Create Your Life Book Quarry Books

Paint Lab is packed with unique and experimental techniques and ideas in painting. This hands-on book is organized into 52 units, which may, but don't need to be explored on a weekly basis. The labs can be worked on in any order, so that you can flip around to learn a new mixed-media technique or be inspired by a particular painting theme or application. The underlying message of this book is that, as an artist, you should learn and gain expertise through experimentation and play. There is no right or wrong result, rather you will find new forms of expression in your work and gain confidence in your skills. Designed to inform and inspire new artists and rekindle passion for painting in experienced artists, this book offers a range of exercises broken down by theme: Who (artist-inspired), What (tools and materials), When (a time-based concept), Where (a sense of place), and How (inspired by a technique or method). Paint Lab is illustrated with brilliant full-color images and multiple examples of each exercise. This book offers you a visual, non-linear approach to learning painting techniques, and reinforces a fun and fearless approach to creating art.

Drawing Lab Kit Lab

A gift package that includes an informational book and companion sketchpad featuring prompts and drawings to get you started.

Art Lab for Kids St. Martin's Press

Whether you have experience drawing or are completely new to it, this exciting workshop-style book provides practical, inspiring, and creative exercises which will expand your drawing skills and provide a framework for integrating illustration with other mixed-media techniques. With a focus on drawing what you love and what is familiar, you will be led through the development of several illustration exercises, which launch from jotted notes and eventually blossom into unique mixed-media creations. You will become familiar with a wide variety of media and approaches to drawing, learn how to work through "creative blocks," and discover ways to scan and layer your illustrations using a computer.

Paint Lab for Kids Penguin

Chefs prepare excellent meals. Olympians train to be the best in their sports. Astronauts pilot big spaceships and wear space suits. These are just a few of the people readers learn to draw as they follow step-by-step instructions and look at colorful images of each finished product. Facts about a variety of careers are presented to readers in a creative way as they practice their drawing skills. Helpful sketches guide aspiring artists through the drawing process, so they can create their own amazing works of art!

Creative Photography Lab Lab

A practical and inspirational guide to help embroiderers and textile artists make the most of sketchbooks to inform their creative work. The artist's sketchbook offers an exciting platform to explore a host of mixed media techniques. Using a combination of paper, textiles, found objects, pencil, ink and paint, Shelley Rhodes shows how a sketchbook can act as an illustrated diary, a visual catalogue of a journey or experience or as a starting point for more developed work. Whether out on location or in the studio, Rhodes explores every stage of the creative process, from initial inspiration to overcoming the fear of a blank page, manipulating paper and images and incorporating 'found' objects to build a sketchbook that is both beautiful and inspiring. Sketchbook Explorations is the ideal companion for everyone from the beginner to the more experienced artist looking for exciting techniques to expand their repertoire in mixed media. The book explores: Why work in sketchbooks? The importance and joy of working in a sketchbook. Ways of recording and investigating ideas that inspire. Techniques in mixed media from found objects and layers to three-dimensional sketching. Creating on location. Using electronic devices to develop ideas.

Drawing Lab for Mixed-Media Artists Walter Foster

This book is not only for "painters" but for all types

of creative individuals who want to experience and play with watercolor, whether their background is mixed-media, textile art, journaling, or paper craft. Unlike the typical watercolor text books, this unique, beautiful volume is a field book of inspiration, creative ideas, how to's, and projects, all from an artist's perspective. Each creative exercise features a technique, shows step-by-step photographs, and includes a clever idea for a gift or project that can be made from the painted samples.

The Cloth Paper Scissors Book Quarry Books  
Mixed media in all its forms—not just traditional two-dimensional, paper-based collage but three-dimensional pieces that include fiber, fabric, a variety of embellishments, found objects, and even repurposed and recycled materials—offers artists an opportunity to move freely across the boundaries of art, craft, painting, quilting, and collage. In *Adventures in Mixed Media*, Jane Davies shows you how to use this art form to enrich your creative expression. In lessons that inspire creativity, Jane demonstrates a variety of techniques using paper, fabric, embellishments such as beads, feathers, and ribbons, fusible and nonfusible fibers, and even foamcore. Books, bags, mini-quilts, personal shrines, and paper dolls are just some of the projects inside—and of course Jane emphasizes ways to incorporate photos and other personal memorabilia and details into your art. Whether you are a beginner and want to start with techniques like “scribble painting” or “basic collage,” or an expert collage artist eager to learn new uses for familiar materials, this is the book to guide your creative explorations in collage and mixed media.

#### Drawing Lab Art Pack Lab for Kids
