SOON TO BE A MAJOR MOTION PICTURE STARRING JODIE COMER, EXECUTIVE PRODUCED BY BENEDICT CUMBERBATCH, AND WRITTEN BY ALICE BIRCH (NORMAL PEOPLE) “Engrossing, compelling.” — Naomi Alderman, author of *The Power* “I was moved, terrified, uplifted – sometimes all three at once.” — Tracy Chevalier, author of *Girl With a Pearl Earring* Publishing in the US to a wave of critical acclaim and nominations for two major literary prizes, Megan Hunter’s internationally bestselling, extraordinarily poetic debut novel imagines new motherhood in the midst of an all-too-possible climate change catastrophe. A startlingly beautiful story of a family's survival, *The End We Start From* is a searing original, a modern-day parable of rebirth and renewal, of maternal bonds, and the instinct to survive and thrive in the absence of all that’s familiar. As London is submerged below floodwaters, a woman gives birth to her first child, Z. Days later, she and her baby are forced to leave their home in search of safety. They head north

through a newly dangerous country seeking refuge from place to place. Their journey traces fear and wonder as the baby grows, thriving and content against all the odds. *The End We Start From* is an indelible and elemental first book—a lyrical vision of the strangeness and beauty of new motherhood, and a tale of endurance in the face of ungovernable change.

How German is it Grove Press  
While the first decade after the fall of the Berlin wall was marked by the challenges of unification and the often difficult process of reconciling East and West German experiences, many Germans expected that the "new century" would achieve "normalization." The essays in this volume take a closer look at Germany's new normalcy and argue for a more nuanced picture that considers the ruptures as well as the continuities. Germany's new generation of writers is more diverse than ever before, and their texts often not only speak of a Germany that is multicultural but also take a more playful attitude toward notions of identity. Written with an eye toward similar and dissimilar developments and traditions on both sides of the Atlantic, this volume balances overviews of significant trends in present-day cultural life with illustrative analyses of individual writers and texts.

An amnesiac girl explores an enchanting underground world filled with sinister secrets in this YA fantasy from the award-winning author of *The Lie Tree*. In the underground city of Caverna, the world’s most skilled craftspeople toil in the darkness to create delicacies beyond compare—wines that remove memories, cheeses that make you hallucinate, and perfumes that convince you to trust the wearer, even as he slits your throat. On the surface, the people of Caverna seem ordinary, except for one thing: their faces are as blank as untouched snow. Expressions must be learned, and only the famous Facesmiths can teach a person to express (or fake) joy, despair, or fear—at a steep price. Into this dark and distrustful world comes Neverfell, a girl with no memory of her past and a face so terrifying to those around her that she must always wear a mask. Neverfell’s expressions are as varied and dynamic as those of the most skilled Facesmiths, except hers are entirely genuine. And that makes her very dangerous indeed. . . . Praise for *A Face Like Glass* An ALA/ALSC Notable Children’s Book “Hardinge is at the top of her game with this entrancing and action-packed adventure. Her voluptuous prose is full of sensory details and wildly imaginative descriptions, yet the world-building is controlled and gradually revealed. . . . VERDICT A compelling and triumphant follow-up to *The Lie Tree* for those who love to become immersed in a good story.” —School Library Journal, starred review “Using beautiful prose, Hardinge builds a richly imagined world that twists as much as the carefully orchestrated plot. Readers will eagerly follow noble Neverfell through its tunnels, marveling at the extraordinary

sights and catching their breath at her daring escapades. ” Booklist, starred review “ Hardinge excels at wordplay and worldbuilding; witty but not trite, her utterly original setting and chaotic, fidgety protagonist anchor a cracking good story that raises important ideas surrounding the nature of friendship, the value of honesty, and the danger of too much. ” Kirkus Reviews, starred review The Age of Light Bloomsbury Publishing USA

Fast-paced and razor-sharp dark fantasy for readers of Nicholas Eames, Anna Smith Spark and Robert Jackson Bennett "A fantastic book, full of wit and sharp humor, City of Iron and Dust careens through a modernized faerie at a breakneck pace, full of verve and unforgettable characters. Oakes spins a smart, electric, and sometimes snarky tale, showing that the beating heart of modern fantasy is alive and well." – John Hornor Jacobs, author of A Lush and Seething Hell and The Incorruptibles The Iron City is a prison, a maze, an industrial blight. It is the result of a war that saw the goblins grind the fae beneath their collective boot heels. And tonight, it is also a city that churns with life. Tonight, a young fae is trying to make his fortune one drug deal at a time; a goblin princess is searching for a path between her own dreams and others ’ expectations; her bodyguard is deciding who to kill first; an artist is hunting for his own voice; an old soldier is starting a new revolution; a young rebel is finding fresh ways to fight; and an old goblin is dreaming of reclaiming her power over them all. Tonight, all their stories are twisting together, wrapped up around a single bag of Dust—the only drug that can still fuel fae magic—and its fate and theirs will change the Iron City forever.

