"Tony Ballantyne's sixth novel, Dream London, is one of those unclassifiable gems that crop up from time to time. London is transforming into a quasi-Victorian nightmare of instant gratification. One man, Captain James Wedderburn - pimp, egotist and arch manipulator - is charged by the mysterious Cartel to find out who or what might be responsible.

Dream London by Tony Ballantyne gives us one such character, Captain Jim Wedderburn. For much of the book he resides in the flimsy character-building state that all books require a character to start off in - that place where their actions, quirks, thoughts, and personality begin to describe the sort of character they will turn out to be by the end.

Dream London Tony Ballantyne

Tony Ballantyne's " Dream London (The Dream World Book 1) " is a tale of two halves. Well, 60/40, anyway :). The first 60% of the book is really

well done and interesting. The setting is amazing, the characters interesting and well-developed, and the plot is completely different. *Tony Ballantyne (Author of Dream London) - Goodreads*
The bedroom door was locked, but things change in Dream London. I scanned the dim room through half closed eyes. The ceiling was a little taller, the room a little narrower than when I went to sleep. Ever so slowly, I slipped my hand under the pillow and found my knife, still the same knife, still in the same place.

Tony Ballantyne - Wikipedia

Tony Ballantyne brings us a rather unusual tale in his urban oddity, Dream London. Here, we enter a world where the famed city is no longer recognizable, as every night, the city changes, houses and buildings growing and twisting, the streets moving into new formations, and every day people wake up a little different.
