**The Silent Patient** Flatiron Books  
AN INSTANT NEW YORK TIMES BESTSELLER  
"Provocative and appealing . . . well worth your extremely limited time." —Barbara Spindel, *The Wall Street Journal*  
The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn't enough time. We're obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and "life hacks" to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and

the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on "getting everything done," *Four Thousand Weeks* introduces readers to tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we've come to think about time aren't inescapable, unchanging truths, but choices we've made as individuals and as a society—and that we could do things differently.

—Sue Grafton It all started at  
a dinner party. . . A domestic  
suspense debut about a  
young couple and their

---

apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . Anne and Marco Conti seem to have it all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets they've kept for years. What follows is the nerve-racking unraveling of a family—a

chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist. Leading Change Penguin  
NEW YORK TIMES  
BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.” —USA Today Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their

---

world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer ' s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom ' s captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year “ Wise and wildly entertaining . . . permeated with light, wit, youth. ” —The New York Times Book Review “ A classic that we will read for years to come. ” —Jenna Bush Hager, Read with Jenna book club “ A real joyride . . . elegantly constructed and compulsively readable. ” — NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served

---

fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

MORNING AMERICA  
BOOK CLUB PICK • “ A heartwarming mystery with a lovable oddball at its center ” (Real Simple), this cozy whodunit introduces a one-of-a-kind heroine who will steal your heart. “ The reader comes to understand Molly ’ s worldview, and to sympathize with her longing to be accepted—a quest that gives *The Maid* real emotional heft. ” —The New York Times Book Review (Editors ’ Choice) “ Think *Clue*. Think page-turner. ” —Glamour

In development as a major motion picture produced by and starring Florence Pugh *Molly Gray* is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could

---

live by. Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life's complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid. Her unique character, along with her obsessive love of cleaning and proper etiquette, make her an ideal fit for the job. She delights in donning her crisp uniform each morning, stocking her cart with miniature soaps and bottles, and returning guest rooms at the Regency Grand Hotel to a state of perfection. But Molly's orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what's happening, Molly's unusual demeanor has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black—but will they be able to find the real killer before it's too late? A Clue-like, locked-room mystery and a heartwarming journey of the spirit, *The Maid* explores what it means to be the same as everyone else and yet entirely different—and reveals that all mysteries can be solved through connection to the human heart.

[In Love](#) Faber & Faber  
New York Times Bestseller An exciting--and encouraging--exploration of creativity from the author of *When: The Scientific Secrets of Perfect Timing* The future belongs to a different kind of person with a different kind of mind: artists,

---

inventors, storytellers-creative and holistic "right-brain" thinkers whose abilities mark the fault line between who gets ahead and who doesn't. Drawing on research from around the world, Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*) outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment--and reveals how to master them. *A Whole New Mind* takes readers to a daring new place, and a provocative and necessary new way of thinking about a future that's already here.

Still Right St. Martin's Press

A leading political analyst navigates an unfamiliar terrain of what it means to be a conservative in the Trump Era in *Still Right*. Since 2016, "conservative" has come to mean "supportive of the policies of the Trump Administration": building his "wall," enacting ruinous tariffs and limiting trade, alienating our allies and kowtowing to dictators, spending wildly, and generally doing the very opposite of what conservatism actually calls for. As

a result, millions of Americans are struggling to reconcile their lifelong political identities with what their traditional political party now stands for. Rick Tyler, MSNBC's leading conservative analyst, shows they are still the ones in the right by making the case for real conservatism, one grounded in principles of liberty, the history of freedom, and simple reason. He explains why it's necessary to have a global view of the economy—and how that includes immigration. He demonstrates the need for protecting our nation with a strong military as well as protecting the planet itself. He discusses what conservatism really asks when it comes to children, healthcare, taxes and elections. In the end he reclaims conservatism for conservatives—and proves that it's the best way forward for America. *Mercy Street* Simon & Schuster Books for Young Readers Soon to be a Netflix film starring Millie Bobby Brown! In this feminist, suspenseful thriller the daughter of a con artist is taken hostage in a bank heist—and will need to tap into

