The Mead Primary Draw & Write Journal is by far the best of this style. The paper quality is much nicer than the Top Flight brand, plus 20 additional sheets. Top Flight paper is super thin just as noted in the comments. Also, I did purchase a Lakeshore Draw & Write journal and that one is spiral bound, paper 60lb. and bright white.

They're small enough to keep in a folder, and can be used for any subject. A great way to inspire creative writing and get students to practice their handwriting, too! <!--

Draw and Journal Pages Our children have always love the drawing and writing journals that we pick up every year.

The only thing that's hard is having them inside a journal book. There are many times that I like to include them in a lapbook we are working on or as part of another project we make.
