Who Moved My Cheese? HarperCollins

THE #1 INTERNATIONAL BESTSELLER

WITH OVER 28 MILLION COPIES IN

PRINT! A timeless business classic, *Who*

Moved My Cheese? uses a simple parable to
reveal profound truths about dealing with
change so that you can enjoy less stress and
more success in your work and in your life. It

would be all so easy if you had a map to the
Maze. If the same old routines worked. If

they'd just stop moving "The Cheese." But
things keep changing... Most people are fearful

of change, both personal and professional,
because they don't have any control over how
or when it happens to them. Since change
happens either to the individual or by the

individual, Dr. Spencer Johnson, the coauthor of
the multimillion bestseller *The One Minute
Manager*, uses a deceptively simple story to
show that when it comes to living in a rapidly
changing world, what matters most is your
attitude. Exploring a simple way to take the fear
and anxiety out of managing the future, *Who
Moved My Cheese?* can help you discover how
to anticipate, acknowledge, and accept change
in order to have a positive impact on your job,
your relationships, and every aspect of your life.

Get Out of the Left Lane!! Ballantine Books

A leading political analyst navigates an
unfamiliar terrain of what it means to be a
conservative in the Trump Era in *Still Right*.

Since 2016, "conservative" has come to
mean "supportive of the policies of the
Trump Administration": building his "wall,"
enacting ruinous tariffs and limiting trade,

alienating our allies and kowtowing to dictators, spending wildly, and generally doing the very opposite of what conservatism actually calls for. As a result, millions of Americans are struggling to reconcile their lifelong political identities with what their traditional political party now stands for. Rick Tyler, MSNBC's leading conservative analyst, shows they are still the ones in the right by making the case for real conservatism, one grounded in principles of liberty, the history of freedom, and simple reason. He explains why it's necessary to have a global view of the economy—and how that includes immigration. He demonstrates the need for protecting our nation with a strong military as well as protecting the planet itself. He discusses what conservatism really asks when it comes to

children, healthcare, taxes and elections. In the end he reclaims conservatism for conservatives—and proves that it's the best way forward for America.

Saunders Comprehensive Review for NCLEX-PN Random House

Two exes reach a new level of awkward when forced to take a road trip together in this endearing and humorous novel by the author of the international bestseller *The Flatshare*. What if the end of the road is just the beginning? Four years ago, Dylan and Addie fell in love under the Provence sun. Wealthy Oxford student Dylan was staying at his friend Cherry's enormous French villa; wild child Addie was spending her summer as the on-site caretaker. Two years ago, their relationship officially ended. They haven't spoken since. Today,

Dylan's and Addie's lives collide again. It's the day before Cherry's wedding, and Addie and Dylan crash cars at the start of the journey there. The car Dylan was driving is wrecked, and the wedding is in rural Scotland—he'll never get there on time by public transport. So, along with Dylan's best friend, Addie's sister, and a random guy on Facebook who needed a ride, they squeeze into a space-challenged Mini and set off across Britain. Cramped into the same space, Dylan and Addie are forced to confront the choices they made that tore them apart—and ask themselves whether that final decision was the right one after all.

In this feminist, suspenseful thriller the daughter of a con artist is taken hostage in a bank heist—and will need to tap into all her skills in order to survive. A BUSTLE, REFINERY29, COSMOPOLITAN, BUZZFEED and MARIE CLAIRE MOST ANTICIPATED BOOK of 2021 Nora O'Malley's been a lot of girls. As the daughter of a con-artist who targets criminal men, she grew up as her mother's protégé. But when her mom fell for the mark instead of conning him, Nora pulled the ultimate con: escape. For five years Nora's

been playing at normal. But she needs to dust off the skills she ditched because she has three problems: #1: Her ex walked in on her with her girlfriend. Even though they're all friends, Wes didn't know about her and Iris. #2: The morning after Wes finds them kissing, they all have to meet to deposit the fundraiser money they raised at the bank. It's a nightmare that goes from awkward to deadly, because: #3: Right after they enter the bank, two guys start robbing it. The bank robbers may be

trouble, but Nora's something else entirely. They have no idea who they're really holding hostage . . .

The Stars Beneath Our Feet

Farrar, Straus and Giroux
Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two

are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

The Silent Patient Simon and Schuster

Grasp how mobile, big data, and analytics are combining to change business processes Right Experience, Right Results: Improving Profits, Margin, and Engagement with Mobile and Big Data illustrates how businesses can use mobility, big data, and analytics to enhance or change business processes, improve margins through better insight, transform customer experiences, empower employees with real-time, actionable insight, and more. The book depicts how companies can create competitive differentiation

using mobile, cloud computing big data, and analytics to improve commerce, customer service, and communications with employees and consumers. In the past, the technologies used to deliver personalized and contextual services were either unavailable, unaffordable, or reserved solely for the consumer market. Today, however, the next wave of computing—mobile, cloud computing, big data, and analytics—has provided the foundation for businesses to create adaptive, personalized applications and services. Delivered point-of-need, these smarter services allow enterprise products and services to meet the burgeoning demand for always-connected, accurate, and

