Packed with good advice on

choosing the right Ducati bevel twin, with a comprehensive inspection guide and in-depth analysis of strengths and weaknesses, Ducati Bevel Twins covers desirable upgrades, modifications to avoid, valuation and predicting which models will become collectible (if they aren't already). Illustrated throughout with photos of key areas to check and foibles to be aware of, and featuring details ranging from the Ducati community, to whether a Ducati bevel twin will suit you and your lifestyle, this is the complete guide to choosing, assessing, and buying the Ducati bevel twin of your dreams. Written by Ian Falloon, an expert who enjoyed a close association with the factory and the engineers during the period these bikes were manufactured, providing him with an invaluable insight into their development. He has been involved with Ducati motorcycles, and bevel twins in particular, for nearly 40 years and, in addition to writing several books covering these models, he is an avid restorer with over 20 bevel twin restorations to his credit.
