## Dragon Age: Asunder

Macmillan

The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms, and the complex legacy of the Vikings in the present day. Bringing together experts in literature, history and heritage engagement, this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present. The diverse collection draws attention to the many roles that the Vikings play across contemporary culture: from the importance of Viking tourism, to the role of Norse

sub-cultures in the formation of local and international identities. Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to 'reception' within the discipline.

In Bioware's dark fantasy world of Thedas there are those who are willing to sacrifice their humanity for wealth and power, and those who will die to protect innocent people from them. The heroes of Thedas are often from unlikely places, some are pulled in to save the day by an odd string of fate, others seek adventure out on their own. These are their stories. The lonely king Alistair seeks out his father who was "lost at sea" fifteen years prior,

---

but now he has a reason to think the old king is still alive. With the help of his friends, Varric the silver tongued Dwarven rogue and Isabella the legendary pirate, Alistair just may find out what happened to his father. The small party will face down assassins, dragons, Qunari elites, corrupted mages and more in their epic quest. As a great cataclysm causes a rift in the sky to tear open, two mercenaries find themselves pulled into fighting alongside the Inquisition against eldritch horrors from the Fade and monstrous soldiers corrupted by red lyrium. Meanwhile, across the sea, in Kirkwall, a drunken knight and his deft squire stumble upon a nefarious plot to steal a priceless relic. Their best solution: steal it first. This will be a must have collection for Dragon Age fans everywhere. Collects Dragon Age: The Silent

Grove #1-6, Dragon Age: Those Who Speak #1-3, Dragon Age: Until We Sleep #1-3, Dragon Age: Magekiller #1-5, and Dragon Age: Knight Errant #1-5.
