Arms and the Man SAGE Publications

The old, converted vegetable shop where Tillie lives is more like a madhouse than a home. Tillie's mother, Beatrice, is bitter and cruel, yet desperate for her daughters' love. Her sister, Ruth, suffers epileptic fits and sneaks cigarettes every chance she gets. In the midst of chaos, Tillie struggles to keep her focus and dreams alive. Tillie -- keeper of rabbits, dreamer of atoms, true believer in life, hope, and the effect of gamma rays on man-in-the-moon marigolds.

Pygmalion Illustrated Penn State University Press

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by George Bernard Shaw, who is second only to Shakespeare in the eyes of British tradition. Titles in this study guide include Arms and the Man, Caesar and Cleopatra, Man and Superman, Major Barbara, Pygmalion, Saint Joan, Candida, The Devil's Disciple, The Man of Destiny, Misalliance, Androcles and the Lion, and Heartbreak House. As a playwright of the early twentieth century, George Barnard Shaw became a prominent figure in revolutionizing comedic drama. Moreover, his reinvigoration of the comedy of manners, drama of moral passion, and symbolic farce helped mold the theatre in his time and beyond. This Bright Notes Study Guide explores the context and history of George Bernard Shaw ' s classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

A great deal of scholarship has too often juxtaposed scholasticism and piety, resulting in misunderstandings of the relationship between Protestant churches of the early modern era and the theology taught in their schools. But

more recent scholarship, especially conducted by Richard A. Muller over the last number of decades, has remapped the lines of continuity and discontinuity in the relation of church and school. This research has produced a more methodologically nuanced and historically accurate representation of church and school in early modern Protestantism. Written by leading scholars of early modern Protestant theology and history and based on research using the most relevant original sources, this collection seeks to broaden our understanding of how and why clergy were educated to serve the church. Contributors include: Yuzo Adhinarta, Willem van Asselt, Irena Backus, Jordan J. Ballor, J. Mark Beach, Andreas Beck, Joel R. Beeke, Lyle D. Bierma, Raymond A. Blacketer, James E. Bradley, Dariusz M. Bryko, Amy Nelson Burnett, Emidio Campi, Heber Carlos de Campos Jr, Kiven Choy, R. Scott Clark, Paul Fields, John V. Fesko, Paul Fields, W. Church and School in Early Modern Protestantism e-artnow

This beautifully illustrated eBook edition of "PYGMALION" has been formatted to the highest digital standards and adjusted for readability on all devices. Excerpt: "It is impossible for an Englishman to open his mouth without making some other Englishman hate or despise him." (Pygmalion, Preface) Named after a Greek mythological character the play was first presented on stage to the public in 1913. In ancient Greek mythology, Pygmalion fell in love with one of his sculptures, which then came to life. Professor of phonetics Henry Higgins makes a bet that he can train a bedraggled Cockney flower girl, Eliza Doolittle, to pass for a duchess at an ambassador's garden party by teaching her to assume a veneer of gentility, the most important element of which, he believes, is impeccable speech. The play is a sharp lampoon of the rigid British class system of the day and a commentary on women's independence and has been successfully adapted into a motion picture and a musical comedy. George Bernard Shaw (1856 - 1950) was an Irish playwright, essayist, novelist and short story writer and wrote more than 60 plays. He is the only person to have been awarded both a Nobel Prize in Literature (1925) and an Academy Award (1938).

The text of the Broadway musical adapted from George Bernard Shaw's Pygmalion.

The Devil's Disciple Samuel French, Inc.

A comprehensive study guide offering in-depth explanation, essay, and test prep for George Bernard Shaw's Pygmalion, a didactic play written with the purpose to teach the audience. As a play of the early-twentieth century, its story and relevance continues to play out in modern movies, musicals, and movie musicals. Moreover, Pygmalion's success can be attributed to its challenging of a universal truth that in the English-speaking world, there seems to be only one "sufficient" way to speak it. This Bright Notes Study Guide explores the context and history of George Bernard Shaw's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Educated Penguin

The Birthmark deals with the husband's deeply negative obsession of his wife's outer appearances and

what does that entail for these two young couples. The birthmark represents various things throughout the story. Two of the main representations are imperfection and mortality. American novelist and short story writer Nathaniel Hawthorne's (1804 – 1864) writing centers on New England, many works featuring moral allegories with a Puritan inspiration. Hawthorne has also written a few poems which many people are not aware of. His works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity.

Theophilus and the Theory and Practice of Medieval Art Human Kinetics

In this study of the rare twelfth-century treatise *On Diverse Arts*, Heidi C. Gearhart explores the unique system of values that guided artists of the High Middle Ages as they created their works. Written in northern Germany by a monk known only by the pseudonym Theophilus, *On Diverse Arts* is the only known complete tract on art to survive from the period. It contains three books, each with a richly religious prologue, describing the arts of painting, glass, and metalwork. Gearhart places this one-of-a-kind treatise in context alongside works by other monastic and literary thinkers of the time and presents a new reading of the text itself. Examining the earliest manuscripts, she reveals a carefully ordered, sophisticated work that aligns the making of art with the virtues of a spiritual life. *On Diverse Arts*, Gearhart shows, articulated a distinctly medieval theory of art that accounted for the entire process of production—from thought and preparation to the acquisition of material, the execution of work, the creation of form, and the practice of seeing. An important new perspective on one of the most significant texts in art history and the first study of its kind available in English, *Theophilus and the Theory and Practice of Medieval Art* provides fresh insight into the principles and values of medieval art making. Scholars of art history, medieval studies, and Christianity will find Gearhart's book especially edifying and valuable.

