The Man-Kzin Wars Simon and Schuster
Acclaimed writing pair Larry Niven and Jerry Pournelle offer a new twist on Dante's classic tale, *Inferno*. After being thrown out the window of his luxury apartment, science fiction writer Allen Carpentier wakes to find himself at the gates of hell. Feeling he's landed in a great opportunity for a book, he attempts to follow Dante's road map. Determined to meet Satan himself, Carpentier treks through the Nine Layers of Hell led by Benito Mussolini, and encounters countless mental and physical tortures. As he struggles to escape, he's taken through new, puzzling, and outlandish versions of sin—recast for the present day. Centuries in the future, Francis Sandow is the only man alive who was born as long ago as the 20th century. His body is kept young and in perfect health by advanced scientific methods; he has amassed such a fortune that he can own entire planets; and he has become a god. No, not a god of Earth, but one of the pantheon of the alien Pei'ans: he is Shimbo of Darktree, Shrugger of Thunders. Yet he doesn't believe that his personality has merged with the ancient consciousness of Shimbo, that he really can call down the skies upon his enemies. The time comes, however, when Francis Sandow must use

these powers against the most dangerous antagonist in the universe: another Pei'an god -- Shimbo's own enemy, Belion. And Belion has no doubt whatever of his own powers.... IT ALL HAPPENED SO FAST One minute the two space Hab astronauts were scooping the atmosphere, the next they'd been

shot down over the North Dakota Glacier and were the object of a massive manhunt by the United States government. That government, dedicated to saving the environment from the evils of technology, had been voted into power because everybody knew that the Green House Effect had to be controlled, whatever the cost. But who would have thought that the cost of ending pollution would include not only total government control of day-to-day life, but the onset of a new Ice Age Stranded in the anti-technological heartland of America, paralyzed by Earth's gravity, the "Angels" had no way back to the

 LARRY NIVEN’S
 KNOWN SPACE IS
 AFLAME WITH WAR!
 Once upon a time, in the

very earliest days of interplanetary exploration, an unarmed human vessel was set upon by a warship from the planet Kzin—home of the fiercest warriors in Known Space. This was a fatal mistake for the Kzinti, of course; they learned the hard way that the reason humanity had decided to study war no more was that humans were so very, very good at it. And thus began THE MAN-KZIN WARS. Now, several centuries later, the Kzinti are about to get yet another lesson in why it pays to be polite to those hairless monkeys from planet Earth.

A special commemoration of this long-running themed science fiction anthology edited by multiple #1 best seller, Larry Niven. Here is the 25th anniversary edition of the original volume that started it all. Includes an all-new introduction by Larry Niven for this re-issue of the first volume in a series that now numbers fourteen volumes and is still going strong. Larry Niven's bestselling Man-Kzin series begins! The kzin, formerly invincible conquerors of all they encountered, had a hard time dealing with their ignominious defeat by the

leaf-eating humans. Some secretly hatched schemes for a rematch, others concentrated on gathering power within the kzin hierarchy, and some shamefully cooperated with the contemptible humans, though often for hidden motives. In war and in uneasy peace, here is the first masterful volume in the Man-Kzin Wars shared universe anthology created by multiple New York Times best-seller, incomparable tale-spinner, and Nebula- and five-time Hugo-Award-winner, Larry Niven. About the Man-Kzin Wars 25th Anniversary Edition: “You can’t have any more fun in a book than this. Niven’s Known Space universe is so fertile that it’s bred this wonderful series. . . the stories are in the best Campbellian tradition of get-

it-done and use-your-head science fiction. . . If you haven’t read the Man-Kzin entries, this is the place to start because this is the place it started.”—Amazing Stories About the Man-Kzin War Series: “[The Man-Kzin Wars series is] excellent . . . gripping . . .and expands well on Larry Niven’s universe. . . .” —Locus About series creator Larry Niven: “Niven’s masterly use of SF strategies hits every note. . . .” —Los Angeles Time Fallen Angels iBooks Offered a dream job escorting a teenage heir on a fabulous moon role-playing vacation, Scotty Griffin, a personal security specialist, becomes embroiled in a violent reality game involving armed terrorists, psychological tests, and a large audience. Return to the "vivid and unusual" (Kirkus Reviews) world of Larry Niven and Jerry Pournelle's *The Burning City*, where the fire god has retreated into myth, leaving the residents of Tep's Town unprotected for the first time in their history. Unfortunately, a fiery fate isn't the only danger the town is facing. From out of the desert come monsters -- great birds with blades instead of wings, driven by some unknown force. Although they can be killed, the threat these terror birds pose is worse than death. Danger on the roads means no trade. No trade means that Tep's Town will be no more. Sent by the Lords of Lordshills to discover the source of the terror

birds, Lord Sandry and his beloved, Burning Tower, must travel into a world where magic is still strong -- and where someone or something waits to destroy them! Filled with the sweeping adventure, memorable characters, and imaginative world-building that have defined the novels of Larry Niven and Jerry Pournelle, *Burning Tower* is another triumph.

In *Bowl of Heaven*, the first collaboration by science fiction masters Larry Niven (*Ringworld*) and Gregory Benford (*Timescape*), the limits of wonder are redrawn once again as a human expedition to another star system is jeopardized by an encounter with an astonishingly immense artifact in interstellar space: a bowl-shaped structure half-englobing a star, with a habitable area equivalent to many millions of Earths...and it's on a direct path heading for the same system as the human ship. A landing party is sent to investigate the Bowl, but when the explorers are separated—one group captured by the gigantic structure's alien inhabitants, the other pursued across its strange and dangerous landscape—the mystery of the Bowl's origins and purpose propel the human

voyagers toward discoveries that will transform their understanding of their place in the universe. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
