A young Indian woman searches for her own identity as her country fights for independence in this novel from the award-winning Urdu Indian author. *The Crooked Line* is the story of Shamman, a spirited young woman who rebels against the traditional Indian life of purdah, or female seclusion, that she and her sisters are raised in. Shipped off to boarding school by her family, Shamman grows into a woman of education and independence just as India itself is fighting to throw off the shackles of colonialism. Shamman's search for her own path leads her into the fray of political unrest, where her passion for her country's independence becomes entangled with her passion for an Irish journalist. In this semi-autobiographical

novel, Ismat Chughtai explores the complex relationships between women caught in a changing culture, and exposes the intellectual and emotional conflicts at the heart of India's battle for an uncertain future of independence from the British Raj and ultimately Partition.

## **Until My Freedom Has Come** Hassell Street Press

On 13 December 2001, the Indian Parliament was attacked by a few heavily armed men. Eleven years later, we still do not know who was behind the attack, nor the identity of the attackers. Both the Delhi high court and the Supreme Court of India have noted that the police violated legal safeguards, fabricated evidence and extracted false confessions. Yet, on 9

---

February 2013, one man, Mohammad Afzal Guru, was hanged to 'satisfy' the 'collective conscience' of society. This updated reader brings together essays by lawyers, academics, journalists and writers who have looked closely at the available facts and who have raised serious questions about the investigations and the trial. This new version examines the implications of Mohammad Afzal Guru's hanging and what it says about the Indian government's relationship with Kashmir.

The Tribulations of Ross Young, Supernat

PA Penguin Books India

Verse and prose, from the 6th century CE (pre-Islamic) to the early 18th century CE.

**Fractured Freedom** Duke University Press

The war is on. The youth who

returned from across the border are in direct confrontation with the armed forces. The sound of blasts, both grenades and IEDs, is audible time and again. The bullets fired from rifles and the ammunition from rocket propelled guns are a rage and these ricocheted the atmosphere. The citadel of pro-India political leadership has crumbled and the civilian governance is like ricks spread in various places unable to wield any authority. The semblance of government control is visible through forces personnel who roam in groups with guns dangling down their shoulders. The youngsters understood the story behind violence but not many stories conceived in the womb of the conflict. Stories of deceit and

---

exploitation. And these stories gave birth to unholy nexus between the venal and the brute, people of different religion, varied outlook and background. And then such people colluded with each other to indulge in loot and plunder robbing our nation of resources. Resources of natural wealth and even human resources. The emotional and psychological health received a dent. In the process a love story, rather two go bust. However, two young women, bearing the brunt of conflict and the intrigues, brave all odds to help the innocent angels to move on in life.

The Changing Language Roles and Linguistic Identities of the Kashmiri Speech Community Of Gardens and Graves

Born in the cradle of upper-middle-class privilege in a Mumbai Parsi household and educated at one of India's finest schools, Kobad Ghandy's life and career could have scaled heights in the bustling world of corporate finance. Only it did not. Instead, he chose to become an activist working for the oppressed of the country. Shocked by the racism he witnessed in the UK as a student and learning of the horrors of colonial rule in India, he determined to serve those struck the harshest by the cruel inequalities of his country. Fractured Freedom takes you through the journey of an honest man and his partner, Anuradha's, to a difficult destiny. Here is the story of two

---

people who dedicated their lives in the service of the marginalized, and who believed that true revolution required direct action for a more human and just society. Part memoir, part prison diary, Ghandy bares it all looking back at their lives, love, loss and politics, so intrinsically tied together. Having languished in Indian prisons for over a decade, he tells of his long incarceration, of his fellow prisoners, and of the Kafkaesque experiences with the Indian legal system. This is the candid and unfiltered account of how an unjust system breaks the brave and bold-hearted. A story of life in extremes - the height of privilege and the depth of despair, a story of our times, of a path many would shy away from.

Kashmir Picador  
This book provides a comprehensive and up-to-date analysis of the complex conflict situation in Kashmir. Through an internal perspective, it charts the shift in the Kashmiri response towards the Centre and offers a detailed examination of the background in which separatist politics took roots in Kashmir, and the way it changed its nature in the militancy and post-militancy period. The volume shows how separatism and armed militancy, as manifest in the Valley in the late 1980s, (though augmented by external

---

factors) have been internal responses to the changing nature of Kashmiri identity politics. It explores how the ideas central to Indian nationalist politics — especially democracy and secularism — echoed in Kashmir and were instrumental in dismantling the feudal structure and negotiating an autonomous space within the framework of asymmetrical federalism. Seamlessly blending facts and incisive analyses, this book raises new questions about the nature of conflict and contestation in the region. It will be of great interest to researchers and scholars of Indian politics, especially on

Jammu and Kashmir, and sociology, as well as government bodies, think tanks and the interested general reader.

