A highly-charged Star Trek tale of a largely unknown ship, captain, and crew, in which the Enterprise-C comes up against mysterious alien forces unleashed by a fledgling crime cartel. For twelve years, Rachel Garrett was captain of the Federation 's flagship. But while her exploits as commander of the U.S.S. Enterprise NCC-1701-C are legend, little has been revealed about Garrett, her vessel, or the unusual men

and women of her crew. Until now. When the archaeological find of the decade offers possible hints about an earlier Cardassian civilization, it attracts not merely those seeking to quench their thirst for knowledge, but also parties with far less noble interests. Among the latter is the Asfar Qatala, a notorious criminal cartel with a disturbing connection to one of the Enterprise 's highest-ranking officers. Now Captain Garrett and her crew are swept into a maelstrom of kidnapping, extortion, and murder. And beneath the surface of the frozen world on which the proto-Cardassian discovery was made, another drama is playing out that will force Garrett to make the most difficult decision of her career. The Girl Who Wrote in Silk
Simon and Schuster

There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.)

Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are

stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) Drowning Instinct is a novel of pain, deception, desperation, and love against the odds—and the rules.
