Vibration Welding.

Dukane's 5000 series vibration welders inherit the robust mechanical features of Dukane's previous models and incorporate an advanced control system providing users better process control, more data storage, user friendly programming features, and patented 'Q' factor for machine diagnostics.

Dukane 7a1110 Manual

Their paging, intercom, bell, and clock system is all some Dukane Starcall monstrosity. Duke doesn't make the Starcall anymore. The company they bought it from doesn't support Starcall anymore. No other company in a 500 miles radius supports it. Parts are all EoL. You can only program the damn thing via their RAPID software, which is serial-based.
