Does science discredit the Bible, God, religious faith? Absolutely not, says Dr. Michael Guillen, former Harvard physics instructor and Emmy-winning ABC News Science Editor. In *Amazing Truths*, he uses his entertaining, down-to-earth storytelling skills to reveal ten astonishing truths affirmed by both ancient Scripture and modern science that answer some of our biggest questions: Can faith really move mountains? Does absolute truth exist? Are humans truly unique? Is it possible to communicate with God? How much about the universe do we actually know? How could Jesus have been fully man and fully God? In *Amazing Truths*, Dr. Guillen explains that faith is not some outdated way of thinking. Faith is a necessary part of science, Christianity, and any intelligent,

comprehensive, coherent worldview--vastly more powerful than even logic.

Amazing Truths will expand your mind and bolster your faith. You will see for yourself what Dr. Guillen, a theoretical physicist and devout Christian, has discovered in a lifetime of serious exploration--that science and faith are not at odds. In fact, they're the ultimate power couple.

Who Says You Have to Attend Seminary to Learn Greek?

Reading the New Testament in its original language is one of the most effective ways to gain a greater understanding of the message of the Bible. Even though Greek is important to preparation for preaching and teaching, many who are called to ministry will not be able to dedicate years of study to master the language. But a lack of mastery of Greek should not exclude us from gleaning important insight and inspiration from reading Scripture in its original language. Now pastors, Bible study instructors, Sunday

school teachers, and serious lay students of the Bible can learn the basics of biblical Greek at their own pace. Greek for Everyone explains how the Greek language works and introduces the Greek alphabet, pronunciation, vocabulary, and grammar, equipping readers to understand the original meaning of the New Testament. By focusing on the takeaways that most impact interpretation, this accessible book provides a working knowledge of biblical Greek for the study of Scripture.

Beginning with New Testament Greek Bloomsbury Publishing

This teaching grammar on Ugaritic---Basics of Ancient Ugaritic by Michael Williams---begins with the alphabet, and each new lesson builds on the ones before it. Each chapter concludes with a set of exercises that enables students to know whether he or she is grasping the fundamentals of the language.

Elementary Bible & English Grammar (Teacher Guide)
Eisenbrauns

Answers to the most common questions and misconceptions about the Bible Seven Things I Wish Christians Knew about the Bible is a short and readable introduction to the Bible—its origins, interpretation, truthfulness, and authority. Bible scholar, prolific author, and Anglican minister Michael Bird helps Christians understand seven important "things" about this unique book: how the Bible was put together; what "inspiration" means; how the Bible is true; why the Bible needs to be rooted in history; why literal interpretation is not always the best interpretation; how the Bible gives us knowledge, faith, love, and hope; and how Jesus Christ is the center of the Bible. Seven Things presents a clear and understandable evangelical account of the Bible's inspiration, canonization, significance,

and relevance in a way that is irenic and compelling. It is a must read for any serious Bible reader who desires an informed and mature view of the Bible that will enrich their faith.

Learn Spanish for Beginners Lexham Press

Meeting the need for a textbook for classroom use after first year Hebrew grammar, Waltke and O'Connor integrate the results of modern linguistic study of Hebrew and years of experience teaching the subject in this book. In addition to functioning as a teaching grammar, this work will also be widely used for reference and self-guided instruction in Hebrew beyond the first formal year. Extensive discussion and explanation of grammatical points help to sort out points blurred in introductory books. More than 3,500 Biblical Hebrew examples illustrate the points of grammar under discussion. Four indexes (Scripture, Authorities cited, Hebrew words, and Topics) provide ready access to the vast array of information found in the 40 chapters. Destined to become a classic work, this long-awaited book fills a major gap among modern publications on Biblical Hebrew.

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story, tied together by the good news about Israel's coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone

who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.

In the PowerPoint 2013 guide, you'll know the features and tools that make an impact. You'll also learn to work with photos and charts in the program.

Basics of Ancient Ugaritic Crossway

For many years, first-year Greek students have relied on James Allen Hewett's *New Testament Greek: A Beginning and Intermediate Grammar* for its straightforward approach to the fundamentals of language study. Now this trusted grammar will continue to provide beginning scholars with a solid foundation

for doing translation, exegesis, and biblical interpretation. New Testament Greek presents complex Greek grammatical concepts clearly and in terms of familiar English grammar. Each concept is then illustrated using multiple examples from the New Testament, and students apply their learning with translation exercises drawn directly from biblical text instead of artificial sentences created by grammarians. The CD-ROM included with the textbook contains powerful learning tools for vocalizing Greek, mastering new vocabulary, and identifying verb forms. Features include:

- chapters providing a foundational understanding of the basic components of language
- a linguistically informed chapter on how languages communicate meaning
- detailed explanations of complex grammatical constructions that shed light on biblical meanings
- grammatical discussions that reflect recent advances in the understanding of Greek tense and case
- vocabulary study lists based on NT word frequency
- Greek-to-English translation exercises that help students quickly build competency and confidence
- optional "Step Beyond" advanced grammar sections and English-to-Greek translation exercises
- expanded reference appendixes, including summary word charts, vocabulary lists, and a list of principal parts of common verbs
- a dictionary of all the Greek words used in the text
- a complete answer key to the translation exercises on the CD-ROM

The Only Grammar Book You'll Ever Need Adams Media

For more than a quarter of a century, as the creator and proprietor of the National Grammar Hot Line, Michael Strumpf helped thousands of callers from every corner of the globe tackle the thorniest issues

of English grammar. In *The Grammar Bible*, he answers the most common, the most insightful, and the funniest questions asked of him by students, editors, lawyers, doctors, and writers of all stripes. Professor Strumpf's unique question-and-answer sections follow concise but thorough explanations of the various elements of good grammar, from parts of speech to types of sentences; together, they comprise the ideal primer on speech and writing, showing readers how to express themselves more impressively. Whether you need a comprehensive review of the subjunctive mood or simply want to know which form of a verb to use, *The Grammar Bible* is a practical handbook that will enlighten, educate, and entertain you.

Office 2010 Library John Wiley & Sons

In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural

worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary

"This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

The Grammar of the English Tense System B&H Publishing Group

The Elements of Style William Strunk concentrated on specific questions of usage—and the cultivation of good writing—with the recommendation "Make every word tell"; hence the 17th principle of composition is the simple instruction: "Omit needless words." The book was also listed as one of the 100 best and most influential books written in English since 1923 by Time in its 2011 list.
