Narrative of the Life of Frederick Douglass

First published in 1845, *Narrative of the Life of Frederick Douglass* is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. *Narrative of the Life of Frederick Douglass* Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. *Narrative of the Life of Frederick Douglass* Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. *Narrative of the Life of Frederick Douglass* This ebook has been professionally proofread to ensure accuracy and readability on all devices. *Narrative of the Life of Frederick Douglass*

Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. *Narrative of the Life of Frederick Douglass* Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. *Narrative of the Life of Frederick Douglass* *Roll of Thunder, Hear My Cry* (Puffin Modern Classics) Random House Trade Paperbacks *The Gift of the Magi* is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another. *Lizzie Bright and the Buckminster Boy* Carson-Dellosa Publishing Perhaps fitting for a horror short story, the devil is in the details in Poe's "The Oval Portrait" (1842). A benighted traveller finds shelter in an abandoned mansion in the

Apennine Mountains of Italy. Inside he gets absorbed by a stunning painting and decides to delve into its origins with the help from a book he finds on a pillow. The story revolves around the complex and often tragic relationship between life and art. As per usual Poe can't help himself to play with layers, and most of the story is told as an embedded narrative. The intense emotional and psychological depths of the narrator's infatuation with the portrait and the enticing volume that helps to shed a light on the painting make this short story another fascinating and haunting and Poesque tale which succinctly glorifies the immortality of art. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

The tales themselves have been put to many uses. Hitler praised them as folkish tales showing children with sound racial instincts seeking racially pure marriage partners, and so strongly that the Allied forces warned against them, for instance, Cinderella with the heroine as racially pure, the stepmother as an alien, and the prince with an unspoiled instinct being able to distinguish. Writers who have written about the Holocaust have combined the tales with their memoirs, as Jane Yolen in her *Briar Rose*

The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads "These are the times that try men's souls." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The poem was first published without sections as the first of twelve untitled poems in the first (1855) edition of *Leaves of Grass*. The first edition was published by Whitman at his own expense. In 1856 it was called "A Poem of Walt Whitman, an American" and in 1860 it was simply termed "Walt Whitman." Walter "Walt" Whitman (1819 – 1892) was an American poet, essayist and journalist. His work was very controversial in its time, particularly his poetry collection *Leaves of Grass*, which was described as obscene for its overt sexuality.

The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods—this is most strictly forbidden. We do not even say its name

though we know its name. It is there that spirits live, and demons—it is there that there are the ashes of the Great Burning. These things are forbidden—they have been forbidden since the beginning of time.
