*e by Matt Beaumont | Waterstones*  
Told in the form of short e-mails, Matt Beaumont details the events of Miller-Shanks, a London-based advertising agency, as they pitch to Coca-Cola. Initially the e-mails are difficult to sort through because it takes a while to organize the characters, the character voices, and their motivations.

The idea of the first e-mail novel could have been a disaster but instead is a minor comic triumph thanks to Matt Beaumont's E. The novel of letters goes back to Richardson, of course, but things have moved on from Regency rape to the lethal office politics of an advertising agency. The beleaguered protagonists may appear to be concerned with pitching for the Coca-Cola account but their real ...

Matt Beaumont's e! e (also known as e: The Novel of Liars, Lunch and Lost Knickers) is the debut novel from former copywriter Matt Beaumont. Published in 2000, it's distinctive for constructing its narrative solely through the emails sent between employees at the (fictional) top advertising agency Miller Shanks in London.

Matt Beaumont is a copywriter and has been fired by some of London's leading ad agencies. He lives in North London with his wife and children.