Jessie ha muerto. Se ha pegado un tiro mientras hablaba por telefono con Max, quien ha hecho realidad su proyecto de vida: convertirse en un jurista de exito. Pero entonces reaparece Jessie en la vida de Max y con ella su unico sentimiento autentico: un amor sin limites hacia la hija loca e infantil de un traficante de drogas. Al morir Jessie, Max abandona su trabajo y decide pasar el resto de su vida consumiendo cocaína. Así comienza Cguilas y angeles, novela escrita con un lenguaje agil y actual, en la que poco a poco comprendemos que la historia de Max y Jessie forma parte del drama de los Balcanes. Su extraño amor es un

producto de esa cinica union entre heroes de una guerra civil, genocidas, traficantes de drogas y politicos de la ONU que permiten cosas espantosas para impedir otras que lo son aun mas. Esta primera novela de Juli Zeh, traducida a mas de quince idiomas, ofrece un panorama aterrador e impresionante del mundo tras la caída de las ideologías, y ha situado a su autora entre las voces mas prometedoras de la literatura alemana contemporanea.

The Day of Creation: A Novel Abrams When the lives of two strangers become connected by the tragic loss of parents in a hijacked Paris-New York flight, they find themselves entangled in a web of terror, death, and betrayal.

City of Iron and Dust Macmillan It ’ s the night before the feast in the village of Fu ’ rstenfelde (population: an odd number). The village is asleep. Except for the ferryman—he ’ s dead. And Mrs. Kranz, the night-blind painter, who wants to depict her village for the first time at night. A bell-ringer and his apprentice want to ring the bells—the only problem is that the bells have gone. A vixen is looking for eggs for her young, and Mr. Schramm is discovering more reasons to quit life than to quit smoking. Someone has opened the doors to the Village Archive, but what drives the sleepless out of their houses is not that which was stolen, but that which has escaped. Old stories, myths, and fairy tales are wandering about the streets with the people. They come together in a novel about a long night, a mosaic of village life, in which the long-established and newcomers, the dead and the living, craftsmen, pensioners, and noble robbers in football shirts bump into each other. They all want to bring something to a close, in this night before the feast.

The Accidental Time Machine Farrar, Straus and Giroux "Wir alle brauchen Autoren wie dich, die mit der St ä rke ihrer Pers ö nlichkeit und der Kraft ihres Ausdrucks gegen den Unsinn ank ä mpfen, der die Welt zu ü berschwemmen droht." Burkhard Spinnen in einer Laudatio auf Juli Zeh (\*1974). Sie wird als politisch engagierte Autorin wahrgenommen, die sich in ö ffentliche Debatten einmischt. Mit "Unterleuten" hat Juli Zeh einen vielbeachteten Gesellschaftsroman vorgelegt: ein Bestseller, der als Dreiteiler im ZDF filmisch adaptiert wurde. Zeh wird zudem oftmals geehrt; 2018 erhielt sie das Bundesverdienstkreuz. Doch Kritik und Literaturwissenschaft begegnen der studierten Schriftstellerin und promovierten Juristin, deren Themen und Plot-Konstruktionen im Vordergrund ihrer Erz ä hltex te stehen, auch skeptisch. Komplexe Theoreme etwa der Physik ("Schilf") entwirft die Autorin im Genre des Kriminalromans. Durchg ä ngig finden sich apokalyptische Szenerien: als Zeitdiagnose ("Spieltrieb") oder Vorausdeutung (wie in "Corpus Delicti" und "Leere Herzen"). Schlussbilder und Wendepunkte ihrer Narrationen oder grotesken Theaterst ü cke bieten ü berwiegend surreal ü berzogene Exzesse (etwa "Neujahr"), welche die

vorigen, 'realistischen' Psychologisierungen ihrer Figuren auffällig und überraschend konterkarieren. Der vorliegende Band möchte dem besonderen, ja einzigartigen Rang Juli Zehs gerecht werden und versammelt deshalb Essays zu Einzelwerken, aber auch zu übergreifenden Fragestellungen sowie Gesamtdeutungen ihrer bisherigen Publikationen.

