Doyle Brunson is one of the biggest legends of poker and author of Super System and Super System 2.. He gained legendary status by winning the world series of poker main event multiple times and has since then won 10 world series of poker bracelets.. His first poker book, Super System was (and still sort of is) considered to be the bible of poker. During its release, not many other poker books ...

Doyle Brunson's Super System 2: A Course in Power Poker [Brunson, Doyle] ... you really only need to buy Super System 2. The chapter on no-limit is essentially the same and the section on limit in the

original book is outdated because of the changes in blind/ante structure that have occurred over the years.
