Focusing on the art and literary form of manga, this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization. Through contributions from leading scholars in the fields of comics and Japanese culture, it describes "manga culture" in two ways: as a fundamentally hybrid culture comprised of both subcultures and transcultures, and as an aesthetic culture which has eluded modernist notions of art, originality, and authorship. The latter is demonstrated in a special focus on the best-selling manga franchise, NARUTO.

Kel will not allow this first test to be her last. Her adventure begins in the New York Times bestselling series from the fantasy author who is a legend herself: TAMORA PIERCE.

Keladry of Mindelan is the first girl who dares to take advantage of a new rule in Tortall—one that allows females to train for knighthood. After years in the Yamani Islands, she knows that women can be warriors, and now that she's returned home, Kel is determined to achieve her goal. She believes she is ready for the traditional hazing and grueling schedule of a page. But standing in Kel's way is Lord Wyldon. The training master is dead set against girls becoming knights. He says she must pass a one-year trial that no male page has ever had to

endure. It's just one more way to separate Kel from her fellow trainees. But she is not to be underestimated. She will fight to succeed, even when the test is unfair. More timely than ever, the Protector of the Small series is Anti-Bullying 101 while also touching on issues of bravery, friendship, and dealing humanely with refugees against a backdrop of an action-packed fantasy adventure. "Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration.
