On Fire at Work flies in the face of other books on workplace culture by showing that employee engagement isn't the ultimate goal—it is merely the starting point. Renowned leadership expert Eric Chester has gone straight to the source—top-tier leaders of the world's best places to work to uncover their best practice strategies for getting employees to work harder, perform better, and stay longer. On Fire at Work features examples and original stories from exclusive personal interviews with over 25 founders/CEOs/presidents of companies like Marriott, Siemens, BB&T Bank, Wegmans, 7-Eleven, Hormel, Canadian WestJet, Ben & Jerry's, and The Container Store, along with smaller companies like Firehouse Subs, the Nerdery, and Build-A-Bear. The guiding principle is that any organization in any industry—from Fortune 500 firms to mom-and-pop shops—can learn how to bring out the very best in their employees. The book's content-rich research and conversational case study-based narrative make it a timely, actionable go-to reference on employee performance and productivity for C-level execs, corporate and government managers, HR professionals, and small business owners. On Fire at Work is a practical field guide that any organization can implement to build, not an engaged workforce, but a workforce that is on fire!

Sell it Online: How to Make Money Selling on eBay, Amazon, Fiverr & Etsy Lulu.com

EBay's own statistics suggest there are 1.3 million people around the world who make their primary or secondary source of income through eBay, with just over 700,000 of those people in the United States. Today, about 29 million people in more than 160 countries use Amazon.com. Last year, an IRS advisory committee recommended that online auction sites be required to file reports of sales transactions with the IRS. The committee also suggested requiring sellers to obtain taxpayer

identification numbers, which would let the government track the transactions. If you are an eBay or Amazon seller, you might be paying more than you have to in taxes because you have not focused on all that you can deduct. You will learn how to take advantage of the legal tax loopholes available and how to choose the proper, legal business structure. If you run your Internet sales business in a businesslike manner with intent to profit, you can take deductions for business use of your it, home and also many other deductions. This brand new, up-to-date book covers everything you need to know to balance the books, including assets and liabilities, keeping track of transactions, payroll, sales tax, balance sheets, keeping a ledger and journal, financial statements, operating accounts, and complete, current tax information. You will learn how to set up a simple, quick, and audit-proof recordkeeping system that works.

The survival and prosperity of any corporation over the long term depend on the company's ability to grow and develop through a process of investment, restructuring, and redeployment. Since the late 19th century, mergers and acquisitions (M&As) have become an essential vehicle for corporate change, fuelled by synergies that could arise from expansion of sales and earnings, reduction in cost, and lower taxes and cost of capital. M&A transactions, however, are complex and risky and are affected by the state business cycle, financial conditions, regulations, and technology. Approximately two-thirds of all M&A deals fail. This book seeks to provide an effective and comprehensive framework, predominantly embedded in corporate finance, for achieving greater success. Written by academics and practitioners, it integrates business strategies with formal analysis relating to M&A deal making, providing a coherent statement on M&A by utilizing scholarly work with best practices by industry. The authors provide extensive analytical review and applications of the following critical M&A issues: valuation,

leveraged buyouts, payment methods and their implications, tax issues, corporate governance, and the regulatory environment, including antitrust in M&A. The book globalizes the M&A model by extending it to cross-border business, risk and select hedging methods, and addresses postmerger integration. This book is intended as a reading text for a course in M&A for undergraduates and MBA programs, and for practitioners as a handbook.

If You Are Serious About Making Money Online – You Need to Read This Book! Hands Down, eBay and Fiverr are the two best websites where every day people can make money selling products or services online. If you have ever wanted to carve out your own niche, this four book bundle is going to give you all of the information that you need to get started. If you want to sell products on eBay you're going to learn the secrets Power Sellers use to make \$100 everyday selling on eBay What I'm going to give you is a proven plan that you can follow over and over again to make money now – and in the future, whenever you find yourself strapped for a little cash. What's the secret to selling your item for the most money possible? It's easy - Most sellers have no idea what they have, or how to sell it ... This book will cover all of the steps you need to know to successfully sell on eBay Where to find items to sell on eBay How to discover your own private niche where buyers will keep coming back to buy more items from you How to write a great auction title packed with keywords that will draw people to your items How to write a description that will leave them drooling for more Whether you are new to eBay, or have been selling on eBay for some time now, this book can help you make more money - starting today! If you have a service to sell, Fiverr will let you pump up profits – Quickly If you've never heard of Fiverr before, it's this crazy hot new website where buyers and sellers get together to exchange money for services. And, get this - the price on everything offered there is five dollars, no more, no less – Maybe! It's just insane what some of these people are willing to do for five bucks! There's this one guy who dresses up like Jesus and offers to make a Christmas video or a video of anything else you want. Another guy pops a set of Mickey Mouse ears on his balding head and offers to sing Happy Birthday in a depressed tone. And, before I forget, there's a lady who offers to write any message, website, URL, or anything else you want across her boobs or sexy bum and send you pictures. And the fact is they are selling hundreds, sometimes even thousands of these services. I know what

you're thinking! How can anybody make money, even if you do thousands of these things, if you only charge five bucks? The answer is gig extras, and good old fashioned tips. Many sellers hang a new-fangled cyber tip jar out there to collect a little extra love for a job well done. But the real money is in the gig extras. Just what are gig extras, you ask. Gig extras are this hot new idea Fiverr has developed that is allowing many sellers to consistently turn five bucks into fifty or one hundred dollars. There is no limit to the type of gig that you can offer. If you can imagine it, you can do it. eBooks are HOT! If you ever wanted to write a book – Now is the time! *Freaking Idiots Guide to Writing a Bestseller* will take you through the entire process of marketing your eBook, so you have a better shot at success the first time you're up to bat.