real-time information. Right Experience, Right Results: Improving Profits, Margin, and Engagement with Mobile and Big Data is your guide to the new way of doing things. The book includes: Real world examples that illustrate how companies across various industries are creating better business processes by integrating new technologies A three step action plan for getting started and overcoming obstacles An electronic checklist with numerous actions that help get you up and running with incorporating mobile, big data, and analytics A guide to drawing insight from mobile, social, and other sources to create richer experiences If you're a CEO, chief marketing officer, marketing director, or business manager, Right Experience, Right Results gives you everything you need to harness technology to breathe new life into your business. Harper Collins Offers advice on how to lead an organization into change, including establishing a sense of urgency, developing a vision and strategy, and generating short-term wins. **Reclaiming Conversation** Flatiron Books The book Lifehack calls "The Bible of business and personal productivity." crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of

their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

The Couple Next Door Penguin
This is a book written to remind today's drivers of how careless we have become while driving our vehicles and the pitfalls many of us have fallen into. Lack of courtesy, basic driving knowledge, and common sense are some of the issues that contribute to the frustrations of driving on the road today. The author has used interesting personal examples, wit and humor to illustrate some of the traits we exhibit, both good and bad, while driving a vehicle. He then makes bold recommendations on how to apply common sense in making our driving experiences safer, more efficient and more fun. Numerous pictures and illustrations help the reader to visualize scenes from their own driving experiences to which they can

relate. Cool Tips for Better Driving and a fictitious The Perfect Drive round out the excellent reading. A must read for all drivers from 16 to 96 years old.

The Maid Routledge
NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, New York Times The highly praised,

"extraordinary" (New York Times Book Review) novel about the disparate lives that intersect at a women's clinic in Boston, by New York Times bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats

are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. Mercy Street is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (New York Times), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our time.

PICK • "A heartwarming mystery with a lovable oddball at its center" (Real Simple), this cozy whodunit introduces a one-of-a-kind heroine who will steal your heart. "The reader comes to understand Molly's worldview, and to sympathize with her longing to be accepted—a quest that gives The Maid real emotional heft."—The New York Times Book Review (Editors' Choice) "Think Clue. Think page-turner."—Glamour In development as a major motion picture produced by and starring Florence Pugh Molly Gray is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could live by. Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life's complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid. Her unique character, along with her obsessive love of cleaning and proper etiquette, make her an ideal fit for the job. She delights in donning her crisp uniform each morning, stocking her cart with miniature soaps and bottles, and returning guest rooms at the Regency Grand Hotel to a state of perfection. But Molly's orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what's happening,

Molly's unusual demeanor has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black—but will they be able to find the real killer before it's too late? A Clue like, locked-room mystery and a heartwarming journey of the spirit, *The Maid* explores what it means to be the same as everyone else and yet entirely different—and reveals that all mysteries can be solved through connection to the human heart.

HAVE YOU BEEN DRINKING, SIR?
Officer Kevin Burns made a remarkable 1,590 DWI arrests in his 27-year career working for the town of Southbury, CT, from 1989 to 2016. Early in his career, fed

up with being called to accidents caused by drunk drivers, he decided to do something about it. He determined the best way to prevent such accidents was to stop drunk drivers before they crashed. "I saw DWI detection enforcement as preventing homicide/suicide/assault with a motor vehicle." Such an illustrious achievement should be celebrated by law enforcement, and Kevin Burns crowned a hero. Instead, he suffered discrimination at the hands of his department, including being unjustly accused of offenses that earned him a sixty-day suspension. Failure to Drive Right tells the stories of over one hundred of Officer Burns's more memorable DWI arrests in his career. From the lady partying

after an AA meeting to the one with bus!" But, boy, that pigeon tries a baby strapped in the backseat, every trick in the book to get in and the man driving drunk on a lawn that driving seat: he whines, tractor to the one Burns arrested wheedles, fibs and flatters. Will you let him drive? Told entirely in eight times, Burns's stories are speech bubbles, this brilliantly compelling and perhaps even original and funny picture book familiar to those from the demands audience participation! Southbury area. Burns includes a **Rich Dad, Poor Dad** Penguin chapter revealing both the details of his unjust suspension and how he missed out on a well-deserved promotion. He also debunks the myths associated with Officer Burns, and explains how to beat a DWI.

The Circle Penguin

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction:

"Don't let the pigeon drive the

Rich Dad, Poor Dad Penguin
"In a time in which the ways we communicate and connect are constantly changing, and not always for the better, Sherry Turkle provides a much needed voice of caution and reason to help explain what the f*** is going on." –Aziz Ansari, author of *Modern Romance*
Renowned media

scholar Sherry Turkle investigates how a flight from conversation undermines our relationships, creativity, and productivity—and why reclaiming face-to-face conversation can help us regain lost ground. We live in a technological universe in which we are always communicating. And yet we have sacrificed conversation for mere connection. Preeminent author and researcher Sherry Turkle has been studying digital culture for over thirty years. Long an enthusiast for its possibilities, here she investigates a troubling consequence: at work, at home, in politics, and in love, we find ways around conversation, tempted by the possibilities of a text or an email in which we don't have to look, listen, or reveal ourselves. We develop a taste for what mere connection offers. The dinner table falls silent as children compete with phones for their parents' attention. Friends learn strategies to keep conversations going when only a few people are looking up from their phones. At work, we

retreat to our screens technology should solve.