Shadows Beyond the Ghost Town  
SAGE Publishing India

A cross-disciplinary anthology on contemporary Kashmir by academics from Jammu and Kashmir, the first such volume to appear. The book offers a panorama of key cultural concerns of Jammu and Kashmir today, incorporating analysis of military, cultural, religious, and social aspects of the society and polity.

Burhan Muzaffar Wani Manchester University Press

---

Presents a selection of the author's poems from throughout his life, from playful early poems to themes of mourning and loss.

The Veiled Suite Cambridge Scholars Publishing

Chiefly Kashmir poems with English translations.

Areopagitica Viking

The advent of Islam in medieval Kashmir gave birth to a narrative that describes forcible mass conversion of Hindus, eviction of local people and wanton demolition of religious symbols. A minority of Kashmiri Brahmans and their progeny who did not convert to Islam built and successfully perpetuated this narrative over the centuries. Following the

eruption of armed insurgency in Kashmir and mass migration of Kashmiri Pandits in 1990, this community narrative has turned into the Indian mainstream view on Kashmiri Pandits. Kashmir: Exposing the Myth behind the Narrative challenges the existing narrative. It exposes many fallacies used to uphold this narrative and dissects the work of historians that has sustained ahistorical perceptions over a long period of time. By linking history to the present, the book facilitates an understanding of the situation today.

F-104 STARFIGHTER PILOTS FLIGHT  
Partridge Publishing

Gujarat Files is the account of an eight-month long undercover investigation

---

by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those

who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

Global Tuberculosis Report 2017  
HarperCollins UK

These fifteen frank and often wickedly comic, explore the realities and conflicts of life in Indian Muslim society.

Of Gardens and Graves Springer  
Nature

Contributed articles.

Culture and Political History of Kashmir:  
Ancient Kashmir Hurst & Company

This book analyzes the current Islamic marketing environment. Since the Muslim world is extremely diverse in terms of

---

economic development, customs and traditions and political and legal systems, it is vital for companies and marketers to analyze the environment before attempting to address these markets. The author emphasizes that it is ineffectual to elaborate the distribution and promotion strategies if the market does not exist in terms of purchasing power or demographics, if potential consumers do not believe that products and services answer their needs and demands or if there are political and legal barriers to companies wanting to enter these markets. The book offers detailed insights into the economic, socio-cultural, and politico-legal environment in the Muslim world, which are essential for marketers to understand and form the foundations of effective marketing strategies.

Platforms, Protests, and the Challenge

of Networked Democracy Oxford India Collection (Paper

On the ideology and working of the Rishi Valley School, a co-educational, residential public school in Chittoor District of Andhra Pradesh, run by the Krishnamurti Foundation (India).

Social media, Evolution and adoption in Kashmir Penguin UK

This book offers a new interpretation of the contested territory of Azad Kashmir bordering Pakistan and India. It considers the broader Kashmiri dispute and possible solutions to the stalemate.

WHO's Global Tuberculosis Report provides a comprehensive and up-to-date assessment of the TB epidemic

---

and of progress in care and prevention at global, regional and country levels. This is done in the context of recommended global TB strategies and associated targets, and broader development goals. For the period 2016-2035, these are WHO's End TB Strategy and the United Nations' (UN) Sustainable Development Goals (SDGs), which share a common aim: to end the global TB epidemic. The main data sources for the report are annual rounds of global TB data collection implemented by WHO's Global TB Program since 1995 and databases maintained by other WHO departments, UNAIDS and the

World Bank. In WHO's 2017 round of global TB data collection, 201 countries and territories that account for over 99% of the world's population and TB cases reported data.

58th Annual Report National Geographic Books

Many disenchanted Kashmiris continue to demand independence or freedom from India. Written by a leading authority on Kashmir 's troubled past, this book revisits the topic of independence for the region (also known as Jammu and Kashmir, or J&K), and explores exactly why this aspiration has never been fulfilled. In a rare India-

---

Pakistan agreement, they concur that neither J&K, nor any part of it, can be independent. Charting a complex history and intense geopolitical rivalry from Maharaja Hari Singh ' s leadership in the mid-1920s to the present, this book offers an essential insight into the disputes that have shaped the region. As tensions continue to rise following government-imposed COVID-19 lockdowns, Snedden asks a vital question: what might independence look like and just how realistic is this aspiration?
