The Boy Who Failed Dodgeball Scholastic Inc.
An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school year, every kid has one or two things go wrong. But for Jordan, there's A LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates

him. Like, really hates him. Like, is totally out to get sense of humor (all the time), Jordan's going to try him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There are bullies ready to stomp him when all he has to defend himself with is a lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his to make it through the year... and grow up to write a book about it!

Rich's dad always gets depressed this time of year, but whenever Rich asks questions about his late uncle, his dad shuts down. Before he knows it, Rich is transported to the side of a road in Upstate New York with a beautiful girl bending over him. It will take him a while to realize it's 1969, he's at Woodstock, and the girl's band

of friends includes his fifteen-year-old dad and his uncle, who's still alive. In *Are You Experienced?* by Jordan Sonnenblick, what Rich learns, who he meets, and what he does could change his life forever. Hide and Secrets Yearling In this updated 2nd edition of the ASCD best-seller, Douglas Fisher and Nancy Frey dig deeper into the hows and whys of the gradual release of responsibility instructional framework. To gradually release responsibility is to equip students with what they need to be engaged and self-directed learners. On a day-to-day level, it means delivering lessons purposefully planned to incorporate four essential and interrelated instructional phases: Focused Instruction: Preparing students for learning by establishing lesson purpose, modeling strategies and skills, thinking aloud, and noticing how students respond. Guided Instruction: Strategically using prompts, cues, and questions to lead students to new understanding. Collaborative Learning: Allowing students to consolidate their understanding through exploration, problem-solving, discussion, and thinking with their peers. Independent Learning: Requiring students to use the skills and knowledge they've acquired to create authentic products and ask new questions.

The authors explore each phase, using real-life examples from a variety of disciplines. You'll find tips and tools for classroom implementation, including checklists for planning and assessment; advice on feedback, homework, group work, differentiated instruction, and blended learning; answers to frequently asked questions; and examples that align to Common Core State Standards. No matter what grade level or subject you teach, *Better Learning Through Structured Teaching* is your essential guide to helping students expand their capacity for successful and long-lasting learning.

It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her -- if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic -- while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious -- and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again.

Widely known today as the "Angel of the Battlefield," Clara Barton's personal life has always been shrouded in mystery. In *Clara Barton, Professional Angel*, Elizabeth Brown

Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman. Based on the papers Clara Barton carefully saved over her lifetime, this biography is the first one to draw on these recorded thoughts. Besides her own voluminous correspondence, it reflects the letters and reminiscences of lovers, a grandniece who probed her aunt's venerable facade, and doctors who treated her nervous disorders. She emerges as a vividly human figure. Continually struggling to cope with her insecure family background and a society that offered much less than she had to give, she chose achievement as the vehicle for gaining the love and recognition that frequently eluded her during her long life. Not always altruistic, her accomplishments were nonetheless extraordinary. On the battlefields of the Civil War, in securing American participation in the International Red Cross, in promoting peacetime disaster relief, and in fighting for women's rights, Clara Barton made an unparalleled contribution to American social progress. Yet the true measure of her life must be made from this perspective: she dared to offend a society whose acceptance she treasured, and she put all of her energy into patching up the lives of those around her when her own was rent and frayed.

Sixth grade is the worst... and also the best, as Jordan rides the ups and downs of middle-school life in hilarious fashion. Funny, outrageous things didn't stop for Jordan Sonnenblick after he left fourth grade. No, in many ways the events detailed to hilarious effect in *The Boy Who Failed Show and Tell* were but a prelude to sixth grade, a time when Jordan would have to deal with... -- A rival named Jiminy (his real name is Jimmy -- but, hey, he looks like a cricket) -- A stickler English teacher who doesn't care that all the old, worn copies of *Great Expectations* smell like puke -- An Evel Knievel obsession -- A first crush on a girl from band -- An assistant principal who brands Jordan a repeat

offender... on his first day (If you want to know why, you have to read the book. A tooth is involved.) -- A continued reckoning with both anxiety and asthma -- And more!
