A gift package that includes an informational book and companion sketchpad featuring prompts and drawings to get you started.

Water Paper Paint Quarry Books

Mixed media in all its forms—not just traditional two-dimensional, paper-based collage but three-dimensional pieces that include fiber, fabric, a variety of embellishments, found objects, and even repurposed and recycled materials—offers artists an opportunity to move freely across the boundaries of art, craft, painting, quilting, and collage. In *Adventures in Mixed Media*, Jane Davies shows you how to use this art form to enrich your creative expression. In lessons that inspire creativity, Jane demonstrates a variety of techniques using paper, fabric, embellishments such as beads, feathers, and ribbons, fusible and nonfusible fibers, and even foamcore. Books, bags, mini-quilts, personal shrines, and paper dolls are just some of the projects inside—and of course Jane emphasizes ways to

incorporate photos and other personal memorabilia and details into your art. Whether you are a beginner and want to start with techniques like “scribble painting” or “basic collage,” or an expert collage artist eager to learn new uses for familiar materials, this is the book to guide your creative explorations in collage and mixed media.

The Cloth Paper Scissors Book St. Martin's Press

A wide range of techniques borrowed from both traditional and digital art has recently begun to blend into one art form, known as altered art. *The Complete Guide to Altered Imagery* is the only book currently on the market that provides fascinating tips and creative ideas solely focused on this new form of art. An in-depth discussion manipulation techniques is supplied, making this an essential handbook for all artists and crafters looking for creative ways to alter and enhance various types of imagery in new and traditional ways, and then to integrate this altered art into their work.

The Spiritual Child Princeton Architectural Press

Paint Lab for Kids is an inspiring collection of 52 fresh, kid-friendly projects for nurturing an artistic spirit and a love of art through working and playing with paint. Paint Mojo - A Mixed-Media Workshop Walter Foster Jr

Where paint, paper, fabric, metal, and wax all come to play! Uncover the very best articles and projects

from Cloth Paper Scissors magazine. Editor Barbara Delaney has assembled a gold mine of hands-on inspiration and ideas for mixed-media artists of all types. Explore the exciting worlds of collage, journaling, encaustic, printing, assemblage, and more. Learn how to make interesting surface designs with Beryl Taylor, how to keep a uniquely-you sketchbook with Jane LaFazio, and how to transform a basic photograph into a whimsical wonder with Kelly Nina Perkins. The only rule in this mixed-media guide is that there are no rules. In addition to the tips and techniques, the experts elaborate on their favorite tools and mediums, including paintbrushes, adhesives, papers, waxes, found objects, and more, taking the guesswork out of achieving tricky effects. Perfect for all skill levels, The Cloth Paper Scissors Book showcases inspiring projects for both those who are new to the world of mixed media and those who already love mixed media and are looking for exciting new ideas.

Drawing Lab Art Pack The Rosen Publishing

Group, Inc

Create the very best mixed media with 52 inspiring exercises! Strengthening your understanding and use of color will make your mixed-media art shine as you complete 52 labs that span painting, collage, drawing, assemblage and more. In *Color Lab for Mixed Media Artists*, color is explored through multiple lenses-nature, history, psychology, expression-as you work through 52 exciting and approachable projects that explore the infinite potential of the chromatic experience. Artist and color-theory expert Deborah Forman provides you with techniques and instruction. These materials and labs focus primarily on paint and collage, along with experimental projects for book making, sculpture and installation. Work your way through the color spectrum, using the steady beat of color as the guiding framework. Don't be intimidated by

color--understand how it works, what shade, tint, and pure color will work for your project, and how to select, mix, or pair colors. When you're done, you'll have 52 personal, meaningful, outstanding, and colorful projects and the inspiration to create many more! "Deb Forman's book is a welcome addition to my studio book shelf. The exercises provide the novice with valuable information on techniques and materials combined with the confidence to explore their own intuitive creative path. For the experienced artist the exercises offer an opportunity to engage with familiar painting mediums in fresh new ways. I would recommend this book both to novice artists just starting out and established artists seeking to reinvigorate their studio practice." - Neal Walsh, Painter and Gallery Director at AS220 "Deborah Forman is a fantastic teacher. She is able to bring her myriad talents to bear in

the classroom by transmitting the joy and pleasure she takes in her own artistic practice to her students, who are at many different points in their own creative journeys. She is incredibly generous with her ideas, and honors the integrity of all of her students by encouraging experimentation, tenacity, and compassion as they develop their own skills as artists." - Dr. Karen Carr, Humanities Professor, RISD "Deborah Forman's Color Theory course was inspiring, exciting and informative. She encouraged her students to push their experimentation with color to the limits which resulted in beautiful palettes that I never dreamed I could create. Overall, this class was a wonderful experience and gave me great insight as to which direction I want to take with my own artwork. â €  - former student Art Lab for Kids Quarto Publishing Group USA

Inspired by artist Tamara Laporte ' s popular online art classes (willowing.org), Create Your Life Book presents 18 step-by-step mixed-media drawing and painting projects that encourage self-fulfillment through the creative process. Tamara ' s kind, non-judgmental voice guides your way. What is holding you back? Where do you want to go? Let go of the past! Use these expressive exercises to help you recognize your personal challenges and other obstacles, then work through them. Let go of limiting beliefs, find courage, feel gratitude, heal pain, and develop self-love as you playfully create. Each themed chapter presents four to five two-part projects. First, you will explore a common issue that hampers creativity and/or positive self-worth. The second portion is a step-by-step mixed-media

art project designed to help you work through that issue. Just a few of the explorations: Let go of what no longer serves you by taking stock of what 's holding you back, then create a zentangle butterfly to symbolize you flying away from those limiting things. Embrace and love your inner quirky bird by taking an inventory of your quirky traits, then create a bird that celebrates them. Heal old wounds by writing a letter to yourself as a child, then create a house to keep your inner child safe. Adding rich variety to the messages and art inspiration, some of the project outlines have been contributed by Tamara's guest teachers: Roxanne Coble, Andrea Gomoll, Alena Hennessy, Mystele Kirkeeng, Ivy Newport, and Effy Wild, each of whom are noted mixed-media artists in their own right. The final chapter presents a simple binding method for creating a keepsake book of your Life Book projects. Steeped in inspirational images and uplifting affirmations, *Create Your Life Book* can help you achieve both personal and creative growth.