Nora O'Malley's been a lot of girls. As the daughter of a con-artist who targets criminal men, she grew up as her mother's protégé. But when her mom fell for the mark instead of conning him, Nora pulled the ultimate con: escape. For five years Nora's been playing at normal. But she needs to dust off the skills she ditched because she has three problems: #1: Her ex walked in on her with her girlfriend. Even though they're all friends, Wes didn't know about her and Iris. #2: The morning after Wes finds them kissing, they all have to meet to deposit the fundraiser money they raised at the bank. It's a nightmare that goes from awkward to deadly, because: #3: Right after they enter the bank, two guys start robbing it. The

Nora's something else entirely. They have no idea who they're really holding hostage . . .

Reclaiming Conversation

Random House

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study

---

interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

**DRINKING, SIR?** Officer Kevin Burns made a remarkable 1,590 DWI arrests in his 27-year career working for the town of Southbury, CT, from 1989 to 2016. Early in his career, fed up with being called to accidents caused by drunk drivers, he decided to do something about it. He determined the best way to prevent such accidents was to stop drunk drivers before they crashed. "I saw DWI detection enforcement as preventing homicide/suicide/assault with a motor vehicle." Such an illustrious achievement should be celebrated by law enforcement, and Kevin Burns crowned a hero. Instead, he suffered discrimination at the hands of his department, including being unjustly accused of offenses that earned him a sixty-day suspension. Failure

to Drive Right tells the stories of over one hundred of Officer Burns's more memorable DWI arrests in his career. From the lady partying after an AA meeting to the one with a baby strapped in the backseat, and the man driving drunk on a lawn tractor to the one Burns arrested eight times, Burns's stories are compelling and perhaps even familiar to those from the Southbury area. Burns includes a chapter revealing both the details of his unjust suspension and how he missed out on a well-deserved promotion. He also debunks the myths associated with Officer Burns, and explains how to beat a DWI. Get Out of the Left Lane!! Tate Publishing & Enterprises "The right story at the right time. . . . It ' s not just a narrative; it ' s an experience. It ' s the novel we ' ve been waiting for." —The New York Times A boy tries to

steer a safe path through the projects in Harlem in the wake of his brother ' s death in this outstanding debut novel that celebrates community and creativity. \*\* WINNER OF THE CORETTA SCOTT KING – JOHN STEPTOE AWARD FOR NEW TALENT! \*\* MICHAEL B. JORDAN TO DIRECT MOVIE ADAPTATION! SIX STARRED REVIEWS! It ' s Christmas Eve in Harlem, but twelve-year-old Lolly Rachpaul and his mom aren ' t celebrating. They ' re still reeling from his older brother ' s death in a gang-related shooting just a few months earlier. Then Lolly ' s mother ' s girlfriend brings him a gift that will change everything: two enormous bags filled with Legos. Lolly ' s always loved Legos, and he prides himself on following the kit instructions exactly. Now, faced with a pile of building blocks and no instructions, Lolly must find his own way forward. His path isn ' t clear—and the pressure to join a “ crew, ” as his brother did, is always there. When Lolly and his friend are beaten up and robbed, joining a crew almost seems like the

safe choice. But building a fantastical Lego city at the community center provides Lolly with an escape—and an unexpected bridge back to the world. David Barclay Moore paints a powerful portrait of a boy teetering on the edge—of adolescence, of grief, of violence—and shows how Lolly ' s inventive spirit helps him build a life with firm foundations and open doors. ### A Whole New Mind Penguin

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times—for all the right reasons—but there are no pension plans vesting on our behalf.

Our retirement funds are growing only through our individual contributions.

Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school.

We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. “ Why should I put time into studying subjects I will never use in real life? ” he

protested. Without thinking, I responded, “ Because if you don't get good grades, you won't get into college. ”

“ Regardless of whether I go to college, ” he replied, “ I'm going to be rich. ”

Whether we're buying a pair of

---

jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional

well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D. ' s grandparents were " dirt poor and in love, " and moved north from Kentucky ' s Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still

---

carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.
