Homebrew can be run for free on all Nintendo DSi consoles, regardless of firmware version or region. All you need is an entry point and an SD card to store your

homebrew. The main entry point used in this guide is called Memory Pit, but there are other entry points you can use if Memory Pit is unusable.

In 2015, DSi expanded their rifle line to include DS-9 9mm rifles and the DS-10 platform in .308 and 6.5 creedmoor. In 2016, DSi moved to their new larger retail store and showroom in Oakdale, NY and began construction on what many said could not be done: A new state-of-the-art indoor shooting range, the first on Long Island in over 30 years.
