I have the eighth edition as well as the 10th  
edition of this book (I bought it by accident)

and the content of the these two books is  
pretty much the same but there is a huge  
price difference! eighth edition is only \$5.97  
and the 10th edition is \$82!!! if you have to  
buy this book, I would suggest you buy the  
8th edition copy to save money
