In The Conversation That Matters Most, DeWitt Rowe takes his readers on a unique and fascinating journey of self-exploration and discovery. The author not only guides us

toward a complete reevaluation of how we view success; he convinces us that the way we define it and pursue it must also be reexamined. How often do we stop and question the assumptions that have defined us? Are we more intelligent than we have been led to believe? Do our idiosyncrasies make us strange...or simply unique? How often do we make a decision based on what's expected of us, rather than on our innate sense of what works? DeWitt delves into areas that are rarely discussed, areas that reward us with a richness of comprehension, awareness, discovery, and wisdom. Every page is a reminder of the control we have over our lives if only we can understand how to use that control in a positive and result-oriented manner. Utilizing this book's guides and lessons, we can be

assured of a fuller and more satisfying life.

The Kitten Who Wants to Fall Asleep Leaves of Gold Press
If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up

to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both

necessary and inevitable. Set in today's fast-paced world. Where rural South Carolina, Baltimore, does this leave parents? Too and Cincinnati, this vivid saga often, lacking in confidence, weaves history and humanity in a ill equipped, and overwhelmed. compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Disguised Blessings Routledge
Parents these days are under a great deal of pressure to be "perfect." From psychologists to social scientists, journalists to weekend bloggers, everyone has an opinion about the do's and don'ts for raising healthy, well-adjusted--and let's not forget, polite--children in

Parenting expert Vicki Hoefle makes the bold claim that it's time for parents to get off the perfection path and get back to the real job of parenting: to grow a grown-up. In this no-nonsense parenting guide, Hoefle draws upon twenty-five years of experience with helping parents see the big picture and sidestep what she calls the "detail drama" that too often trumps everyday life with our kids. Parents learn more than just strategies; they learn a

methodology that allows them to read them a bedtime story help their toddlers build a interwoven with powerful strong foundation for success in psychological methods to help adulthood. In her trademark, them fall asleep quickly, easily tell-it-like-it-is style, Hoefle and without drugs. Beautifully tells parents to trust their illustrated and amazingly intuition and develop an effective. intentional strategy for meeting *Lilly Noble & Actual Magic* each child's unique needs. Above CreateSpace all, *The Straight Talk on* Cursed to Survive is a thrilling Parenting offers the confidence- love story set in the actual boosting reminder that parenting historical events of Germany at is about practice (and a healthy the beginning and during the Third Reich. It takes a unique look dose of humor), not perfection. inside the mind of a patriotic *A Complicated Legacy* German nobleman with unusual gifts Createspace Independent and immense opportunities for Publishing Platform glory and domination. We witness Children sometimes find it hard the horrors of the Holocaust to get to sleep. Now you can through his eyes, as he falls

madly in love with a daughter of a handsome Max at the grave of her Jewish doctor in the midst of the late Nazi reign. Cursed to Survive is an easy-to-read and passionately engaging novel. It's the story filled with tragedy, real history and a sobering analysis of love, family, friendship, patriotism and other important concepts. The novel features a beautiful, young member of the New York's high society -- Rose Blackford Stern, who in addition to her family's immense wealth and a prominent name has a highly prestigious job with the most influential fashion magazine in New York City. But as readers soon learn, having it all doesn't mean that the search for something beyond the material ever stops. Rose encounters the stunningly

late grandmother. Max is enigmatic and the subject of Rose's obsession from the moment they meet. Rose has a seemingly perfect life, yet she is unable to shake the emptiness that has consumed her since the death of her beloved grandmother, Aliza, three years prior. Max first meets Aliza when she is a teenage girl in pre-World War II Germany. Max comes from one of the oldest and wealthiest noble families of Europe. The attraction between Maximillian and Aliza is instant and overpowering, albeit impossible -- a German aristocrat could never be with a Jewish commoner. As the Nazi movement gains momentum, their country is shattered and their deep mutual connection becomes deadly.

Aliza loses her entire family and lives through terror and abuse before Max infiltrates the Third Reich and rescues her. Nearly seventy years later Max's unusual gifts have brought him to New York, to Aliza's granddaughter Rose, and perhaps to another chance at love.

How To Be A Great Parent To Your Inner Child Createspace Independent Publishing Platform

A humorous description of motherhood.

