The Drummer of Niklashausen Naval Institute Press

In his barracks, Walter Burke is trying to write a letter to the parents of a fallen soldier, an Alabama man who died in a muddy rice paddy. But all he can think of is his childhood friend Lamar, the friend with whom he first experienced the fury of violence, on the streets of Birmingham, at the height of the Civil Rights Movement.

The juxtaposition is so powerful—between war-torn Vietnam and terror-filled

"Bombingham"—that he is drawn back to the summer that would see his transition from childish wonder at the world to his certain knowledge of his place in it. Walter and Lamar were always aware of the terms of segregation—the horrendous rules and stifling reality. Their paper route never took them to the white areas of town. But that year, everything exploded. And so did Walter's family. As the great movement swelled around them, the Burkes faced tremendous obstacles of their own. From a tortured past lingered questions of faith, and a terrible family crisis found its climax as the city did the same. In the streets of Birmingham, ordinary citizens risked their lives to change America. And for Walter, the war was just beginning.

Soldier Boys Houghton Mifflin Harcourt HOW TO NOT TELL A WAR STORY is a collection of short stories about veterans who went to war but left without a war story to tell. Forty years after their experience, these veterans begins question if there is something more to say about their military service. Among other things, they come to appreciate the lovers, friends, and family who helped them shape a new, post-war identity. "... when the courage of NFL star Tillman was referred to, or Jessica Lynch was rescued, they all found themselves thinking back to their long-ago tours. Did they have stories? Maybe memory had played tricks on them, obscuring what would come to light at last. Back then, they hadn't studied forms for the narration of danger, but now, more aware, could they reshape their experience for the new era? What, after all, about their friend, Butterball?" Explore with Michael Lund the lives of these veterans who discover being in the service is not something to be edited out of a personal history, but an experience that stays in memory, not an ending but the beginning of a measure of peace, no matter how short the stint, or inglorious. Michael Lund is the author of nine novels about Route 66 and the generation that grew up in the Midwest in the 50s, including *Route 66 to Vietnam: A Draftee's Story*, all published by Beach House Books.

Colder than Hell Laurel Leaf

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by

rumors of an “ underground railroad ” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she ’ d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “ well-written and moving life of the ‘ Moses of her people ’ ” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

Paul Revere's Ride A Study Guide for Ray Bradbur's "The Drummer Boy of Shiloh"

Henry Wadsworth Longfellow (1807-1882) was an American poet. He wrote the first American translation of Dante Alighieri's Divine Comedy and was one of the five members of the group known as the Fireside Poets. He established his literary career by submitting poetry and prose to various newspapers and magazines. Between January 1824 and his graduation in 1825, he had published nearly 40 minor poems. About 24 of them appeared in the short-lived Boston periodical The United States Literary Gazette. After graduating in 1825, he was offered a job as professor of modern languages at his alma mater. The story, possibly apocryphal, is that an influential trustee, Benjamin Orr, had been so impressed Longfellow's translation of Horace that he was hired under the condition that he travel to Europe to study French, Spanish and Italian. When he returned to the United States in 1836, Longfellow took up the professorship at Harvard University. He began publishing his poetry, including Voices of the Night in 1839 and Ballads and Other Poems, which included his famous poem The Village Blacksmith, in 1841. His other works include Paul Revere's Ride, A Psalm of Life, The Song of Hiawatha, Evangeline and Christmas Bells.

For more than sixty years, the imagination of Ray Bradbury has opened doors into remarkable places, ushering us across unexplored territories of the heart and mind while leading us inexorably toward a profound understanding of ourselves and the universe we inhabit. In this landmark volume, America's preeminent storyteller offers us one hundred treasures from a lifetime of words and ideas -- tales that amaze, enthrall, and horrify; breathtaking journeys backward and forward in time; classic stories with the undiminished power to tantalize, mystify, elate, and move the reader to tears. Each small gem in the master's collection remains as dazzling as when it first appeared in print. There is magic in these pages: the wonders of interstellar flight, a conspiracy of insects, the early bloom of love in the warmth of August. Both the world of Ray Bradbury and its people are vivid and alive, as colorfully unique as a poker chip hand-painted by a brilliant artist or as warmly familiar as the well-used settings on a family's dining room table. In a poor man's desire for the stars, in the twisted night games of a hateful embalmer, in a magnificent fraud perpetrated to banish despair and repair a future, in a writer's wonderful death is the glowing proof of the timeless artistry of one of America's greatest living bards. The one hundred stories in this volume were chosen by Bradbury himself, and span a career that blossomed in the pulp magazines of the early 1940s and continues to flourish in the new millennium. Here are representatives of the legendary author's finest works of short fiction, including many that have not been republished for decades, all forever fresh and vital, evocative and immensely entertaining. This is Bradbury at his very best -- golden visions of tomorrow, poetic memories of yesterday, dark nightmares and glorious dreams -- a grand celebration of humankind, God's intricate yet poignantly fallible machineries of joy.
