Plan your visit to China: find out where to go and what to do in China with Rough Guides. Read about itineraries, activities, places to stay and travel essentials and get inspiration from the blog in the best guide to China.

Much more than a history book, China in Ten Words is an eye-opening look into modern China. The book centers itself around ten Chinese words and phrases, like "Disparity," "Copycat," and "Bamboozle," that define the post-Mao Chinese experience. With an obfuscated political system, China is often unknowable.