Hi, My NAME Is Miles World Castle Publishing

Have you ever wondered why you make certain negative choices about things, like with food or relationships, even though you

know better? Have you ever felt depressed, scared, anxious or self-critical at a time when things were actually going well for you? Have you experienced chronic pain or feeling that you are missing something in your life? Many of your negative thoughts and feelings as well as your physical and emotional pains are connected to a part of you often called the "wounded inner child." In this unique East - West perspective of our development stages and the seasons of life, you will learn about the benefits of understanding and connecting to your heart for healing, finding your higher purpose and living a more enlightened life. In Chinese medicine your Heart is your King or

Queen. Any traumas or insults to your Inner Ruler during the spring season of your life, can break your heart into pieces leaving you with several, very powerful wounded inner children. The information, reflective questions and self-help tools provided in this book, not only guide and inspire you on how to be a great parent to your inner child, but will help you heal your body, mind and spirit. The author combines concepts from psychology, Chinese medicine and universal principles as well as inspirational case histories, including parts of the author's own transformative journey. Once you discover your inner child, learn how to: -

- Nurture and protect your inner child
- Re-parent yourself and fill in crucial parenting gaps
- Connect with and heal your heart
- Make better and more fulfilling choices
- Transform negative emotions into positive virtues
- Be creative and balance having fun with work
- Connect to your higher purpose and express all of who you are

When you step back and look at your life, do you see an ever-widening gulf between where you are and where you want to be? Do you feel stuck? Do you feel like your dreams are slowly slipping away? No matter where you are on your path, Designing Your Life Plan will jolt you out of the routines and ruts of your day to day, spurring you on to set a clear plan for your future-one that will take you places you never thought you

could go. Luz Canino-Baker, your encouraging but firm guide on this journey, shows you how to build and carry out a Life Plan, offering pieces of her own history and the stories of others along the way. Each chapter ends with a practical workbook-style exercise designed to take you tangible steps closer to your goals. Forged during Canino-Baker's years as an executive and life coach, the lessons and exercises in this book will energize you, excite you, and set you on the path to the bright future you may have feared could never be realized. **Nightwolves Coalition** Brandt

Tobler

Matthew's mom tells him every day "I love you, Choochie Maloochie." He always replies, "Me too you." When he becomes a famous rock star, how will it change his relationship with his mom? She has always been there for him, but when she gets sick, will he be there for her? Another book in the "Kids From Marrs" series of children's books, with the colorful illustrations the author has created especially for these stories.

Cursed to Survive Routledge
Volume One: Nightwolves Coalition starts the tale of Catrina who flies to New York to be with her mates of which there are three (Demitri, Andre and Antonio

Caberelli). On the way there is an attempted hi-jacking and Catrina steps up to save the passengers from the takeover. In doing so, she exposes herself as a vampire to Special Forces. Now she must clean up her mess and make a deal with the military. The military had been having problems completing missions successfully due to very unusual things happening in the field. Catrina and her team may be their answer. However, the military finds the reasons why things have been going strange on missions. It's the beginning of high adventure and unusual situations even Special Forces may be challenged to overcome.

Calliope is a literary novel. In its simplest form, it is the story of a man longing to become the young, idealistic person he once was when the world seemed completely open to promise. It is the desire to re-experience life with all the naiveté and hope of romantic youth. In its allegorical form, the story explores such themes as purpose, morality, social convention, materialism and happiness. When the protagonist meets an orange-haired girl, his life is

forever altered. Her name is Calliope, and what occurs throughout the rest of the novel is a wild, episodic fugue. The flight becomes a frenetic interlacing through wilderness and civilization, this being an allusion to Jean-Jacques Rousseau's Discourse on Inequality. The wilderness comes to represent a path back to the primal self, while civilization is more dubious representing both the potential for corruption, as well as the great heights of artistic and rational endeavors. Yet while on the

journey, the protagonist is forced to look at life anew in part due to the somewhat unscrupulous efforts of Calliope. Morality is examined through the eyes of Calliope, who is by all intensive purposes Greek, which means pre-Christian. Her moral code is not affected by the guilt of Christianity. Her nakedness throughout the novel in part symbolizes a complete lack of shame. As for her beliefs, an understanding of Friedrich Nietzsche's perspectivism best represents her values. This allows the protagonist an opportunity to erase everything that he has learned. All custom, all forms of etiquette, religious belief, habit and convention must be forgotten in order to re-experience the world with the sense of wonderment he so eagerly longs for. With no ties to the world, he embarks upon an epic voyage of silliness and profound examination. Lured along by this electric, orange-haired muse, he becomes convinced that she is either bent upon his supreme salvation or utter damnation. What is so amazing

about the entire journey is where they both end up—a location which seems to be the last place the protagonist was in complete control of his destiny. Therefore, a true chance to begin again is perhaps realized.

