The Pantah Desmodue brought Ducati into the modern world of motorcycles. They were immediately more reliable than the earlier bevels, and established a blueprint that continues today. The proliferation of models is such that it can be difficult to determine the exact specification of an example. This book provides a guide to all of the individual models, their attributes and pitfalls, and what to look for when purchasing. When new, the Ducati Desmodue twins provided state-of-the-art handling and performance, and they still can.

There have been plenty of books published about Italian motorcycles, and a few covering the café racer genre, but none has covered the evolution of the Italian sportsbike into the Italian café racer – until now. Coming from a nation with a great motorcycle racing heritage, Italian motorcycles have, unsurprisingly, always had a sporting flair. This book lifts the lid on the growing trend of custom Italian café conversions, illustrated in detail with stunning images of select sporting, racing, and café d Italian motorcycles. Italian Café Racers celebrates stunning Italian bikes from all over the globe. From the old to the modern, from horizontal-singles to inline sixes, this book reveals these stylish machines in all their innovative glory. Whether you're an enthusiast, a follower of
