adequately in the midst of a pluralistic and changing culture. In this book, Glen H. Stassen, D. M. Yeager, and John Howard Yoder push Christian ethical reflection beyond Niebuhr by offering an analysis and critique of Niebuhr's well-known fivefold typology of the relation of Christ to culture. They wrestle with the issue of how the actual, working church goes about being an agent of the transformation of culture. Unlike Niebuhr, whose description of the transformationist ideal had little grounding in the concrete existence of the church, the authors reflect on those practices through which congregations seek both to embody faithfulness to Jesus Christ and to be the church in their culture. As a prologue to this analytical and constructive task, the volume contains a previously unpublished essay by H. Richard Niebuhr, "Types of Christian Ethics," in which he laid out the framework of the typology he would later expand in *Christ and Culture*.

Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, Fleishman's *Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. **Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book**
