Each Moment is the Universe is a wonderful student short that collapses the distinctions between macro and micro in a paradox fitting of the zen origins of its title. The film follows a Thai man named Chok from death, to rebirth, to old age again—breathlessly racing through the years in way that seems remarkably natural and unhurried.

Each Moment is the Universe: ZEN and the Way of Being Time ...

Each Moment Is The Universe was a book that I found enlightening on the awareness of time and space. It shed a whole new perspective to me on our thinking process and how easy it is to create stress and turmoil in our every day lives.
