[Review: Dresden by Frederick Taylor | Books | The Guardian](#)

Dresden by Frederick Taylor is a very good book about the devastating bombing of Dresden in 1945. It is well-written, fast-paced and informative as well as opinionated. It also puts the bombing of Dresden in context as well as giving a short history of Saxony and the City of Dresden.

Dresden — Frederick Taylor

The bombing of Dresden remains controversial and is subject to an ongoing debate by historians and scholars regarding the moral and military justifications surrounding the event. British historian Frederick Taylor wrote of the attacks: "The destruction of Dresden has an epically tragic quality to it.

Dresde - Frederick Taylor | Planeta de Libros
Frederick Taylor (born 28 December 1947 at Aylesbury, Buckinghamshire) is a British novelist and historian specialising in modern German history.. He was educated at Aylesbury Grammar School and read History and Modern Languages at Oxford University.