Literary Lapses Boydell & Brewer  
The book discusses how culture simultaneously shapes and is shaped by the economy. Over the past few years, as the world has staggered from one financial crisis to another, the neat separation of economics and culture has been consistently challenged. To understand the current state of affairs, it has become increasingly necessary to understand the conjuncture that rules the production of value in economic systems, how money shapes social relations and affects discursive practices. By discussing the vocabulary, by understanding the rhetoric and interpreting the narratives, be it of crisis, austerity, growth, welfare, neo-liberalism or socialism, new modes of imaging the economic system may be made possible. The book is structured in four chapters dealing with theory and conjuncture ("Philosophies of Money"), with the visual arts and investment ("The Arts and Finance"), with literary representation and narrativity ("Literature and Money Matters") and with the cognitive impact of fiduciary representation ("Cognitive Moneyscapes"). This collection analyses the process whereby a material icon invested with the symbolical power to rule social exchange becomes an explanatory narrative determining the way societies produce meaning. Transnationalism in Contemporary German-language Literature Walter de Gruyter GmbH & Co KG  
"Transnationalism" has become a key term in debates in the social sciences and humanities, reflecting concern with today's unprecedented flows of commodities, fashions, ideas, and people across national borders. Forced and unforced mobility, intensified cross-border economic activity due to globalization, and the rise of trans- and supranational

organizations are just some of the ways in which we now live both within, across, and beyond national borders. Literature has always been a means of border crossing and transgression—whether by tracing physical movement, reflecting processes of cultural transfer, traveling through space and time, or mapping imaginary realms. It is also becoming more and more a "moving medium" that creates a transnational space by circulating around the world, both reflecting on the reality of transnationalism and participating in it. This volume refines our understanding of transnationalism both as a contemporary reality and as a concept and an analytical tool. Engaging with the work of such writers as Christian Kracht, Ilija Trojanow, Julia Rabinowich, Charlotte Roche, Helene Hegemann, Antje R. Vieh, Strubel, Juli Zeh, Friedrich Drennemann, and Wolfgang Herrndorf, it builds on the excellent work that has been done in recent years on "minority" writers; German-language literature, globalization, and "world literature"; and gender and sexuality in relation to the "nation." Contributors: Hester Baer, Anke S. Biendarra, Claudia Breger, Katharina Gerstenberger, Elisabeth Herrmann, Christina Kraenzle, Maria Mayr, Tanja Nusser, Lars Richter, Carrie Smith-Prei, Faye Stewart, Stuart Taberner. Elisabeth Herrmann is Associate Professor of German at Stockholm University. Carrie Smith-Prei is Associate Professor of German at the University of Alberta. Stuart Taberner is Professor of Contemporary German Literature, Culture and Society at the University of Leeds and is a Research Associate in the Department of Afrikaans and Dutch; German and French at the University of the Free State, South Africa.

Sebastian and Oskar have been friends since their days studying physics at university, when both were considered future Nobel Prize candidates. But their lives took divergent paths, as did their scientific views.

Águilas y ángeles Anchor  
A prescient political and psychological thriller ripped from tomorrow's headlines, by one of Germany's most celebrated contemporary novelists A few short years from now, the world is an even more uncertain place than it is today, and politics everywhere is marching rightward: Trump is gone, but Brexit is complete, as is Frexit. There's a global financial crisis, armed conflict, and mass migration, and an ultrapopulist movement governs in Germany. With their democracy facing the wrecking ball, most well-off Germans turn inward, focusing on their own lives. Britta, a wife, mother, and successful businesswoman, ignores the daily news and concentrates on her family and her work running a clinic specializing in suicide prevention. But her legitimate business is connected to a secret and far more lucrative operation known as The Bridge, an outfit that supplies terrorist organizations looking to employ suicide bombers. Using a complex candidate-identifying algorithm designed by Babak, a brilliant programmer and Britta's only employee, The Bridge has effectively cornered the market, and terrorism never takes place without Britta's services—which is why news of a thwarted suicide attack in Leipzig comes as a shock. Then The Bridge's database is stolen, driving Britta, Babak, and their latest recruit into hiding. On their heels is a new terrorist organization called the Empty Hearts, a group unlike any Britta and Babak have encountered before. Part suspenseful thriller, part wickedly effective social satire, Empty Hearts is a novel for our times, examining urgent questions of morality, politics, and culture and presenting a startling vision of a future where empathy is a thing of the past.