Gender Issues in Pygmalion and the Importance of Being Earnest Random House

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

Saint Joan Illustrated Gale, Cengage Learning

Dedicated to Bernard F. Burgunder, eminent collector of Shaviana, SHAW 20 continues "Mr. B's" legacy by making available new bibliographic information on Shaw, his translations, and major research sources, along with two unpublished Shaw pieces. Representing a prodigious amount of research by a number of people, the volume provides extensive, previously unavailable information that is invaluable to the continuing study of Shaw and his works. Featured is Dan H. Laurence's "A Supplement to Bernard Shaw: A Bibliography," the first update to be published since Laurence's original publication in 1983 (Soho Bibliographies). Extending his original publication, Laurence faithfully follows the format and style of the Soho edition, provides useful cross-references

to the 1983 edition, and includes a selective index. "A Supplement. . ." makes as current as possible information relating to the publishing history of Shaw's works in English. Also invaluable to scholarship, but not often seen in publication, is the series of investigatory reports, eleven in all, on the history and holdings of major Shaw research sources, written by equally major Shaw scholars, and spanning four nations: England, Ireland, Canada, and the United States. Prominent among the articles is an extensive report by James Tyler on the Burgunder Collection at Cornell University. Beyond these enticing collections is a listing of additional research sources at the end of the section. Last but hardly least is the bibliography of Shaw's translations in ten major languages and an article on Shaw and his translators by Fred D. Crawford, completed by Dan H. Laurence. Culling the history of translations of Shaw's works in distant countries and in various languages, the bibliography gathers hitherto unavailable publication data, transliterated to English. Preceding the bibliography is a fascinating article on the interactions, intrigues, and inconsistencies that surrounded Shaw's relations with his translators. Given the multiple, complex issues involved, the article invites further research on Shaw's translations as much as it provides a basis for such scholarship. Additionally, "Bernard Shaw's Further Letters to Siegfried Trebitsch," edited by Samuel A. Weiss, provides evidence, beyond Weiss's fine book-length edition, of the evolution of a relationship between Shaw and his German translator, particularly in the face of World War II enmities between their respective countries and Trebitsch's continued, if at times ill-managed, efforts to put Shaw on the German stage and in the German heart. In Shaw's "A Devil of a Fellow: Self-Criticism," originally published in a German translation by Trebitsch but published in this volume for the first time in its original English text, we hear Shaw "troubling" the Viennese about his introduction "as a dramatic poet to the German-speaking peoples." Shaw explains easily: "I never resist a man who is in earnest." The man was Siegfried Trebitsch. Also included are corrections and additions to the Collected Letters 1926-1950 by Dan H. Laurence, a review of Leon Hugo's Edwardian Shaw, and John R. Pfeiffer's "Continuing Checklist of Shaviana."

Vocabulary Study Routledge

"Saint Joan is a play by George Bernard Shaw about 15th-century French military figure Joan of Arc. Premiering in 1923, three years after her canonization by the Roman Catholic Church, the play reflects Shaw's belief that the people involved in Joan's trial acted according to what they thought was right. He wrote in his preface to the play: There are no villains in the piece. Crime, like disease, is not interesting: it is something to be done away with by general consent, and that is all [there is] about it. It is what men do at their best, with good intentions, and what normal men and women find that they must and will do in spite of their intentions, that really concern us

Man and Superman Samuel French, Inc.

Miss Saigon (PVG) Cambridge University Press

In Science in the Vanished Miguel de As ú a provides the first modern comprehensive account of Jesuit science in the missions of Paraguay and the River Plate region during the 17th and 18th centuries. Focusing on individual Jesuits and underlining the relationships of their work to the religious goals of the Society of Jesus, the book covers the disciplines of natural history, cartography, medical botany, astronomy and the topics pursued by the former missionaries in their Italian exile. Based on many so far unexplored manuscripts and a vast corpus of primary

sources, the book argues the existence of a tradition of research on nature consistent with universal Jesuit science and at the same time original in its articulation of Western learning and aboriginal lore on nature.

Adult-study Guide Harper Collins

This student-friendly introduction to the field focuses on understanding social and practical problems and developing intervention strategies to address them. Offering a balance of theory, research, and application, the updated Third Edition includes the latest research, as well as new, detailed examples of qualitative research throughout.

Science in the Vanished Arcadia BRILL

Mr. Whitefield has recently died, and his will indicates that his daughter Ann should be left in the care of two men, Roebuck Ramsden and Jack Tanner. Ramsden, a venerable old man, distrusts John Tanner, an eloquent youth with revolutionary ideas, saying "He is prodigiously fluent of speech, restless, excitable (mark the snorting nostril and the restless blue eye, just the thirty-secondth of an inch too wide open), possibly a little mad". In spite of what Ramsden says, Ann accepts Tanner as her guardian, though Tanner doesn't want the position at all. She also challenges Tanner's revolutionary beliefs with her own ideas. Despite Tanner's professed dedication to anarchy, he is unable to disarm Ann's charm, and she ultimately persuades him to marry her, choosing him over her more persistent suitor, a young man named Octavius Robinson.

Bibliographical Shaw Good Press

Educating Rita, about a working-class Liverpool girl's hunger for education, is 'simply a marvellous play, painfully funny and passionately serious; a hilarious social documentary; a fairy-tale with a quizzical, half-happy ending.' Sunday Times Educating Rita premiered at the RSC Warehouse, London, in June 1980. Voted Best Comedy of 1980, it was subsequently made into a highly successful film with Michael Caine and Julie Walters.
