A companion to DRAGONOLOGY, MONSTEROLOGY is a study of the many supposedly mythical beasts that inhabit our world. Although dragon science and the conservation and protection of dragons was Dr. Ernest Drake's vocation, this newly discovered book reveals that the great dragonologist spent his leisure time studying and researching many other creatures. Hitherto derided and feared as 'monsters' Dr. Drake is keen to show that these little-known beasts must also be studied and understood rather than shunned.
