Duct Tape Parenting: A Less Is More Approach to Raising ...
I work with parents who are – just starting out on the parenting journey – have young children and want to establish healthy routines and relationship strategies – are in the trenches with school age and tweens and want to do everything they can to maintain strong connections with their children and

at the same time prepare them for life beyond the family threshold.

Duct Tape Parenting: A Less Is More Approach to Raising Respectful, Responsible, and Resilient Kids. There ' s a new set of 3Rs for our kids—respect, responsibility, and resilience—to better prepare them for life in the real world. Once developed, these skills let kids take charge, and let parents step back, to the benefit of all. Casting hover mothers and helicopter parents aside, Vicki Hoefle encourages a different, counter-intuitive—yet much more effective—approach: for.

In other words, the titular duct tape is for the parents, not the kids. Calling attention to problematic behavior, Hoefle says, makes a harmless weed grow into something much worse: a long-term attention-getting scheme, or a deep-seated personality trait. As long as it's not a dangerous behavior or situation, Hoefle suggests that parents ignore it.