Straight Talk on Parenting Real Mother

There's a new set of 3Rs for our kids—respect, responsibility, and resilience—to better prepare them for life in the real world. Once developed, these skills let kids take charge, and let parents step back, to the benefit of all.

Casting hover mothers and helicopter parents aside, Vicki Hoefle encourages a different,

counter-intuitive—yet much more effective—approach: for parents to sit on their hands, stay on the sidelines, even if duct tape is required, so that the kids step up. Duct Tape Parenting gives parents a new perspective on what it means to be effective, engaged parents and to enable kids to develop confidence through solving their own problems. This is not a book about the parenting strategy of the day—what the author calls “Post-It Note Parenting”—but rather a relationship-based guide to span all ages and stages of development. Witty, straight-shooting Hoefle addresses frustrated parents everywhere who are ready to raise confident, capable children to go out in the world.

Peanut and the Big Feelings

Bibliomotion, Inc.

The roots of healthy development are nurtured when children's needs are met and they are allowed to experience life for themselves with guidance, not control. This is the foundation of the non-judgmental, emotionally connected style of parenting presented in "Growing From the Roots: A Practical Guide to the Art of Parenting". This book provides many down-to-earth parenting tools to help promote connections between parents and children as well as valuable examples that model how to

communicate with children to support their growth into confident and compassionate adults. This is a comprehensive look at parenting; from helping our children gain self-esteem to how we can get through the day without feeling we are going to explode! The author's own experiences as a mother, a child and family therapist and a preschool teacher contribute to a rich understanding of what parents and children experience, providing relevant and invaluable tools and support for parents of young children.

Dr. Podgurski's warm delivery of information personally helped me to have a healthier pregnancy and to prepare well for my childbirth experience. I am a more confident and nurturing mother today because of her guidance. The self-paced exercises in this workbook will allow teens to gain invaluable insight. It provides the opportunity to identify and express personal feelings, and set realistic expectations for the future. Investing in this workbook will provide guaranteed long-term benefit to new families. It will help influence and encourage the participants to become the best parents and young adults that they can be!

Katherine Stains
The Story of Abba for Young Readers CreateSpace

If you're looking for a laugh-

out-loud, feel-good book that will engage you from start to end, look no further than here. Author Sue Stearns's debut work is a fast and funny read that is sure to put a cheek-to-cheek grin on your face and reawaken your inner child. Crazy Tuesdays is a highly entertaining collection of short stories, anecdotes, and insights plucked from Stearns's personal life experiences as a mother of two rebellious toddlers, Minka and Cooper. The stories focus on her kids and explain what a typical Tuesday is like in their home, although what's typical for them is not typical for most. Tuesday is the day of the week when the entire Stearns family gets together, lets loose, and does the messiest, wildest activity or craft they can think of. From taking mud baths outside to flailing paint on household walls covered with sheet metal, the Stearns family has had some pretty wild and crazy Tuesdays. As mother Stearns shares how each new Tuesday brings a new adventure for her clan, she peppers her pieces with a lighthearted humor and

spirited enthusiasm which, on its face, situates Crazy Tuesdays as a must-read for those seeking first and foremost to be amused. Also a college graduate and military wife, let's not forget that Stearns is a mom-and as a general rule, moms have a funny way of being able to sneak a lesson or two into even the most obvious forms of fun. What Stearns accomplishes in Crazy Tuesdays is no exception to this rule. As she delivers spleen-splitting stories, she also imparts a meaningful message: Parenting can be exhausting, but even in the midst of all the chaos and confusion, there is always something to laugh about. You just have to find it. And if Stearns was able to find it, there's hope for you, too.
