Artless. That's what the other girls  
whisper behind her back. But  
sixteen-year-old Adeline Lewys has  
a secret: She wants to fail. Gifted  
with the ability to weave time with  
matter, she's exactly what the Guild  
is looking for, and in the world of  
Arras, being chosen to work the  
looms is everything a girl could

beauty, and being something other  
than a secretary. It also means the  
power to manipulate the very fabric

of reality. But if controlling what  
people eat, where they live, and how  
many children they have is the price  
of having it all, Adeline isn't  
interested. Not that her feelings  
matter, because she slipped and  
used her hidden talent for a moment.  
Now she has one hour to eat her  
mom's overcooked pot roast. One  
hour to listen to her sister's

transformation and becomes a mermaid. A tribe of mermaids finds Luce and welcomes her in—all of them, like her, lost girls who surrendered their humanity in the darkest moments of their lives. Luce is thrilled with her new life until she discovers the catch: the mermaids feel an uncontrollable desire to drown seafarers, using their enchanted voices to lure ships into the rocks. Luce possesses an extraordinary singing talent, which makes her important to the tribe—she may even have a shot at becoming their queen. However her struggle to retain her humanity puts her at odds with her new friends. Will Luce be pressured into committing mass murder? The first book in a trilogy, *Lost Voices* is a captivating and wildly original tale about finding a voice, the healing power of friendship, and the strength it takes to forgive.
